To the Honorable Cook County President & Board,

At the request of my constituents I am writing to notify you of the concern that the community of Chicago Ridge as well as its neighboring communities are concerned about the vaccine rollout. The majority of residents I have heard from feel that they are being grossly underserved. Vaccine distribution is nowhere close to our community, appointments are difficult if not impossible to obtain and many residents are being left behind. Much of our senior population does not have internet, lacks transportation and is not able to even obtain information as to how to go about getting vaccinated. The Tinley Park center is probably the closest and is a 30-40 minute drive. It is not convenient for many. Chicago Ridge as a Village can provide space if needed to be a vaccine destination. We have submitted paperwork as to do so. I implore the Cook County Board to act on this much needed option to serve Chicago Ridge and its neighbors. There is nothing in the Oak Lawn, Chicago Ridge, Palos, Burbank, Alsip, Hickory Hills etc. area. We are a working class community with many workers and seniors struggling to keep themselves and their families safe. We ask you to please consider placing a vaccine site close to us. Thank you for your consideration. Sincerely, Ed Kowalski Village Trustee.
