**PRIOR CONTRACT HISTORY:**

No prior history.

**NEW PROPOSAL JUSTIFICATION:**

As a state certified health department in the State of Illinois, the Cook County Department of Public Health (CCDPH) proposes to continue a State Indoor Radon Program in Suburban Cook County stressing educational/informational programs that inform the public of the potential dangers of radon, urge testing for radon and then to urge mitigation if necessary. Even though the United States Environmental Protection Agency (US EPA) has rated Cook County Zone 2 with a moderate potential of having high radon levels, every home needs to be tested to find those with radon because some high levels have been found throughout Cook County. Radon is the second leading cause of lung cancer in the United States and is associated with 21,000 lung cancer deaths each year. This program is not mandated.

\*The cost of early termination of this grant is \$0.00.

**TERMS OF REQUEST:**

This is a request to accept a Grant Award in an amount not to exceed \$7,200.00, as needed, for a period of twelve (12) month from 10/01/2019 thru 09/30/2020.
