Re: Proposed Amendment to File 18-1356

The Cook County Zoning and Building Committee is scheduled to discuss the Proposed Amendment to File 18-1356 during their meeting on June 6. Cook County Farm Bureau® supports the changes set forth in the proposed amendment regarding 8.7.7 Animals.

The proposed changes set forth a reasonable minimum lot size for the keeping of livestock and horses. Additionally, the proposed changes set forth reasonable requirements for apiaries on zoning lots of less than ½ acre.

Please feel free to contact me at (815) 979-5458 if you have any questions or would like any additional information.

As the county's largest general farm organization, Cook County Farm Bureau® is dedicated to bridging the gap between farmers and urban consumers. Through education programs targeting youth and their parents and programs designed to connect farmers with potential consumers, Farm Bureau members are actively engaging in conversations about food and the shared values between farmers and consumers.
