CC District #14

Dear President Preckwinkle and Commissioners:

We transmit for your consideration our Findings and Recommendations in respect to the above Map Amendment, Special Use for PUD, and variation applications which you had referred to us.

A public hearing was originally set for July 9, 2014 at the Village of Northbrook Board Room, 1225 Cedar Lane, Northbrook, Illinois 60062 1:00 pm but, due to overflow from the unanticipated extraordinarily large number of residents who wished to attend the hearing, the public hearing was continued to July 21, 2014 at 1:00 PM at the Glenbrook North High School's Sheely Center for Performing Arts Auditorium, 2300 Shermer Road, Northbrook, Illinois, pursuant to publication and in the manner prescribed by law.

The Subject Property consists of approximately 43.22 acres, located north of Techny Road and west of Western Avenue in Northbrook, in Northfield Township, Unincorporated Cook County, Illinois. The Subject Property address is 1677 W. Mission Hills, Northbrook, Illinois, unincorporated Cook County, Illinois.

The Municipalities notified with respect to the hearing for this Application as being within 1-1/2 miles of the Subject Property are Villages of Northbrook, Glenview, Mount Prospect and Wheeling. There was a representative from the Village of Northbrook present at the July 21, 2014 hearing. There was no response from any municipality during the call of the villages. The Zoning Board of Appeals did receive a petition objecting to the proposed development from Mission Hills M-4 at the hearing.
