Good Morning. To All. I Wallace Gator Bradley, President of United In Peace, Inc , Urban Translator and Host of the Bradley Report would like for my public statement be read into the record in reference to COVID -19 and The Nursing Homes in Cook County. The bottom line is the General Assembly voted on rules and regulations for the Nursing Home Care Act to prevent such actions that has taken place at SAVA WESTCHESTER REHAB which the Nursing Home has to abide by the IDPH rules if not the State Attorney and Attorney General is notified of all complaints and sanctions the nursing home. In order for the Nursing home to stop the neglect and abuse of the residents they must take receivership of the nursing home and remove the management in place to save the seniors in the nursing home ,we must advocate for them. As of yesterday 5 more residents at WESTCHESTER REHAB has the Covid 19 virus and 1 one of the residents is on Hospice. We must act quickly because the Administrator ..Director of Nursing .Business Office and the Unlicensed Social Worker must leave immediately to save lives at WESTCHESTER. The Department of PROFESSIONAL Licenses REGULATIONS need to be contacted immediately and Medicare and Medicaid and DHS to stop the neglect at WESTCHESTER. This was brought to my attention by Ms. Loretta Brady who mother is in WestChester Health and Rehabilitation Center. I stand with Loretta Brady. I pray that Cook County Board would support Commissioner Brandon Johnson concerning this matter. And I thank President Toni Preckwinkle for the Dash Board. Thank you and TO GOD BE THE GLORY!!
