## MISSION

The President of the Cook County Board of Commissioners is the Chief Executive Officer of Cook County. The President oversees the Offices Under the President and is charged with presenting a balanced budget to the Board of Commissioners.

## MANDATES

Mandated by Chapter 2, Article II of the of the Cook County Code of Ordinances

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

## Policy Roadmap

In 2019, the President's Office began implementation of the Policy Roadmap: Five-Year Strategic Plan for Offices Under the President. As part of this initiative, the President's Office convened implementation teams and developed action plans for each policy priority. The President's Office oversaw an upgrade to the Cook County Open Performance website and published key performance indicators for the Policy Roadmap on a transparent public dashboard. The dashboard will be updated quarterly to report on implementation progress.

## Professional Development

The County Board President's Office increased opportunities and the applicant pool for professional development in 2019 through continuous outreach, including participation in a new fellowship program with Chicago United for Equity, which supports the work to achieve racial equity outlined in the Policy Roadmap. Participation in this program and others like the Civic Leadership Academy, will help support the County's workforce and drive a culture of innovation and continuous improvement.

## Academic Partnerships

The Offices Under the President embedded fellows from local academic institutions throughout departments to leverage data analytics and provide technical assistance.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

## The Digital Divide

The President's Office is leading an initiative to tackle the "digital divide gap" between those with and those without home access to the internet. Federal Communication Commission (FCC) data from December 2018 indicates that up to $25 \%$ of Cook County residents lack high-speed internet, and more than 17\% of African American and Latinx households lack a computer. Cook County government will leverage capital dollars and augment current public infrastructure to tackle this problem and provide equitable access to technology to all County residents.

## Racial Equity

In 2019, the Offices Under the President formally joined the Government Alliance for Race and Equity and established a Racial Equity Leadership Council. In 2020, all employees within Offices Under the President will receive implicit bias training with technical assistance from GARE. The Office will also hire a Director of Equity and Inclusion who will oversee the work of the RELC and work in partnership with Commissioners, separately elected offices, staff and external stakeholders to advance racial equity in Cook County government.

## Performance Management

The President's Office will fully integrate the Policy Roadmap into performance management and oversee public dashboards for both the Policy Roadmap implementation and each department's operational metrics. The integration will ensure that Offices Under the President remain accountable and transparent

## BUDGET HIGHLIGHTS

- The Office of the President's budget request for FY2020 is \$3.3M, an increase of $\$ 1.1 \mathrm{M}$ from the FY2019 adopted budget. This increase reflects an effort to increase transparency by moving fixed charges for shared operating costs.
- The FTE count increased by 6 positions due to added positions to support the FY2020 initiatives to advance racial equity and in achieving the goals under the Policy Roadmap.

## MISSION

The mission of the Cook County Justice Advisory Council is to work collaboratively with justice system stakeholders to safely reduce the adult and juvenile jail populations, while ensuring systemic as well as community supportto reduce recidivism and increase public safety.

## MANDATES

The Justice Advisory Council follows State and County mandates to effect improvement of the administration of justice, 55 ILCS 5-18, State Statutory Mandate; Sec. 2-473 County Ordinance Mandate.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

While continuing the work of the past two terms in addressing equitable access to justice, the Public Safety agenda in 2019 focused on raising awareness of the County's criminal justice reform efforts to safely reduce the jail populations and address racial and ethnic disparities in the criminal justice system. In 2019, we led the development of strategies and objectives for the Policy Roadmap in the policy area of safe and thriving communities. Focusing on implementing violence reduction strategies and creating policies towards an equitable justice system in which every person has access to fair treatment, regardless of race or economic status. The JAC supported legislative work towards sensible gun laws, while seeking solutions to gun violence as a public health crisis by aspiring to invest in marginalized communities to address the root causes in reducing violence. The JAC administered over $\$ 2.5$ million in grant funds and services to support community-based programs directed towards reducing recidivism, increasing restorative justice and violence prevention. In 2019, this investment included $\$ 1$ million dollars in a demonstration grant for Returning Resident services for those residents transitioning from incarceration. While working across county bureaus to coordinate efforts with regards to health and racial equity, behavioral health, housing, jobs, and economic development.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

Goal I: Advocate for polices which decrease racial, ethnic, and socioeconomic disparities in the criminal justice system (Roadmap- Safe and Thriving Communities focus area).

Outcome: Build capacity of the office to analyze data, policy and fiscal impact of office operations by hiring a full-time Administrative Analyst.

Goal II: Increase the number of grant site visits for improved grant oversight.

Outcome: Attend 34 site visits; 100\% increase from 17 site visits in FY2019.

## BUDGET HIGHLIGHTS

- The JAC operating budget is primarily driven by its personnel cost with $98 \%$ being allocated to salary and fringe benefits. The personnel budget allows the staff to carry out its goals and program activities throughout the year.
- Our fixed charges have remianed steady with no increase for 2020 in part due to the re-alignment of our grant-making

## MISSION

The Bureau of Administration is committed to developing, Coordinating and managing projects and programs to enable Bureau of Administration and other County departments to better serve the residents of Cook County in a transparent, efficient, and costeffective manner.

## MANDATES

Fulfills the duties of the Chief Administrative Officer authorized by state statute (55 ILCS 5/3-14006-14008)

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

Fleet Management implemented Phase 1 of the GPS/AVL installation. GPS units have been ordered and will be installed in the remaining Offices under the President passenger/light duty vehicles. Entered into a new Shared Fleet contract to provide shared vehicles for the purpose of conducting the County's business and field work.

Records Management developed a draft Records Compliance Policy to reduce the amount of records storage space Countywide in addition to promoting continued compliance with the Local Records Act and other laws. Assessed County department's records disposal needs and continues providing effective disposal training on reducing records space.

The Office of Research, Operations, and Innovation (ROI) developed a hands-on training program to teach employees a standardized approach for successful process improvement. In ROl's first year, over 175 employees were trained and various process improvement projects were facilitated resulting in over 50 innovations.

Communications generated press releases, media advisories, videos, and other social media to inform residents and other stakeholders of the work conducted by the County. They engaged with local, regional, national, and international media to ensure the County was represented accurately and with a consistent voice.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

Records Management will create a records center at Rockwell warehouse. This center will allow for the proper sorting, organizing and disposal of records approved for disposal.

Fleet Management will begin Phase 2 of its GPS/AVL installation. This will expand GPS tracking to 300 vehicles. In addition, Fleet Management will begin managing all 125 vehicles under the Offices of the President with the goal of both modernizing and reducing the size of that fleet.

The Office of Research, Operations, and Innovation (ROI) will train over 500 OUP employees in FY2020. These trained employees will apply standardized methodology and tools they are taught to make improvements to their existing processes through the identification and elimination of waste. The process improvements will result in hard and soft savings, improved efficiencies, and improved customer service and customer experience.

Communications will work with Departments to better communicate with concerned entities through the use of the govDelivery electronic communications platform. In addition, Communications will begin its replacement of its Cable Television broadcast equipment.

## MISSION

The Department of Environment and Sustainability (DES) works to improve the quality of the environment for all residents of Cook County.

## MANDATES

Enforce Cook County Environment and Sustainability Ordinance, Chapter 30 of the County Code. Implement Illinois EPA cooperative agreements on pollution control, inspection and monitoring. Administer U.S. EPA, DOE and other grant agreements County Board Resolution to reduce Greenhouse Gas emissions to net zero by 2050. Monitor air quality for the U.S. EPA.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

In 2019 DES pursued the South Suburban Brownfield Assessment Project funded by a federal grant along with the Coalition Partners of Chicago Heights, Ford Heights and Sauk Village, to foster livable, vibrant communities that are safe, healthy and amenity-rich for all residents, regardless of age, race or income level through identifying potentially contaminated sites and assessing them to make redevelopment easier. The target for 2019 was to complete ten Phase I assessments, and DES projects meeting this target. In 2019, DES also continued automation of its permit and inspection functions into the OnBase system. DES issues approximately 14,500 permits of various types including air, solid waste, recycling, liquid hazardous waste, demolition, asbestos removal and open burning. DES also conducted on average over 8,000 inspections per year. Building on the automation of the Asbestos/Demolition Division last year, in 2019 the Air Division was automated and the Solid Waste Division will also be automated during 2019. This allowed all customers to pay permit fees online, speed the issuance of permits, and improve data on field inspections cost and time.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

Brownfield assessments will increase from ten in 2019, to 20 in 2020. In addition to the brownfield assessments, DES, along with the Bureau of Economic Development, received a grant to create a federally-funded Revolving Loan Fund for brownfield site cleanup (making Cook County the entity with the highest amount of USEPA brownfield funding in the country last year). These loans will be available in South and West Suburban communties where assessment programs have already been done. The goal is to get sites cleaned up, jobs created, and see increases in local tax base. Because considerable effort was spent in 2019 getting the OnBase system up and running, training all staff including field inspectional staff, and troubleshooting, staff time spent on field inspections decreased. The number of inspections is expected to increase from 6,500 to over 8,300, increasing the efficiency of staff and reducing cost/ inspection from a projected $\$ 195$ in 2019 to about $\$ 158$ in 2020.

## BUDGET HIGHLIGHTS

- Fiscal year 2020 request is $\$ 2,173,131$, an increase of $\$ 195,579$ from FY19 due to increased personnel costs.
- Department FTE increased by 1 due to the addition of a Special Assistant for Legal Affairs.
- Professional Services are reduced by $\$ 100,000$; it is now budgeted directly out of the special Solid Waste Fund instead

## MISSION

The Medical Examiner ensures public health and safety by performing postmortem examinations to determine cause and manner of death for individuals who die in Cook County and to ensure the dignified final disposition of indigent decedents.

## MANDATES

The office was established by the Cook County Code of Ordinances, Chapter 38 Health and Human Services, Article VI Medical Examiner. The abolishment of the Office of the Coroner was authorized by a 1972 referendum.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

## National Association of Counties Achievement Award

The Medical Examiner's Office was recognized for its Indigent Burial Program in the Human Services category. The goal of the Indigent Burial Program is to provide a dignified burial to constituents in Cook County whose families do not have the funds to make arrangements and the indigent who have no one to make arrangements for them. The Medical Examiner's Office started a new process for burying unclaimed Veterans using a county contract to enlist the services of local funeral homes who provide burial at Lincoln National Cemetery. This has led to the timely and respectful burial of indigent veterans with a $40 \%$ reduction in the number of days they stay at the office. The number of indigent veterans staying in the office for more than sixty days is now tracked as a performance measure with the target as zero.

## International Standards Organization (ISO) accreditation

In June 2019, the American Society of Quality National Accreditation Board (ANAB) awarded the County Medical Examiner's Office International Standardization Organization (ISO) accreditation for forensic testing and forensic inspection. ISO is an independent, non-governmental international organization that develops standards to ensure the quality, safety and efficiency of products, services and systems. This accreditation showcases the Medical Examiner's Office's high standards of impartiality and confidentiality.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

## Autopsies per pathologist (goal 250)

The National Association of Medical Examiners (NAME) recommends that the average number of autopsies a pathologist can perform in a year are 250. In FY2018, the Medical Examiner's Office (ME0) performed an average of 294 autopsies per pathologist. In order for our goal to be met, the MEO must recruit and retain a full staff of Assistant Medical Examiners. This is challenging due to the acute national shortage of forensic pathologists and the increased number of complex cases including gun homicides and high-profile cases.

## \% of reports completed within 60 days of autopsy

By completing 90 percent of autopsy reports within 60 days, we will overcome a NAME deficiency and improve customer service by providing families with timely reports. This goal is tied to the prior caseload goal of the pathologists, as increased caseload leads to slower completion of reports.

## BUDGET HIGHLIGHTS

- The Medical Examiner budget request has decreased by $\$ 57 \mathrm{~K}$ and FTEs are reduced by 8 from FY2019 to FY2020 due to the restructuring by merging three programs into one to improve workflow, time management and operational efficiencies
- No major changes in non-personnel expenditures

## MISSION

The Department of Homeland Security and Emergency Management (DHSEM) enhances the safety and security of Cook County and its residents by working to build capacity to prevent, protect against, mitigate the effects of, respond to and recover from all incidents whether human-caused or natural.

## MANDATES

Federal, State and County laws mandate that local governments develop and maintain emergency management capabilities. Stafford Act, 42 USC §5121-5208; Illinois Emergency Management Agency Act, 20 ILCS 3305 et seq.; Cook County Code Chapter 26, Article II. DHSEM fulfills this role as the County's Emergency Management Agency.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

DHSEM achieved increased outreach to County stakeholders in a number of ways, including through its Regional Coordinators (RCs). RCs directly interact with and support County communities both before and in response to a critical incident. DHSEM's 2019 target was 300 meetings between its RCs and community representatives. In total, RCs actually attended a total of 475 such meetings in 2019 .

DHSEM sought and achieved to provide enhanced community-level planning services to local public safety officials. DHSEM personnel serve as subject matter experts to assist its public safety partners in completing plans related to emergency operations, hazard mitigation and infrastructure protection. The 2019 target was 60 meetings for DHSEM planning staff and the staff attended a total of 170 meetings.

DHSEM sought and achieved increased strategic engagement with County stakeholders through open, transparent communication products and forums in 2019. In 2019, DHSEM increased the number of communication products such as newsletters and regularly scheduled strategic leadership discussions with stakeholders, be they townhall style gatherings for local officials or small group discussions with public safety officials. In May 2019, (2) townhall meetings were conducted with over (44) municipalities, (10) county agencies and (3) county partners in attendance.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

DHSEM sees an opportunity to build on past success by continuing to enhance community-level planning services provided to local public safety officials. DHSEM's 2020 goal is for its RCs to attend 350 meetings with public safety stakeholders and its planning staff to attend 100 such meetings.

DHSEM anticipates making its mass notification capabilities available to County municipalities free of charge no later than early 2020. To ensure the use and effectiveness of this technology, DHSEM anticipates signing up and training 30 municipalities in 2020.

In furtherance of the County's Policy Roadmaps aim to create Safe and Thriving Communities, DHSEM remains committed to increasing its Justice Administration Grant (JAG) investments in community-based organizations which provide anti-violence and reentry services and target justice-impacted populations. In 2019, DHSEM funded (5) targeted programs. DHSEM's 2020 goal is to fund (6) target programs.

## BUDGET HIGHLIGHTS

- DHSEM presented a proposed budget that is $\$ 25,000$ less than its budget target by maximizing the use of grant funds and using County-wide contracts for purchasing goods and services.
- DHSEM continues to right-size its grant reimbursement expectations by reducing the budgeted reimbursement amount by $\$ 50,000$ to reflect the true amount received each year from the State of Illinois.

# 1451 DEPARTMENT OF ADOPTION \& FAMILY SUPPORTIVE SERVICES 

## MISSION

To provide professional home-based social investigations that courts rely on in making critical decisions affecting the safety and well-being of children involved in adoption, probate, dissolution of marriage and parentage proceedings.

## MANDATES

Section 605 of the Illinois Marriage and Dissolution of Marriage Act (750 ILCS 5/101, et seq.) and Section 6 of the Illinois Adoption Act (750 ILCS 50/0.01, et seq.) address court ordered investigations and reports.

## OPERATIONAL HIGHLIGHTS: <br> 2019 INITIATIVES AND OUTCOMES

In FY2019, DAFSS priorities included increasing efficiency, eliminating obstacles to case disposition; improving the client experience; revitalizing relationships with essential stakeholders; and, professional development.

The department re-engineered its business processes. By receiving court orders and submitting reports electronically, it reduced the average number of days to receipt of court orders by $50 \%$ through June 2019, compared to the same period last year. By assigning cases using a new methodology, it reduced the average number of days to assignment of cases by $55 \%$ through June 2019, compared to the same period last year.

The department engaged in client outreach, including three presentations for judges and attorneys, increasing adoption case referrals by $116 \%$ and non-adoption case referrals by $9.6 \%$ through June 2019, compared to the same period last year.

The department surveyed clients, with $66 \%$ of judges and almost $50 \%$ of attorneys surveyed stating that their overall experience with the department was "better than expected," and $75 \%$ of judges surveyed stating that they "usually" agree with the Department's recommendations.

The department partnered with other agencies to provide over 30 staff training opportunities.

In addition to social investigations, the department continued to provide ancillary services including but not limited to post-adoption services and fingerprint processing for Cook County residents.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

In FY2020, DAFSS will continue to professionalize, modernize and improve its services. The Department will implement a new system to improve case management, client communications, cycle time, and generate other operational efficiencies. This system will allow information to automatically be exchanged with the Clerk of the Circuit Court and enable the Department to conduct electronic searches of historic adoption records in response to adult adoptee and confidential intermediary inquiries, resulting in time and cost savings.

## MISSION

The Cook County Department of Transportation and Highways goes beyond transportation; accelerating economic growth and fostering thriving communities by promoting and investing in our region.

## MANDATES

Legislative Authorization: Illinois Highway Code - County Administration of Highways ( 605 ILCS 5/5). The Illinois Motor Fuel Tax "MFT" Law (35 ILCS 505) dedicates $16.74 \%$ of the state's MFT funds to "counties with over 1 million in population."

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

Invest in Cook made awards across the County. The 2019 program consists of 34 awards, benefiting 27 municipalities which is slightly less than the target of 38 to provide a fiscally constrained program. The Program continues to focus on south Cook, which received $25 \%$ of funding across 9 projects

The County's investment of $\$ 8.5 \mathrm{M}$ leverages an additional $\$ 33.8 \mathrm{M}$ in federal, state and local funds. County transportation resources will enable \$42M in project activity across all phases to get underway this year.

A 2018 Invest in Cook award positioned the CREATE Dolton Interlocking project for one of 45 nationwide Federal CRISI grant awards (\$19.3M) to reduce congestion and enhance mobility in south suburban Dolton and Riverdale.

Completed the Cook County Freight Plan. This plan identifies how best to deploy County resources to support freight projects with regional economic development and mobility benefits.

Completed the South Cook Mobility Study - Study compares 8 longproposed transit projects in south Cook and identifies the project with the greatest net increase in transit ridership and access to job opportunities.

Completed the Lincoln Highway Logistics Corridor Plan - This plan embodies several local areas of the policy roadmap by identifying priority infrastructure and development opportunities. A companion property tax analysis informed legislation to attract new development to vacant sites.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

Invest in Cook - Further advance Invest in Cook projects through strategic partnerships and grant applications to secure additional funding. The Department has established a 2020 target of 34 projects.

Implementation of the Fair Transit Pilot, an outcome of the South Cook Mobility Study. The pilot will be designed with transit agency partners to deliver better transit services and to use existing public transportation facilities in south Cook more effectively. Partners have discussed fare policy changes, increases in service, and better coordination between Metra, CTA and Pace as possible features of the pilot. Building on the South Cook Mobility Study, the Department will begin developing a Cook County Transit Plan that defines how through a combination of investments in transit facilities and services, working with sister agencies, and broader policy changes and advocacy, the County can improve public transportation in the region making it a more heavily used and attractive option for residents, workers and visitors.

Continued collaboration with regional transportation agencies on regionally significant projects, like the Elgin-0'Hare expressway, Central Tri-State Reconstruction (I-294 tollway), and the widening of Interstate 80 to address freight and transit mobility.

The Department has established a success rate of $65 \%$ for future grant applications, based on anticipated funding opportunities

## BUDGET HIGHLIGHTS

- The Department's Corporate budget modestly increases by $2 \% ~(\$ 12,500)$. This increase is attributed to non-MFT eligible technical engineering services and vehicle maintenance.
- The Department's Special Purpose fund budget is stable, with a modest 1\% increase, $\$ 39,993$ over FY19.
- FTE count increases by 11 due to the addition of management

## MISSION

The Department of Animal and Rabies Control (ARC) is a public health department addressing the need to protect human and companion animals from rabies and other communicable diseases. We accomplish this mission through education, vaccination, registration, legislation and surveillance

## MANDATES

ARC is mandated to uphold 51 ILCS 5 (Animal Control Act), 510 ILCS 70 (Humane Care for Animals Act), Chapter 10 (Cook County Animal Control Act) and the Pets Evacuation and Transportation Standards Act (PETS).

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

ARC sponsored professional growth classes for first responders with animal control wardens, community service officers and law enforcement agencies participating. The Department is working with the Bureau of Technology to establish a database of agencies who would be interested in participating in our education seminars. The department anticipates fulfilling its goal of protecting human and companion animals from rabies by meeting its FY 2020 target of vaccinating 350,000 animals but because of a reduction in the number of Cook County Mobile Rabies Clinics anticipates vaccinating 2,400 animals.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

## Maximizing accurate and timely results on rabies testing of biting animals

There have been instances of delayed and inconclusive results for rabies testing because of our reliance on a commercial shipper and need to use a laboratory one hundred miles distant from Cook County. We have negotiated with University of Illinois and they will supply daily courier service.

## Completion of phase II of Hyland/Onbase migration

ARC will be completing Phase II of the Hyland/OnBase software system. This second phase will encompass bite reporting activity, Spay/Neuter Rebate program, targeted reports, electronic certificate filing and guard dog registration. This will help to reduce average number of days to enter the data of the vaccinated animals to 7 days in FY2020

## Other Initiatives

Increase electronic rabies certificate numbers through OnBase. Support ZPP to map zoonotic diseases in wildlife

Continuation of training opportunities for Cook County first responders dealing with animal related activities.

## MISSION

The Cook County Law Library promotes access to justice by providing residents with access to legal information through implementation of new services, technologies and best practices.

## MANDATES

Establish and maintain Law Library that is freely available to all members of the public (55 ILCS 5/5-39001; Cook County Code of Ordinances, Chapter 50, Article II)

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

In 2019 the Law Library began converting its old microfilm room into a Self-Help Center, geared towards assisting self-represented litigants in appellate law. The Law Library is partnering with the Access to Justice Commission of the Administrative Office of the Illinois Courts for this project. Patron visits at the Daley Center are higher than projected resulting in lower than projected cost per patron visit. The Law Library has resolved the technical issues preventing credit card acceptance and will begin accepting credit cards as soon as Procurement approves the purchase of the card readers.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

## Improve Disability Services and Outreach

The Law Library will implement a two-phase strategic initiative aimed at improving Library services to disabled people. Phase one will involve disability accomodation training for all staff. Phase two will involve partnering with disability rights organizations to develop educational programs for people with disabilities. Phase one will increase patron satisfaction by enabling and empowering staff to provide higher quality services for members of the disabled community. Phase two will support the Library's mission of promoting access to justice by assisting vulnerable community members in self-advocacy. This initiative should help sustain the historically high patron satisfaction and visit numbers experienced in 2019 into 2020.

## BUDGET HIGHLIGHTS

- FTE count remains stable compared to 2019
- 2020 expenditures are $2 \%$ over 2019, driven in part by increase in insurance and space rental
- Target cost per patron visit reduced due to higher than expected traffic in 2019
- 2019 ordinance change will reduce facilities costs and increase staff efficiency
- More efficient print management system will reduce toner and paper waste keeping copier supply expenses stable

## MISSION

The Office of the Chief Financial Officer (OCFO) ensures the fiscal affairs of the County are managed using best in class public finance practices with an eye toward long term fiscal stability. The OCFO will use quantitative expertise to support all departments under the Bureau.

## MANDATES

Mandated by Chapter 2, Article V, Division 3 Bureau of Finance of Cook County Code of Ordinances.

## OPERATIONAL HIGHLIGHTS: <br> 2019 INITIATIVES AND OUTCOMES

The Office of Chief Financial Officer's (OCFO) office met its FY2019 goals of ensuring the County's debt service payments did not rise more than $2 \%$ annually and overseeing a detailed audit of the Accounts Payable (AP) process across all County offices and departments. The AP audit alone has resulted in over $\$ 2$ million in savings in 2019. The office also produced long-term fiscal forecasts, organized and launched the Independent Revenue Forecasting Commission, created numerous detailed projections using historical information and detailed modeling for property taxes, fees, home rule taxes, intergovernmental revenues, special purpose funds, grants, capital project efforts, debt administration and revenue bond reimbursements. Additionally, the office produced timely and accurate cash flow forecasts for various County funds. All these efforts have contributed to the office's overarching goal of increasing financial accountability and responsibility.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

The OCFO will build on its implementation of the industry best practice of ensuring the County's debt service rise by no more than $2 \%$ annually including any anticipated new issuances while also seeking out any advantageous refinancing opportunities. These efforts will be coupled with transparency and accountability measures aimed at a $100 \%$ rate for posting required disclosure documents within five days.

Additionally, it will efficiently administer the County's Asset Marketing Program while assessing and potentially advancing digital marketing and naming rights opportunities to the County's Asset Marketing Committee and County Board for approval.

Support the newly established Independent Revenue Forecasting Commission, which is primarily tasked to analyze the five-year consensus revenue forecast developed by the CFO on an annual basis, and provide updates to the Board of Commissioners as needed. The forecast will include but will not be limited to: Sales and Use taxes, Property Taxes, Cigarette Taxes, Fuel Taxes and other sources of County revenue. The Commission will also be responsible for evaluating and forecasting any new revenue sources proposed by the Board and or Executive.

Moving forward the OCFO will more closely monitor the accuracy of our monthly sales tax revenue estimates by establishing a 2019 and 2020 target. For these two years, we will be targeting a mean standard error of just $\$ 4.0$ million or less from the monthly forecast.

## BUDGET HIGHLIGHTS

■ The FY2020 department request is $\$ 1.5$ million or a $5 \%$ increase due to staffing changes. The County ordinance has given an authority to the OCFO to hire an Economist position to serve as a liaison with the newly created Revenue Forecasting Commission

## MISSION

To efficiently administers and equitably enforce compliance with Cook County Home Rule taxes while providing courteous and professional service to the public. To process Cook County fines, fees, and license applications in an accurate and timely manner.

## MANDATES

Various Articles of Chapter 74 - Taxation; Uniform Penalties, Interest and Procedures Ordinance, Article III of Chapter 34 - Finance; A portion of the administrative tasks in Chapter 54 - Licenses, Permits and Miscellaneous Business Regulations.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

- Implemented the "sticker-less" Wheel Tax process which streamlined the payment and compliance process for residents of unicorporated Cook County.
- Through various process changes, DOR has increased the number of payments being processed using electronic methods, saving on the cost of paper processing. Additionally, DOR has worked with other agencies to enhance their ability to also accept electronic payments such as credit card payments.
- While the number of audits will be less than projected, the percentage that yield an assessment will remain at close to $100 \%$ as the Department continues to make up for a lack of enforcement prior to the 2013 budget year.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

## ITPS Release 2

DOR is scheduled to roll-out all remaining Home Rule Taxes in our Integrated Tax Processing System which will allow for electronic filing of tax returns, electronic payment of tax debts, the initiation of payment plans and a number of other conveniences for over 3,700 business taxpayers and 120,000 individuals and increase overall revenue collections.

## Tax Discovery Compliance Programs

Implementation of two Compliance programs in the Integrated Tax Processing System that will allow for data matching and sharing with other governmental agencies to assist with identification of potential taxpayers and help pinpoint potential audit candidates.

## Collections Enhanced Customer Sevice

DOR is procuring and implementing an enhanced call center that will include a number of key call monitoring and routing features that will allow for better call queue monitoring, the ability to add additional resources in peak times and enhance the customer experience.

## MISSION

Risk Management is responsible for the cost-effective and customer- focused administration of employee benefits, workers' compensation programs and general liability programs across all County employers in accordance with local, state and federal requirements.

## MANDATES

745 ILCS 10/9-103 - Illinois Local Governmental and Governmental Employees Tort Immunity Act

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

Contract award for Voluntary Benefits Administration and Deferred Compensation Record-Keeping Services resulting in increased opportunties for County employees.

Reduction in administrative spend for Employee Group Vision Benefits of $\$ 215,403.12$ in addition to a $4 \%$ increase in exam rate.

Anticipated reduction of $18 \%$ in administrative costs following award of a new vendor contract for Unemployement Services Administation.

Operational and compliance efficiencies resulting from resolution authorizing Risk Management to execute Workers' Compensation Claim Payments to prevent medical provider penalties in response to Public Act 100-111.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

Implementation of a suite of voluntary benefit options for County employees while continuing to promote robust group health benefit offerings. These Voluntary Benefits are intended to complement the group health benefit offerings and provide value-added services to Cook County employees and plan administrators. Although there is an administrative element involved in offering these benefits, these are no-fee services for the County as the full cost of each product is contributed on a post-tax basis by the employee.

Implementation of a charitable giving campaign for County employees. The Campaign is expected to run concurrently with the annual Benefits Open Enrollment period. This County program does not involve a budget expenditure but contributes to the employees' connection to their communities.

Additional efficiencies within the workers' compensation administrative process. The Department continues to monitor and manage the County's workers' compensation costs by making improvements to the claims reporting process and utilizing data for improved analysis.

The Department will continue to systematically review and engage in aggressive negotiations with Cook County's service providers. FY2o initiatives will include a joint procurement with the City of Chicago and others for Group Medical Benefits.

## MISSION

The Department of Budget and Management Services promotes fiscal responsibility by preparing, managing and executing the County budget for the Operating, Grants, Capital and Special Revenue Funds. It also evaluates and analyzes performance data to increase operational efficiency.

## MANDATES

Adheres to state statutes governing the budget process (55 ILCS 5/6-24001-24007). Each year prepares and issues a Preliminary Budget forecast on or before June 30 and submits the Executive Budget recommendation to the Cook County Board of Commissioners by October 31 (Cook County Code of Ordinances Section 2-930-937.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

In FY2019, the Department of Budget and Management Services (DBMS) utilized and refined the reporting and data analysis tools in the Oracle E-Business Suite. This gave the County better insight into expenditures and highlighted opportunities for consolidation, increased efficiency, and new cost savings.

The launch of Wave 3 (Human Resources, Payroll, and Benefits Management) of the Enterprise Resource Planning (ERP) system required DBMS to adopt new workflows in personnel management relating to the hiring request process and grant personnel accounting.

DBMS continued to monitor YTD expenditure activity to ensure adherence to board approved appropriations. To meet this goal of responsible stewardship, DBMS tracks the number of departments projecting above their current budgets. Enhanced reporting and data analysis tools aided DBMS in getting $97 \%$ of departments to track within their budget appropriations at the time of the mid-year report in July 2019, which exceeded the budgeted goal ( $89 \%$ of departments) by $8 \%$.

In 2019, DBMS developed and released the preliminary budget for 2020 in an interactive format online for the first time. The platform contains graphics describing the general fund and the health enterprise fund and allows residents to drill down several levels within both expenses and revenues.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

In 2020, DBMS plans to increase the accessibility and transparency of financial information in Cook County, in alignment with OPEN Communities under the Policy Roadmap, by creating several new online tools for use by the general public. DBMS will also promote data-driven decision making within the county by developing reports to better inform elected officials.

Currently DBMS releases the preliminary budget, the President's Executive Recommendation, and the Adopted Budget in both printed and pdf form. This year for the first time, the FY2020 budget will be released online as an interactive budget with drilldowns. This will allow residents of Cook County unprecedented access to easily digestible financial information about the county's revenues and expenditures. When used in concert with the Policy Roadmap public dashboard, residents will be able to view both the distribution of public dollars and the outcomes of those investments.

DBMS is creating a platform in coordination with key departments to bring together all grants offered by the county, which are currently available only in a variety of disparate locations. By consolidating these opportunities in one place, residents will be able to view and apply to all grant opportunities with ease.

DBMS will be working in the coming year to streamline usage of Hyperion in order to minimize the time budget analysts spend answering system related questions.

## MISSION

Supervise the fiscal affairs of Cook County by maintaining the accounting records, general ledger (GL), financial reporting (FR), accounts payable (AP), payroll and garnishments (PG) (ie.edisbursing and reconciling the County's \$4.54 billion budget).

## MANDATES

Approve or disapprove a vendor bill within 30 days after receipt and pay within 30 days of approval (Local Government Prompt Payment Act-50 ILCS 505). Prepare monthly Analysis of Revenue and Expense Report (Resolution).

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

Reconciled $\$ 2.38$ billion of County expenditures which includes disbursements to vendors and employees as of 5/31/2019.Promoted Capital Asset Inventory Compliance- an overall compliance rate of $85 \%$ and $100 \%$ rate with offices deemed material for financial reporting. Issued the 2018 CAFR by 5-31-19. Aspired to complete the monthly revenue and expense reporting within 30 days of month end. The PG team has performed due dilligence to ensure that EBS payroll produces accurate payroll and tax reporting while continuing to address post go-live issues which requires the assignment of staff resources that would normally work on daily processes. The AP section has enforced procedures to process payments within 10 working days of the time of invoice receipt by daily monitoring that assures timely processing as well as promoting payment by credit card to reduce check issuance cost

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

GL Program Output Metric - Continue to strive to complete the monthly revenue and expense reporting within 30 days of month end.

AP Program/Efficiency Metric - The Accounts Payable team will continue to enforce procedures to process payments within 10 working days of the time of invoice receipt in the Comptroller's Oracle E-Business Suite (EBS) queue by daily monitoring which assures timely processing as well as promote payment by credit card to reduce check issuance costs.

Zero-Based Budgeting Metric - The PG Team will continue performing due dilligence to ensure that the Oracle EBS Payroll produces materially accurate payroll and payroll tax reporting.

Countywide 2019 Annual Asset Inventory Data request and CAFR issuance - Promote Capital Asset Inventory Compliance and issue the 2019 CAFR by $5 / 31 / 20$.

## MISSION

The mission of the Office of Contract Compliance (OCC) is to ensure the full and equitable participation of minority- and women-owned businesses in the procurement process as both prime and sub-contractors for Cook County and Cook County Health (CCH).

## MANDATES

The OCC operates in accordance with Cook County Ordinance Sections 34-237,34-238; 34-260-300.2

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

OCC created and began implementation of a new Strategic Outreach Initiative that couples analysis of trends in spend with targeted industry outreach. Included in outreach efforts is an emphasis on capacity buidling for M/WBE vendors through partnerships with Assist Agencies to leverage their resources for Cook County certified M/WBEs. The Mentor/Protégé Initiatve is now part of the larger goal of outreach to existing businesses while also increasing those businesses' capacity through training, networking and partnering with Mentor firms. OCC has participated in over 20 outreach events throughout the County and has begun direct contacts with currently certified firms to encourage maintenance of certification. There are currently 510 certified Minority-, Women-, Veteran- and Service Disabled Veteran-owned businesses and 209 pending applications. OCC Green initiative was completed whereby all certification applications are online with an in-house vendor kiosk to assist vendors with online certification.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

Lean OCC. All OCC staff will complete Lean Greenbelt training to identify and implement business process improvement for both Certification and Compliance with an eye toward automation where appropriate and redeploying human talent. Current outreach activities are resulting in more new applications for certification (Schedule A Applications), the most complicated type of application to process. Accordingly, the average number of days to process a No-Change Affidavit is trending upwards as staff time is dedicated to the increase in those more complicatated applications. Therefore, FY2019 KPIs will include renewed efforts at decreasing the number of days that all types of certification applications require from submittal to approval; and increasing the number of audits and site visits conducted to ensure compliance on construction projects.

Strategic Outreach: OCC will partner with User Departments and CCH to identify industries with low M/WBE participation and leverage both County and business community resources to encourage M/WBE certification and then connect those businesses with resources for capacity building. KPIs will include number of new M/WBE certifications and number of businesses that participate in events, trainings and mentor/ protégé relationships.

## BUDGET HIGHLIGHTS

- OCC is requesting in its FY2020 budget an overall increase of $\$ 54,522$ or $5.1 \%$ to cover the cost of annual step increases, employee benefits and the Diversity Management System.
- OCC will add one FTE funded by Cook County Health to support CCH compliance and outreach.

## MISSION

To provide an open and transparent procurement process that promotes maximum competition, delivers procurement opportunities to our community, implements efficient procurement practices, and leverages the County's overall resources to achieve best value and quality.

## MANDATES

The Office of the Chief Procurement Officer (OCPO) is governed by the Cook County Procurement Code, codified at Chapter 34, Article IV Sec. 31-121 through 31-311.

The OCPO is designated by law to procure goods, equipment, supplies and services for County Agencies \& Elected Officials.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

Improve Operating Efficiency: The OCPO strives to meet its internal and external customer expectations on the quality and timeliness of procurement activities. In 2018, OCPO completed 292 new contracts, of which $56 \%$ met target cycle time. Through June 2019, with 30\% less staff than last year via vacant positions, the OCPO has completed 127 new contracts and performance measures show an decrease in new contract processing time; decreasing to $50 \%$ of contracts meeting target/goal.

Increase Transparency and Vendor Participation: The OCPO is continuously looking for ways to streamline required document submission from vendors. In FY 2019 OCPO and the County's Bureau of Technology implemented the Economic Disclosure Statement (EDS) online. This allowed vendors to enter/edit/save basic information that will populate into our electronic EDS document. This self-guided online tool will improve the vendor experience and the accuracy of the data received by $0 С \mathrm{CPO}$.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

## Enhance Outreach to Vendors

Bring back the Cook County Vendor Fair and Information Expo as an opportunity for the vendor community to learn about how to do business with the County and County sister agencies including upcoming opportunities in fiscal year 2020. Additionally, continue to increase the number of outreach events the OCPO hosts and participates in throughout the County.

## Improve Communications to Vendors

OCPO plans to enhance its communications to vendors by utilizing social media and computer-based functionality such as web-conferencing and electronic bidding to make our procurement process more accessible and flexible for the vendor community to promote greater competition and transparency. Additionally, improve the content on the OCPO's home page and make it more user-friendly.

## Electronic Bidding

In FY 2020, the OCPO expects to proceed with the launch of the Oracle iSupplier module which will allow vendors to submit bids electronically. This will improve the efficiency of the OCPO's operation and more importantly help vendors save time and money when responding to County solicitations.

## BUDGET HIGHLIGHTS

- OCPO's Personnel Budget accounts for $82 \%$ of the total budget, which includes an overall $2 \%$ increase for negotiated and scheduled salary increases.
- Of the $18 \%$ attributed to non-personnel, $15 \%$ is allocated for licenses and maintenance support for technology systems.

## MISSION

The Bureau of Human Resources (BHR) supports the operation of Cook County government by collaborating with departments to attract, train, motivate and retain well qualified employees. BHR is also responsible for classification, compensation, collective bargaining and labor-management.

## MANDATES

Sections 44-45 of the Cook County Code of Ordinances establish the responsibilities and functions of the Bureau of Human Resources

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

One of BHR's initiatives for 2019 has been to increase awareness of job openings. BHR has increased its presence with the community by attending various job and expungement fairs and hosting TALEO training seminars at various locations within the County. As of the end of Q2, a total of 5,322 applications had been completed for various County positions, which reflects an 11\% increase from Q2 in 2018.

Another BHR initiative was to attract highly qualified job candidates to County jobs. BHR anticipates that its targeted recruiting efforts will increase the pool of qualified candidates applying for County jobs. As of the end of Q 2 , the $\%$ of candidates interviewed scoring 3.0 or more is $67 \%$, which is higher than what it was in Q2 in 2018 (53\%). BHR will continue to strive for its 2019 goal of $73 \%$.

In addition, the BHR initiative to increase the awareness of EAP and EEO related services has been effective. Information regarding these services is provided at New Employee Orientation, which are held bi-weekly. As expected, the percentage of employees utilizing EAP and other services has increased by 10\% in FY2019.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

Continue our efforts to develop the talent pool by attracting more highly qualified candidates. BHR hopes to exceed its projected 2019 target of $70 \%$ and reach a goal of 75\% in FY2020 of interviewed candidates scoring 3.0 or higher on a 5.0 scale.

Ensure alignment with the growing diversity that our County as a whole reflects.

Align job descriptions and salary bands with County compensation policies and department needs.

## MISSION

The Bureau of Technology (BOT) plans, develops and maintains enterprise technology services according to its guiding principles: lifecycle management, cloud-first, shared-first, sustainability, transparency, continuity, Countywide standardization and reuse before buy and buy before build. BOT provides cost-effective and easy-to-use services for residents and County employees.

## MANDATES

Deliver and manage Countywide shared technology resources
Direct Countywide technology policy and the establishment of Countywide technology standards, including guidance under the County's Open Government Ordinance (Ordinance 14-0076)

Review all technology procurements to discourage duplicative spending, encourage efficient returns on investment, and ensure compliance with County technology standards and policies (Ordinance 14-1232)

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

In September 2018 the Board approved an information technology consolidation report and ordinance. The report recommended a phased consolidation of the "Tier 1" IT help desk support function. BOT has consolidated the IT Service Desks of the State's Attorney and Recorder of Deeds The Assessor's Office is scheduled to come on board by the end of the Fiscal Year. FY2019 Goal: Improve performance in customer satisfaction surveys - BOT continues to improve its performance in customer satisfaction surveys conducted after employees use our services, reaching 97\% satisfied or highly satisfied as of May. BOT is using these as key performance indicators to drive our operations. FY2019 Goal: Voice Over Internet Protocol (VOIP) Rollout - The project is 40\% complete as of June. This project will lead to more efficient network maintenance delivery by combining the County's phone service with other data services already on the network. This aligns with the Policy Roadmap Smart Communities objective to better serve residents by investing in and deploying proven technology infrastructure. Moving to VOIP allows BOT to consolidate the County's telephone infrastructure into existing internet infrastructure. This means there is only one network to maintain.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

Business Impact Analysis (BIA) and Disaster Recovery (DR): BOT is in the process of identifying how resilient the County should be in case of disruptions using various impacts to justify planning efforts such as business continuity plan development and disaster recovery implementation for critical IT systems. The BIA project identified the impact to Cook County services if an unforeseen, disruptive event were to occur. As part of this project, BOT reviewed 71 services across 17 agencies and documented the most critical. BOT prioritized what services need to be immediately restored in case of a major disruption and which services have more flexibility. The next step is to develop and implement a business continuity plan for all agencies and continue maintenance of the plan in the long term.

## MISSION

The mission of the Office of the County Auditor (OCA) is to provide independent and objective assurance and consulting services designed to add value and improve County operations while promoting transparency and accountability in government.

## MANDATES

The OCA operates in accordance with the County Ordinance, Chapter 2, Article IV, Division 6, Auditor, Sec. 2-311, which grants the OCA the authority to conduct audits Countywide.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

The OCA's FY2019 strategic initiative was to explore opportunities for additional resources of free CPE that will benefit the staff of the OCA in performing their duties while still meeting the requirements of the IIA and GAGAS standards. During FY2019, the OCA was made aware that a major source of their free CPE from the IIA was no longer being offered beginning in 2019. Due to the unforeseen change, the OCA was not able to meet our targeted goal of $\$ 9.00$ per CPE hour in FY2019. The OCA will continue to explore effective opportunities to offer CPE to our staff with the goal of improving our staff's professional development. The OCA continues to follow-up /review the implementation of our audit recommendations. The OCA remains committed to working with management to assist with the implementation of our recommendations by the targeted date in order to improve their operations in a timely manner.

## OPERATIONAL OPPORTUNITIES:

 2020 INITIATIVES AND GOALS
## Expand Information Technology Audit Coverage

The OCA is working to restructure our staff in FY2020 to expand our Information Technology (IT) Audit Coverage. The OCA plans to add an additional IT Auditor to the staff by creating a new IT Auditor position from a current vacancy in our Field Auditor positions. The goal of the restructure is to expand our Information Technology Audit coverage across the county without requiring additional positions.

## Staff Training

The OCA has requested an increase in their Professional Development budget for FY2020 with the initiative being that we can provide our staff better and more focused training in FY2020. A goal each fiscal year is to utilize free training whenever possible, but for fiscal year FY2020, the OCA will explore the opportunities and costs to provide both in-house training as well as outside training in order to increase the staff's professional development through focused training. Our goal from providing better training is to increase our overall productivity while keeping our training costs at our goal of $\$ 16.59$ per hour.

## BUDGET HIGHLIGHTS

- Creating a new IT auditor position is key to the OCA expanding our IT audit coverage to meet the constantly expanding reliance on information technology in Cook County operations
- The OCA will be relocated to a smaller office suite in 69 W. Washington before the end of FY2019, which will reduce our

## MISSION

The Department of Administrative Hearings was created to provide fair, efficient and impartial hearings of ordinance violations issued by County Departments, Agencies, Boards, Commissions and the Cook County Forest Preserve District.

## MANDATES

§ 2-901: Establishes an office of Cook County Government to be known as Administrative Hearings which shall provide an independent central panel of adjudicators authorized to conduct administrative adjudication proceedings for departments, agencies, boards, and commissions of the county.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

Administrative Hearings continued to expand the services it provides to County Departments as well as the citizens of Cook County. In FY2019, the department increased its partner agencies to 15 . The department began adjudicating erroneous exemption cases for the Cook County Assessor, as well as violations of the County Code written by BNSF and Amtrak Railway Police.

Administrative Hearings continued to demonstrate its ability to handle a large case volume without significantly increasing costs. In the final three months of FY2019, the expectation was to have adjudicated approximately 23,000 Department of Revenue Wheel Tax violations.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

In FY2020, Administrative Hearings will continue to expand the number of agencies it partners with to adjudicate ordinance violations. Our strategic initiative is to extend our administrative adjudication services to local municipalities and law enforcement agencies throughout Cook County to enforce local municipal ordinances and violations of the County Code in an efficient and fair manner.

Administrative Hearings has signed contracts with four additional railroads, Canadian National Railway Police, Union Pacific Railway Police, Indiana Harbor Belt Railway Police, and Norfolk Southern Railway Police to begin adjudicating their citations. With the successful onboarding of Amtrak and BNSF, our department will bring those contracts before the County Board for approval in fourth quarter FY2019 and anticipate adjudicating citations by fourth quarter of FY2020. Like Amtrak and BNSF, these railway police patrol all railroad owned properties, train terminals, parking lots, and rail yards located within Cook County and they will issue local compliance and vehicle compliance violations under the Cook County Code.

## MISSION

The Department of Human Rights and Ethics (DHRE) supports the Cook County Commission on Human Rights and the Cook County Commission on Ethics. It is our goal to provide this support with the highest standards of ethical conduct to achieve mission fulfillment and ordinance compliance.

## MANDATES

DHRE enforces the County's Human Rights Ordinance, Minimum Wage Ordinance, Earned Sick Leave Ordinance, and Living Wage Ordinance through rulemaking, investigations, and adjudications. DHRE conducts training, advisory, and enforcement of the County's Ethics Ordinance and Lobbyist Registration Act.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

In the Department's efforts to raise confidence in County good government and promote the County's Human Rights; DHRE enhanced overall due process by providing reasonable timeframes for Ethic's investigations and investigations to close for Human Rights; 1442 employees trained in Ethics, and 11 Ethic's Advisory Opinions Rendered.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

In FY2020, DHRE will greatly enhance the Department's capacity to address demands bandwidth by filling two existing investigator positions. With the addition of an Outreach/Training Coordinator, DHRE will be able to provide training and create outreach platforms for the department.

## MISSION

Pursue inclusive economic and community growth by supporting residents, growing businesses, attracting investment and nurturing talent.

## MANDATES

The Office of Economic Development (OED) ensures strategic alignment for the Department of Planning and Development, Builidng and Zoning and the Zoning Board of Appeals. The OED drives the County's regional collaboration efforts with a strategic focus on sector-driven and place-based strategies to further racial equity and inclusion and leverage additional public and private resources.

## OPERATIONAL HIGHLIGHTS: <br> 2019 INITIATIVES AND OUTCOMES

Leveraged over \$1,107,000 to support economic and workforce development efforts

The Chicago Regional Growth Corporation (CRGC) has assisted 155 companies ( 94 in Cook County) increase export sales by $\$ 45.7$ million and create 165 jobs since 2015. In 2019, participation by firms in the South Suburbs increased by 75\%.

South Suburban Economic Growth Initiative (SSEGI) provides an opportunity for the County to scale, amplify and leverage regional programs, resources and investments in the South Suburbs. In 2019 SSEGI catalyzed establishment of a new Small Business Development Center to serve the Southland, and targeted infrastructure investments to support business retention and expansion.

Sector Partnerships: The Calumet Manufacturing Industry Sector Partnership continued to grow and Cook and Will Counties launched the Will/Cook Transportation, Distribution and Logistics Partnership to leverage the opportunities and challenges facing this growth sector. This effort represented the launch of the County's second partnership based on the Next Sector Generation Partnership model.

2020 Census - Cook County, in conjunction with the Complete Count Commission issued an RFP to design and implement an aggressive outreach program (utilizing multi-channels of communication, media and technology) to improve the response rate in hard-to-count communities.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

The OED will broaden and deepen its capacity to lead efforts to support industry driven partnerships, advance talent solutions to support key economic sectors and to diversify supply chains for local businesses.lt will continue to support key policy initiatives like the South Suburban Economic Growth Initiative and advisory bodies like the Council of Economic Advisors and the Economic Development Advisory Committee.

Chicago Regional Growth Corporation (CRGC) will continue to drive collaboration among public and private partners to generate inclusive growth and prosperity across Northeastern Illinois and the City of Chicago through its global programs.

South Suburban Economic Growth Initiative plans to create new institutional and financial capacity to collaboratively undertake coordinated, large-scale and long-term economic development. This quarterback institution will facilitate the strategic, large-scale investment that is necessary to propel the Southland forward again. Launch of a Southland Development Authority is anticipated in 2020.

2020 Census - Throughout 2020 Cook County, in conjunction with the Complete Count Commission, the County will champion the importance of full participation in the census throughout Cook County.

The Chicago Metro Metal Consortium (CMMC) will deepen its impact through the Chicago Defense Resiliency Program and the Calumet Manufacturing Industry Sector Partnership.

The Department of Planning and Development(DPD) is committed to cultivating sustainable communities by fostering economic opportunities and business development, expanding the supply of affordable housing, investing in infrastructure improvements and crucial social service programs.

## MANDATES

Three federal regulations govern the entitlement grants that are provided to Cook County via an annual formula from the U.S. Department of Housing and Urban Development (HUD). These grants: HOME, CDBG, and ESG within suburban Cook County. Sec. 74-583 (Ord. No. 08-0-53, 10-1-2008; Ord. No. 09-0-28, 5-5-2009.)

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

The department utilized tax exempt bonds to fund affordable housing and broadened the tools and resources available for real estate development in suburban Cook County by aggressively pursuing new resources individually or with partner organizations.

Federal funds were targeted to catalyze developments in areas where partnership brought the critical mass necessary to fund these necessary projects. Leveraging the County's federal HOME grant with tax exempt bonds and financing provided by other partners in these housing projects has significantly enhanced our funding compared to the prior year. In 2019, the County was able to maximize its investment in new multifamily apartment buildings developed by not-for-profit organizations yielding a lower cost per unit of housing, even though the number of total units was smaller than in prior years, when the County funded a number of units with both HOME and the CDBG-Disaster Recovery grant programs.

In addition, the department worked collaboratively across the County on the preparation of the County's Assessment of Fair Housing Plan, a federally mandated fair housing plan to limit barriers to affordable housing and encourage the development of more affordable housing units (projected \# of residents impacted: 1,250,000). By July 2019, the department was able to invest in projects supporting 342 new units of housing and assist 30 businesses by processing tax incentives.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

The department's proposed budget for FY 2020 reflects its expanded and diversified role for promotion of economic development in Cook County. By redeploying existing staff resources and leveraging additional grant and foundation support, the department will continue work on economic development initiatives supported by the areas of funding we receive from HUD and are able to leverage with a growing list of economic development partners across regional public, private and not-for-profit sectors.

The Department of Planning \& Development's targets for job creation are based on two distinct program areas: property tax incentives processed and construction projects (both housing and infrastructure) supported with investment of HOME and CDBG grant dollars. Targets may be adjusted as both activities are contingent on the activities and awards of agencies outside of DPD (i.e., the County Assessor's office and the U.S. Department of Housing and Urban Development) and by estimates of construction values that private companies report that will occur resulting on their adjustments to property tax expenses.

## MISSION

The Building and Zoning Department promotes the health, safety and welfare of Cook County residents by performing responsible and timely inspections of buildings and properties and enforcing all applicable building codes and zoning ordinances.

## MANDATES

With the exception of single-family residences, the Department must inspect annually, semi-annually or otherwise such buildings, structures, equipment, sites and uses for which a certificate of compliance (occupancy) or business license has been issued including all multiple dwellings of four or more units.
(Cook County Code Appendix A, Article 13.2.1).

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

Building and Zoning has continued to improve its current processes and procedures. The department continued to work closely with the Bureau of Technology (BOT) to enhance its web-based permitting and inspection system that was launched at the end of FY2016. The equipment and hardware necessary to support the system has continued to be explored and installed as necessary.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

The Department will continue to improve current processes and procedures by working closely with Bureau of Technology (BOT) to enhance its web-based permitting and inspection system. In FY 2020 the Department will continue working with the associated building trades to implement and expand their building code regulations to address and promote green technology and to provide current and consistent guidelines that best serve the County's constituents. Lastly, the Department will implement the rental license initiative to further promote the wellbeing of its constituents.

## MISSION

The mission of the Zoning Board of Appeals (ZBA) is to serve the public and assist the County Board in promoting proper development of land in conformance with the Cook County Zoning Ordinance and Comprehensive Land Use Plan.

## MANDATES

The Zoning Board of Appeals (the Board) is mandated with hearing and deciding upon zoning appeals applications pursuant to 13.3.2 of the Cook County Zoning Ordinance.

The Zoning Board of Appeals (the department) is mandated with the maintenance of zoning records and forwarding findings of facts and recommendations to the Board of Commissioners pursuant to 13.3.6 of the Cook County Zoning Ordinance.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

In FY2019, the ZBA provided exemplary service to zoning appeals applicants of unincorporated Cook County by conducting its public hearings in a fair, transparent, and equitable manner. All participants of the hearing process continued to give it high satisfactory ratings.

ZBA has sent out approximately 500 public notices to residents of Cook County through July 23, 2019, and processed and conducted hearings for 43 applications

In FY2019 the number of applications had increased slightly from last year, and new submissions had been holding steady.

The ZBA in collaboration with Building and Zoning completed a Zoning Ordinance Text Amendment (Text Amendment) in 2018. One of the results of the Text Amendment was it streamlined the appeals process for applicants seeking a Variance. The number of days for completing the process decreased on average by $40 \%$ or 33 days.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

In FY2020, the ZBA will continue providing exemplary service by conducting its public hearings in a fair, transparent, and equitable manner.

Provide notices in a timely manner, that are consistent with the requirements of the Zoning Ordinance, in addition to decreasing the process cost of sending Public notices.

Continue to improve the appeals process by collaborating with Building and Zoning. Which includes streamlining the appeals process by improving application and notification process (applications, website, and enhance templates).

## MISSION

The Cook County Land Bank Authority (CCLBA) will acquire, hold, and transfer interest in real property throughout Cook County to promote redevelopment and reuse of vacant, abandoned, foreclosed, or tax delinquent properties.

## MANDATES

CCLBA was established in 2013 by Cook County, Illinois - Code of Ordinances, Part II Land Development Ordinances, Chapter 103, Land Bank Authority, Sections 103-1 through 103-71 to use available resources to facilitate the return of vacant, abandoned and tax-delinquent properties to productive use thereby combating community deterioration, creating economic growth, and stabilizing the housing and job market.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

FY2019 projected goals for the CCLBA include acquiring 500 properties, selling 200 properties, rehabilitating 200 homes, demolishing 30 homes, and creating $\$ 20,000,000$ in community wealth. $80 \%$ of the homes sold by CCLBA have been rehabilitated and sold to a homeowner. This results in stabilized neighborhoods, family stability, stronger tax base, and wealth creation.

CCLBA furthered its commitment to homeownership by continuing its Homebuyer Direct Program. The focus of this program lies in reaching out to prospective homeowners who may be interested in directly purchasing, rehabbing, and ultimately living in the home of their dreams. This allows interested buyers the opportunity to buy a fixer-upper at below market prices and build equity while customizing it to their tastes. More properties will be added to inventory as they become available.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

## Properties Acquired

CCLBA has set a goal to acquire 700 properties based on location and community impact.

## Average Closing Time Per Acquisition

CCLBA has set a goal to close each acquisition transaction within 45 days of executing the sales contract.

## Community Wealth (Cumulative Percentage of Annual Goal)

CCLBA has set a goal to achieve $100 \%$ of its community wealth goal ( $\$ 30,000,000$ ). CCLBA anticipates selling 400 properties to homeowners, community developers, non-profit organizations and community development corporations. Their collective redevelopment should create $\$ 30,000,000$ in community wealth.

## Percentage of Properties Sold for Homeownership

CCLBA has set a goal to sell $80 \%$ of its homes for homeownership. CCLBA will continue to offer the Homebuyer Direct Program, working with homebuyers, real estate professionals, and lenders to match properties needing rehab with homebuyers.

## MISSION

The Bureau of Asset Management serves as a good steward of County assets and optimizes the asset life cycle through Real Estate, Capital Planning, Facilities Management, and Financial Control. The Bureau strives to build equitable and sustainable communities for all residents.

## MANDATES

(Sec. 2-361) Real Estate: Recommendations for Sale, Purchase or Lease. (55 ILCS 5/3-14003 \& 5/3-14004) Creation of a department of construction, maintenance and operations.(55 ILCS 5/2-5009) Supervise the care and custody of all county property.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

## Criminal Justice Initiatives

Completed Phase I of a Court Utilization Study which focused on the criminal court system. Concluded a two year collaborative planning process with public safety stakeholders to develop the Department of Corrections (DOC) Campus Master Plan to evaluate the costs and needs for our pretrial detention facilities and to identify the optimal future direction.

## New CCH Ambulatory Clinics

In partnership with Cook County Health (CCH), the Bureau of Asset Management (BAM) has identified sites for multiple new clinics, including the site for the Hanson Park Clinic, which broke ground in July 2019. BAM has negotiated real estate, and has moved forward with construction and tenant improvements to increase residents' access to healthcare in their communities.

## Workplace Strategy and Design

BAM created new Workplace Strategy and Design Guidelines, which provide a framework to renovate space that enhances employee experience, increases access to public-facing services, lowers operating costs, reduces energy and water usage, and increases accessibility for the disabled. Completion of the States Attorney's offices on the 27th floor of the Daley Center facilitates vacating two floors at the Dunne Building, allowing for restacking and future leasing opportunities.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

## Cook County Health - Provident Hospital Campus

Working with Cook County Health to modernize Provident Hospital Campus to extend its legacy as the nation's first African American Hospital, while offering a comprehensive portfolio of services to advance health equity within Chicago's Southside, which has been historically underserved.

## Strategic Planning and Redevelopment of Oak Forest Campus

Performing a redevelopment plan and feasibility analysis for the County's Oak Forest Campus sets out a strategy to preserve flexibility for future County uses and needs; explores potential opportunities for development to enhance the campus; contributes to the revitalization of the South Suburban community; and potentially provides the County with additional sources of revenue.

## Criminal Justice Initiatives

Conduct Phase II of Court Utilization Study of the civil court system. Begin implementation of DOC Master Plan, starting with engagement of a Managing Architect Team. The DOC Master Plan objectively demonstrates that replacement, over time, will save County taxpayers, facilitate re-integration into communities, and reduce energy and water usage.

## MISSION

Maintain and operate Cook County facilities in a cost-effective manner for both the general public and various Cook County Departments in order to provide a safe, reliable and clean environment, conducive and supportive to carrying out the business and services of the County.

## MANDATES

( 55 ILCS 5/2-5009) Any county executive elected under this Division shall: (j) supervise the care and custody of all county property including institutions and agencies.
(55 ILCS 5/3-14003) Department of construction, maintenance and operation.

## OPERATIONAL HIGHLIGHTS: <br> 2019 INITIATIVES AND OUTCOMES

## Building Awareness and Safety Training Course

Help ensure awareness, safety, and security for tenants and the public operating within County properties by rolling out a Building Awareness and Safety Training online course. The objective was to relay the roles and responsibilities during an evacuation plan in the event of an emergency.

## Work Order Handheld Rollout

Deployment of 300 handheld devices for Department of Facilities Management (DFM) staff to remotely assign, retrieve, and close work orders. The devices improve the delivery of services with real-time reporting in the Facilities Asset Management System (FAMIS), reducing the turnaround time for work order completion from 7 days to 2 days.

## Energy Efficiency

In collaboration with the Green Buildings Program, DFM participated in the Demand Response process with ComEd, reducing energy usage during peak demand times. Expected revenue for FY19 is $\$ 312,000$, which exceeds revenue received in previous years by approximately $\$ 188,000$.

## OPERATIONAL OPPORTUNITIES:

 2020 INITIATIVES AND GOALS
## Countywide Camera and Recording Equipment

Maintain 3,000 cameras at the Juvenile Temporary Detention Center (JTDC) and the Department of Corrections (DOC) that are coming out of warranty. DFM will need to have a new maintenance contract in place to ensure ongoing safety and security monitoring provided by these devices.

Interactive Directory Touchscreen
Install interactive touchscreen technology with the ability to post County announcements, Board meetings, way finding, and potential revenue generating commercial/non-profit/public advertisements in County Buildings. These screens will increase the public's access to important information when visiting County facilities.

## Tenant Satisfaction Survey

DFM is working to increase the particicpation on the Tenant Satisfaction Survey. DFM is planning to utilize feedback collected by the survey to improve delivery of services to tenants. DFM will also conduct quarterly building safety meetings in conjunction with other stakeholders at County facilities.

## BUDGET HIGHLIGHTS

- Continued use of in-house labor to perform capital and infrastructure projects valued at one-million dollars.
- Increase training for in-house trades for skills related to energy conservation projects, therefore budget is increasing by $\$ 7,200$.

## ELECTION FUND

## MISSION

To administer transparent, impartial, accurate and accessible elections; to manage voter registrations; to safeguard the right to vote; and to inform voters of balloting options including Early Voting, Vote By Mail and Election Day Voting.

## MANDATES

Administer all elections in the City of Chicago in keeping with the Illinois Election Code, federal statutes and case law. Responsible for: registration records and voter history; candidate objection hearings; printing ballots and programming voting systems; preparing and transporting all election supplies; securing polling places; training and assigning poll workers; and, tabulating and reporting results.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

In 2019, the Board:

* Conducted the Municipal Election and Run-Off Elections with turnout rates that matched or surpassed those in other major or mid-sized cities.
* Continued to experience growth in the use of Vote By Mail.
* Will hear candidate objections for the 2020 Primary Election.
* Moved to replace the 15 -year-old balloting system to provide voters with a new and simpler system for the March 2020 Primary and November 2020 Presidential Elections.
* Incorporated the full implementation of Automatic Voter Registration. This state program greatly simplifies and streamlines the process of voters registering or updating their records while obtaining a driver's license or state ID. This program is the result of a law that the Election Board supported and which enjoyed unanimous support in the General Assembly.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

## In 2020, the Board plans to:

*Introduce new voting equipment with the goal of simplifying the work for poll workers and simplifying the experience of voters. The latest generation of voting equipment offers more security and the ability to capture scanned images of ballots to allow for more comprehensive audits.

* Work to expand the voter email lists for use in alerting voters to options like Vote By Mail and Early Voting, as well as gain more ways to reach voters to alert them to any special or emergency conditions.
* Further automate the process of updating registrations through online registration and automatic voter registration. These newere programs provide election authorities with more efficient and comprehensive ways to expand and update the voter rolls and reduce the number of outdated or duplicate records.
* Continue to grow use of Vote By Mail and Early Voting so that voters have the option to cast ballots when and where it is most convenient for them.
* Grow the programs and partnerships designed to ensure 100\% accessibility at all polling places.

## BOARD OF COMMISSIONERS

## MISSION

The Secretary to the Board of Commissioners has two primary missions:
We provide legislative support and information for the Cook County Board of Commissioners, President, elected officials, agencies, departments and members of the public so items can be presented for consideration. The Secretary to the Board also provides information regarding the proceedings and policies of the Board so the legislative process will be efficient, effective, open and transparent.

We also maintain the County Historic Records Office, the agency primarily responsible for the preservation, promotion and publication of the history of Cook County-our government, communities and people.

## MANDATES

Assists the Office of the President in preparation and presentation of County Board and Forest Preserve Board agenda
Staffs meetings of the County Board and the Forest Preserve District of Cook County
Oversees Board's administrative budget and assists commissioners in administration of their office budgets
Prepares all materials for County Board and Forest Preserve Board meetings
Maintains official records for County Board and Forest Preserve Board proceedings
Maintains live stream and audio and video archive of County Board and Forest Preserve Board meetings
Staff the archives Advisory Committee, the in-house historical archive for Cook County
Preserve, promote and publish the history of Cook County

## MISSION

The Oll| was formed to detect and deter corruption, fraud, waste, mismanagement, unlawful political discrimination and misconduct in the operation of Cook County Government. This mission now extends to the Metropolitan Water Reclamation District of Greater Chicago (MWRD).

## MANDATES

Continues to meet the goals set forth in the OIIG Enabling Ordinance and the Supplemental Relief Orders entered in the matter of Shakman v. Cook County (N.D. III.). Considers approximately 550 complaints annually for possible investigative action.

Provides training to Cook County employees on the functions and mission of the OIIG, as well as unlawful political discrimination and other forms of unlawful practices.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

In 2018, the OIIG received a total of 551 complaints. From this total, 57 summary investigative reports were issued. In 2019, as of July 15, 2019, the OIIG has received 335 complaints and issued 18 summary reports. The numbers of complaints and case openings in FY2019 has trended upward and it is anticipated that these numbers will continue at the same rate or higher in FY2020. In May 2019, Cook County and the MWRD finalized an Intergovernmental Agreement extending the jurisdiction of the OIIG to include the MWRD in the same manner as exists for Cook County Government. The MWRD will be responsible for the costs associated with the services provided by the OIIG. The OIIG continued its efforts to identify contract improprieties in Cook County Government with the goal of detecting such improprieties and by doing so deterring future attempts of this type of misconduct. The OIIG has continued to monitor Cook County Health (CCH) to ensure monies owed CCH are successfully processed and collected. Additionally, the OIIG has conducted other reviews at CCH with an effort toward maintaining fiscal integrity. The 0llG continues to focus its efforts on increasing the percentage of recommendations accepted and increasing the number of new complaints per investigator.

## OPERATIONAL OPPORTUNITIES: <br> 2020 INITIATIVES AND GOALS

In 2020, the OIIG will initiate program reviews in areas of county government identified as having potential inefficiencies. These areas will be identified systematically by numbers of complaints received, requests from managers and potential for fiscal loss. The OIIG will continue its efforts to monitor Cook County Government's fiscal and contractual processes to prevent any negative impact on the financial position of Cook County. The OIIG will continue to investigate MWRD complaints and attempt to identify areas of potential misconduct or waste by initiating program reviews. The 0IIG, with a full staffing level in 2020, anticipates receiving and processing more complaints and consequently making a greater impact on the operational efficiency of Cook County Government. This increased productivity will impact the number of new complaints worked by each OIIG investigator as well as the number of recommendations adopted. In 2020, the OIIG will continue its statutory responsibilities to diligently pursue unlawful political discrimination complaints as well as addressing sexual harassment and employment discrimination matters.

## BUDGET HIGHLIGHTS

- $01 \mid \mathrm{G}$ FY2020 budget request of $\$ 1,848,233$ is significantly lower than the 0llG's targeted amount due to the chargebacks from the MWRD and the Forest Preserve District.
- The OIIG anticipates a high volume of MWRD complaints during its first full year of jurisdictional oversight. In anticipation, the

## MISSION

To deliver integrated health services with dignity and respect regardless of a patient's ability to pay; foster partnerships with other health providers and communities to enhance the health of the public; and advocate for policies that promote the physical, mental and social well-being of the people of Cook County.

## MANDATES

Mandated as part of the Cook County Health and Hospitals System in Cook County Code of Ordinances Chapter 38, Article V.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

Health System Administration (HSA) continued to achieve progress towards CCH's transformation by executing on the Impact 2023 Strategic plan, approved by the CCH Board and Cook County Board of Commissioners, to guide CCH's strategy of providing high quality healthcare, growing to serve and compete, fostering fiscal stewardship, investing in resources, impacting Social Determinants of Health, and advocating for patients.

Surgeons at CCH provide high quality, safe, and reliable surgical care to meet the needs of Cook County residents. In FY2019, HSA projects 13,655 surgical cases performed system-wide, and looks to grow cases by 9\% in FY2020.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

## Central Campus Health Center

In FY2020, HSA will continue to support the growth of the Central Campus Health Center, which allows CCH to improve and expand outpatient services, improve patients' experience, and increase clinical and administrative efficiencies. In FY2020, HSA will oversee its goal to increase the number of surgical volumes by $9 \%$.

## Grant Funding

To support CCH behavioral health priorities, the Assisted Outpatient Treatment (AOT) grant program continues to provide $\$ 4$ million in grant support to assist individuals with mental illness. In addition, HSA continues to secure funding for housing, justice involved, workforce development, food access, and breast cancer prevention and treatment.

## Strengthen Business Functions

CCH looks to strengthen critical business functions such as billing, coding, and denials management to ensure success in reimbursements while reducing denials of payment. Increasing contracts with other managed care health plans and commercial insurers will further drive new reimbursement to the system for CCH .

## MISSION

The mission of Cermak Health Services is to provide high quality, timely, and cost-efficient healthcare services in a correctional setting in accordance with acceptable community standards, accreditation, and regulatory requirements as a continuum of care within Cook County Health (CCH) and the community.

## MANDATES

Mandated as part of the Cook County Health and Hospitals System in Cook County Code of Ordinance Chapter 38, Article V.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

Cermak Health Services (CHS) continues to expand its data driven quality improvement and safety program to improve outcomes, improve efficiencies, reduce redundancies, and address the healthcare needs of patients. All staff were trained in high reliability safety model to promote a safety culture. CHS works closely with Cook County Department of Corrections (CCDOC) partners to monitor patient access to care and review safety incidents campus-wide, in order to reinforce a culture of quality and safety across all areas of CHS services.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

## Narcan at Discharge Program

Provides education to patients at risk for opioid overdose in the community. Patients who successfully complete the program are provided Narcan upon discharge for use in a life-threatening emergency, and additional Narcan is provided as determined by clinicians at CCH facilities. The program's success is measured by the number of CCDOC patients trained and the result of saved lives in the community. In FY2019, CHS established a target of 3,534 individuals trained in the Narcan Discharge Program, as compared to its target of 2,022 in FY2018. Thus far greater than 4,500 naloxone kits have been provided at discharge with 6,000 patients educated on naloxone administration.

## Substance Use Disorders (SUD)

Provides patients with SUD's access to Mediation Assisted Treatment (MAT) and Assisted Outpatient Treatment (AOT) programs at Cermak and in the community. Approximately 30 persons with a SUD are admitted to Cermak daily, of which about 20 are opioid related. The program is expanded to induce new patients with buprenorphine/naloxone and vivitrol, if interested and medically qualified.

Care Management
Provides connection of patients to community services.

## MISSION

To deliver integrated health services with dignity and respect to the residents at the Cook County Juvenile Temporary Detention Center; establish community linkages for soon-to-be-released residents; and promote health education for self-care in accordance with acceptable community standards of care, accreditation, and regulatory requirements.

## MANDATES

Mandated as part of the Cook County Health and Hospitals System in Cook County Code of Ordinance Chapter 38, Article V.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

In FY19, Cermak at JTDC successfully completed the inspections conducted by the Illinois Department of Juvenile Justice (IDJJ) and the 3 -year re-accreditation survey by the National Commission on Correctional Health Care (NCCHC). The JTDC "Ambassador Program" was presented with the NCCHC 2018 Program of the Year. This prestigious award is presented each year to only one facility's program, selected from among the 500 jails, prisons, and juvenile confinement facilities that participate in NCCHC's nationwide accreditation program. Cermak continued the Healthy JTDC Program which includes parenting education, 3K Chicago Run program, and Health Awareness school assemblies. Cermak continues to connect youth with identified medical, dental, or mental health needs to a medical home or a primary care provider (PCP) for continuity of care post-discharge. Behavioral health on-boarded new staff to fulfill its expanded role in the court services, probation, and the community by hiring care coordinators.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

## Healthy JTDC Program

Health Ambassador Program - Partner with CCH Department of Public Health to provide STI curriculum for residents participating in the Health Ambassador Program. Selected "Health Ambassadors" will promote STI awareness and educate peers in a school assembly forum.

## Education and Training

JTDC continuously promotes educational activities to enhance PA-Cs clinical skills such as protected time for attendance at educational conferences, identification of didactic opportunities for PA-Cs, and maintenance of life cardiac resuscitation certificates (ACLS PALS). PA-Cs to actively work with nursing leadership to identify areas of educational needs for nursing staff. Provide JumpSTART and START training to increase medical staff's Mass Casualty Incident Triage skills

## Maintain NCCHC Accreditation

JTDC will maintain accreditation with NCCHC, and pass the annual inspection by the Illinois Department of Juvenile Justice. JTDC will continue to provide quality care for its residents, and has set a goal of $95 \%$ of residents satisfied with their medical services in FY2020.

## MISSION

The Mission of Provident Hospital is to deliver integrated health services with dignity and respect regardless of patient's ability to pay; foster partnerships with other health providers and communities to enhance the health of the public; and advocate for policies which promote and protect the physical, mental and social well-being of the people of Cook County.

## MANDATES

Mandated as part of the Cook County Health and Hospitals System in Cook County Code of Ordinances Chapter 38, Article V.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

The Provident Hospital continued to operate as a patient-centered, reliable healthcare services by improving the quality and access to services for patients and families.

Surgeons at Provident Hospital provide quality surgical care to meet the needs of Cook County residents.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

Increased Utilization of Operating Rooms
In FY2020, Provident Hospital will focus on increasing the number of surgical cases by $9 \%$ and emergency visits by $6 \%$ from our current volumes.

## Expand Patient Access and Add New Services

Provident Hospital will improve patient access by expanding evening and weekend hours at Sengstacke Ambulatory primary and specialty care sites to reduce costly emergency room visits. Provident Hospital will increase clinical care services, re-establish ambulance services, establish growth of the outpatient dialysis center, establish a prolonged mechanical ventilation unit, and reinstate nuclear medicine services.

## MISSION

To deliver quality health services with dignity and respect regardless of a patient's ability to pay, partner with communities and providers to enhance the health of the public, and advocate for policies that promote the physical, mental and social well-being of Cook County's citizens.

## MANDATES

Mandated as part of the Cook County Health and Hospitals System in Cook County Code of Ordinances Chapter 38, Article V.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

ACHN increased primary care (preventive and chronic disease management) services to the community across its 16 health centers. Primary care visits were up 9\% versus FY18, and up 4\% versus the FY19 target. In FY2019, ACHN also opened a new location at Arlington Heights Health Center, providing medical, dental, behavioral health, and Women, Infants and Children (WIC) services to the Cook County greater northwest suburban region. ACHN also expanded maternal child health services by integrating WIC into seven of its health centers; launching an Ambassador program to ensure prenatal patients remain enrolled in prenatal care and to support a healthy delivery at Stroger Hospital. Additionally, ACHN received two new grant awards Healthy Start and Healthy Families, aimed at improving pregnancy outcomes, reducing infant mortality and preventing child abuse/neglect. ACHN also focused on improving registration data integrity to improve billing and reimbursement, resulting in a $3 \%$ reduction in registration errors since launching the initiative two months ago. In FY2019, ACHN was recertified as a Patient Center Medical Home with Joint Commission accreditation as part of Stroger Hospital.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

## Caring for more patients

Continue process improvement initiatives to improve patient experience and patient safety by Management Empowerment, and Staffing Skill \& Competency Training.

## Opening New Sites

To grow outpatient services by maximizing health center access CCH is relocating into new centers Blue Island Health Center is replacing Oak Forest Health Center, North Riverside Health Center, replacing Cicero Health Center and Hanson Park Health Center, replacing Logan Square Health Center.

## Managed Care

To maximize patient enrollment in benefits and renewal of benefits ACHN is building managed care competency and infrastructure.

## Maternal Child Health

To increase Stroger Hospital deliveries ACHN has launched prenatal care services in the health centers.

Quality
Improving childhood immunizations and diabetes control quality measures.

## MISSION

To provide the highest quality care for persons affected by infectious diseases with respect, dignity and compassion without regard to their ability to pay; to ensure a patient-centered and consumer-guided environment; and to seek to better understand and to prevent these diseases through education and research.

## MANDATES

Mandated as part of the Cook County Health and Hospitals System in Cook County Code of Ordinances Chapter 38, Article V.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

In FY2019, CORE expanded hours for the CORE Center Access Line to ensure reliable responses to calls, verify insurance, and educate patients regarding eligible benefits. CORE cooperated and collaborated with care providers in related clinical domains at each CCH care sites, including screening and testing for HIV, recruiting eligible patients into HIV preexposure prophylaxis (PrEP)and managing other sexually transmitted diseases. In FY2019, CORE continues to meet its goal of providing the highest quality care for those living with HIV by providing highly active antiretroviral therapy (HAART) for $95 \%$ of patients, as per our targeted goal.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

## Increased Patient Volume

CORE will work with CCH's Communications team to create marketing and messaging strategies to better inform targeted audiences, and the general public, about the wide range and high quality of HIV/HCV and related services available at CORE and other CCH facilities.

## Enhanced patient experience

CORE will continue to implement and execute an effective patient flow redesign system for its registration and primary care centers, to reduce the wait times for diagnostic and Evaluation and Management (E\&M) visits in FY2020. CORE anticipates to increase the number of specialty care visits for patients in FY2020, increasing its target by 395 visits.

## Continuity of care and meet patient needs

In FY2020, CORE will continue to expand the availability of outpatient parenteral antibiotic therapy (OPAT) infusion services at the CORE for all eligible post-hospital patients in need of long term antibiotic therapy.

## MISSION

The Cook County Department of Public Health (CCDPH) works to achieve health equity for all suburban Cook County residents through its leadership and partnerships promoting healthy lifestyles, while advocating for the environmental and social conditions necessary for physical, mental, and social well-being of Cook County's citizens.

## MANDATES

Certified Local Health Department Code (77 III. Adm. Code 600.100 et seq.); Local Health Protection Grant Rules (77 III. Adm. Code 615.100 et seq.); Ordinance Establishing the Cook County Department of Public Health (December 10, 1945).

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

The Prevention Services Unit continued to advance improvements that promoted healthy living and health equity, including support for the Cook County paid sick leave and minimum wage ordinances. The Communicable Disease Unit focused on its Infection Prevention Program by promoting an extremely drug resistant organism registry. The Environmental Health Services Unit continued its work conducting inspections and responding to issues mandated under the County's Nuisance Ordinance. CCDPH developed a plan to address STI epidemic throughout the County. IHSS APORS High Risk Prog received 2,169 new referrals. IHSS looked into food insecurities with the APORS family served. Data collected was shared to stakeholders and determined to link with existing CCDPH initiatives.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

CCDPH will convene a Food Summit to bring together food system stakeholders. CCDPH will also continue to support the Good Food Purchasing Program and encourage local governments to make good food sustainable and affordable. (same as last year). Environment Health Unit will make all inspection done and submitted electronically. CCDPH will continue its STI Prevention Program through its Emergency Response Coordination and will work with key CCDPH leadership to establish follow-up for positive tested patients. IHSS Goals: APORS Program - increase number of receiving immunization by $80 \%$, BCCP Prog - Increase number of clients from 70\% to 80\%. Hep B Prog - increase number of infants completing HepB vaccination by 70\%.

## MISSION

The mission of Managed Care is to manage comprehensive Medicaid benefits for Cook County residents enrolled in CountyCare. In addition, the department aims to efficiently administer the infrastructure to implement all aspects of the Health Plan as required by federal and state authorities.

## MANDATES

Mandated to implement all Medicaid health plan requirements as defined by the County Managed Care Community Network (County MCCN) agreement with the Illinois Department of Healthcare and Family Services (HFS).

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

CountyCare is a Medicaid health plan providing benefits to enrolled members. Membership initiatives have aimed to retain and increase CountyCare membership, including assisting members with the re-determination process to maintain Medicaid eligibility. This initiative has helped grow CountyCare to be the largest Medicaid managed care plan in the county, with over 318,000 members enrolled.

CountyCare has maintained and enhanced its community-based provider network, which includes expanding CCH referrals. Cook County Health remains the largest provider of care in the CountyCare network.

In FY2019, CountyCare rolled out medical cost action plans to deliver on savings opportunities and cost strategies across all departments in CountyCare and better position the plan for future success. Initiatives have resulted in an increase in domestic spend, pharmacy cost savings, increase in efficiencies within administration and a high performing CountyCare network.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

## Membership

CountyCare membership is a major cost driver for medical claims and administrative expenses. CountyCare strives to continue to grow membership while monitoring cost to achieve per member per month (PMPM) revenue and expense targets. In FY2020, the average memberships per month are estimated to increase to 326,000 , from current memberships of 318,000 in FY2019.

Quality
CountyCare looks to maintain its NCQA Accreditation in 2020 and continue to deliver high quality care to all of its members.

## Cost Savings Strategies

CountyCare will further implement cost savings and cost-control strategies measures aimed at member costs as well as increasing medical and pharmacy utilization at CCH. CountyCare will also develop a high utilization reduction plan and continue to increase domestic spend through targeted initiatives, as well as expand to new lines of business to serve members as they age out of Medicaid.

## MISSION

The Mission of Provident Hospital is to deliver integrated health services with dignity and respect regardless of patient's ability to pay; foster partnerships with other health providers and communities to enhance the health of the public; and advocate for policies which promote and protect the physical, mental and social well-being of the people of Cook County.

## MANDATES

Mandated as part of the Cook County Health in Cook County Code of Ordinances Chapter 38, Article V.

## OPERATIONAL HIGHLIGHTS: <br> 2019 INITIATIVES AND OUTCOMES

In FY2019, Stroger's critical role as the hub of Cook County Health (CCH) demands the integration of high quality, safe and reliable healthcare with continuous process improvement to increase patient satisfaction and experience. In FY2019, Stroger Hospital continues to emphasize high quality care, continuing in its successful recertification as a Level 1 Trauma Center and also holds certifications in stroke, burn, perinatal and oncology care. US News \& World Report recognize Stroger as a high performing hospital for heart failure, gastroenterology and GI surgery and neurology and neuro surgery.

Surgeons at Stroger Hospital provide high quality, safe, and reliable surgical care to meet the needs of Cook County residents. Stroger Hospital continues to increase the number of surgical cases and improve services, and is trending just below its FY2019 target of 13,189 surgical cases. Additionally, Stroger Hospital worked on implementing a strategy to improve the patient visit cycle for surgery (scheduling, intake, patient follow up, etc.) to improve the patient experience and achieve operational efficiencies.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

## Improve Central Campus Surgical Specialty Clinic Volume by 4\%

Includes the County Care Domestic Spend Growth and Develop specific service lines for enhancement of patient care service delivery. Grow service lines that are needed by the communities. Stroger Campus to provide minimum 4 days/week evening and Saturdays hours.

## Surgical case volume by 9\%

Stroger Hospital will continue to focus on growing its surgical volume in fiscal year 2020 and aims to achieve a target of $9 \%$ higher than projected in FY2019. Initiatives include: pre-surgical process improvement and patient experience process improvement; develop service lines (Orthopedics, Women's Health, General Surgery, Urology, Vascular); and develop efficient and effective staffing models to accommodate growth.

Enhance clinical programming through appropriate facility planning
In FY2020, Stroger Hospital will continue to improve campus throughput metrics as referenced by the Patient Throughput clinical dashboard. Also improve Hospital Consumer Assessment of Healthcare Providers and System (HCAHPS) to overall rank in the 25th percentile. Improve determined quality metrics for each clinical domain as evidenced by the organizational High Reliability goals and objectives.

## MISSION

The CCAO strives to deliver accurate and uniform assessments in compliance with industry standards, build transparency into every part of the office, and create an office culture of professionalism, inclusion, and public accountability.

## MANDATES

Value 1.8 million parcels in Cook County and administer the Appeals and Certificate of Error Process in accordance with the Illinois Constitution of 1970, the Illinois Property Tax Code and the Cook County Code of Ordinances. Provide taxpayer assistance via administration of exemptions. Enforce Erroneous Exemption legislation.

## OPERATIONAL HIGHLIGHTS: <br> 2019 INITIATIVES AND OUTCOMES

## Initiatives:

- Invest in and utilize technology to move beyond time-intensive, paper-driven processes.
- Reduce the in-person hours, mailings and calls needed to process exemptions each year.
- Provide more transparency to the public on how to engage with our office.
- Increase training and professional standards across the entire office.
- Ensure implementation of the new Integrated Property Tax System, Tyler's iasWorld.

## Outcomes:

- The CCAO continues to work closely with the Bureau of Technology to integrate existing County resources like ArcGIS and Pictometry/ Eagleview into our valuations workflow. Leveraging this GIS technology will improve the efficiency and accountability of our office.
- The CCAO continues to work with BOT to improve our website and build new call center technology.
- New social media channels, more website content and several new outreach initiatives give taxpayers more transparency and access to our office.
- The CCAO has worked with the International Association of Assessing Officers to complete an audit of the office's processes and procedures, identify operational strengths and weaknesses, and implement the IAAO's recommendations.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

In their final report, the International Association of Assessing Officers laid out their critical areas of improvement and recommendations. The CCAO has used these recommendations to prioritize our initiatives for 2020 and beyond, recognizing that fully implementing these initiatives is a multi-year, iterative effort.

## In 2020, the CCAO will be focused on:

- Implementing a strategic hiring plan across the office and increasing training and skill development.
- Leveraging GIS technology and implementing Tyler's iasWorld.
- Improving data quality, for both residential and commercial/industrial properties.
- Developing professionalized valuation methods and processes.
- Continuing to educate the public about the work of our office through outreach, communications, and transparency initiatives.

The CCAO remains committed to publicly releasing our residential models and measuring our work against the industry standards of uniformity, set by The International Association of Assessing Officers.

## MISSION

The Board of Review is charged by the State of Illinois to review assessment appeals \& make corrections as it deems equitable. Our goals are to provide accurate \& fair analysis \& to complete our work in a timely manner so tax distribution for essential services are not interrupted.

## MANDATES

The Cook County Board of Review is Mandated by Illinois Statutes 35 ILCS 200/9-5, 116-110 and 16-125.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

In the 2018 tax year Appeal Session, the Board of Review (BOR) received 540,000 PINs/245,000 dockets. This represented a $50 \%$ increase from last session (PINs) and a $33 \%$ increase over the last city reassessment (dockets). Even with the addition of 11 new FTEs in FY19, the BOR ended its session May 10, 2019 (April 15 is a target closing date) and used more staff overtime than any session before. The BOR staff accrued over 27,000 hours of overtime from January 2019 to April 2019. Each analyst averaged 305 hours of overtime in the session. The coming Assessment Appeal Sessions in FY20, FY21 and FY22 could see year over year 30\% increases in filing volume.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

## Digital Appeals Processing System (DAPS) Enhancements

Since its inception, DAPS has created a more efficient workflow. BOR is constantly innovating and analyzing ways DAPS can be more efficient. For example, condominium analysis workflow is being redesigned to increase analysis review speed of large multi-PIN condo buildings, which, because of the size of the individual files, slows the system for the entire Board. In the past three years, BOR has improved appeal processing, maintenance, and data transfer saving weeks from the tax bill cycle.

## High Volume Subscription Service

The BOR is focused on providing every property owner the opportunity to be heard and have access to DAPS. DAPS has provided great access to the BOR system and so our focus can be on property owners. The BOR believes providing a subscription service for high volume users will create funding for the Board to continue focusing on the Outreach program efforts to underserved neighborhoods and communities providing transparency to our process and system.

## Intergovernmental Cooperation

The Board of Review has been working with each of the Offices in the Property Tax system to ensure cross governmental efficiencies are explored and created to ensure the property tax system is operating at its highest efficiencies.

## BUDGET HIGHLIGHTS

- BOR completed highest number of assessment appeals in its history in fiscal year 2018. Over the last 10 years the BOR has seen a 99\% increase in appeals.
- BOR required more time to complete appeals (95 days to 120 days) due to 20\% staff reduction.

## MISSION

The Cook County Clerk's Office is committed to providing quality and efficient service to the public by accurately maintaining and distributing vital records, calculating tax rates, reporting on TIF districts, and ensuring all eligible County residents can exercise their voting rights.

## MANDATES

Cook County Automation Fees in Section 2-174 include an automation fee as set out in Section 32-1 to be retained in a special fund designated as the Clerk's Automation Fund to pay costs related to the automation of functions performed by the Clerk.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

Our Election Division has worked immeasurably to meet its goals. Currently, Suburban Cook County has 1,603,193 registered voters which is its highest in history. New Voter equipment was piloted across 147 precincts in three townships. The new equipment has the robust technology and security measures making it easier for the voters to navigate. Our election infrastructure measures were effective throughout the Primary and Consolidated elections and the Division will continue to enhance them for the future.

Bureau of Vital Records enhanced the Genealogy Online portal, which allows better tracking of orders. Additionally, the new Genealogy website has greatly reduced the amount of time employees spend responding to customer emails.

In December 2018 (by far the busiest month for levy filings) 49.79\% of levy ordinances were filed via the online portal from more than 1400 taxing agencies. During Q1 \& Q2 2019, 673 documents were filed via the online district portal ( $40.22 \%$ of the total for levies, budgets, and financial reports). It has created an efficiency that saves the Clerk's staff time and effort from scanning and making them easily assessible without manually handling paperwork.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

Continue to maintain efficiency toward the next tax-cycle which includes portal enhancements planned as part of the Integrated Property Tax System (IPTS) implementation and with stand-alone improvements to fully automate levy submissions.

The Tax Services will be working with a new Coordinator of Community Outreach, with a plan on hosting various outreach sessions and rolling out diverse tools to keep taxpayers informed of the services available to them before the need arises. In this way the Division will increase our presence with the goal of reaching previously underserved areas.

The Election Division looks forward to a full roll out of the new voter equipment countywide for the 2020 Presidential Primary. All of these machines will undergo regular and extensive pre-election testing prior to voter-usage.

## MISSION

The Cook County Recorder of Deeds Office accurately records, stores and maintains land records and other official documents in perpetuity for public and private use, facilitating home ownership and mortgage lending. CCRD also has a Property Fraud unit and Veterans' Service Office.

## MANDATES

The duties of the Recorder of Deeds office are established by the Illinois Counties Code (55 ILCS 5/3-5001 et. seq.; 55 ILCS 5/4-12002; 55 ILCS 5/4-12002.1; 55 ILCS 5/4-12004) and the Cook County Code of Ordinances (Cook County Code Section 2-201 et. seq.).

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

The Recorder's Office has implemented several initiatives that will benefit Cook County residents and the public as a whole. The Predictable Recording Fee Ordinance was implemented on May 20, 2019. This Ordinance promotes efficiency for the Office as well as the real estate industry by streamlining the costs of recording documents. In short, this ordinance changes the recording fee structure for most documents from one based on the number of pages to a flat fee structure. It is also estimated that the Predictable Fee ordinance will create an additional \$7M to \$9M in revenue to the County.

The Recorder of Deeds also initiated the digitization of historical records maintained on microfilm and in document books. Currently, documents recorded prior to 1985 are maintained on acetate-based microfilm. These records are not currently maintained electronically and are not available via our on-line search. The acetate-based microfilm that holds these records are deteriorating from Vinegar Syndrome. If nothing is done to preserve these records, they will ultimately disintegrate and be lost forever. As a result, we have contracted with a vendor to retrieve and scan historical documents on an on-demand basis.

CCRD has also continued its community outreach program, including its Property After Death seminars, as well as presentations on Property Fraud prevention and Veterans Services.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

As noted above, the Recorder's Office has embarked on a project aimed at digitizing records on an on-demand basis. In 2020, the Recorder's Office would like to expand this initiative to include digitize not only documents requested from customers, but all paper and microfilm based records maintained by the Recorder of Deeds office. The end result will be a more efficient and accessible document retrieval process that will ensure that documents will be available in perpetuity.

The Recorder's Office will also continue its robust outreach efforts which are designed to provide critical information and services to Cook County residents. The outreach programs are free to the public to attend and utilize.

Finally, the Recorder of Deeds will continue its collaborative efforts to ensure a successful assumption of its duties by the Office of the Cook County Clerk in December of 2020.

## BUDGET HIGHLIGHTS

- CCRD has started an initiative to digitize our paper and microfilm records.
- CCRD has continued to meet the needs of those utilizing the office while reducing its FTE count by roughly $20 \%$ in FY 19 . The reduction in FTE's has come through attrition. The CCRD will continue to examine ways to maximize productivity of its

## MISSION

The County Treasurer's Office (CCTO) is responsible for collecting, safeguarding, investing and distributing property tax funds.

## MANDATES

The CCTO is mandated to print and mail property tax bills, collect upwards of $\$ 14$ billion each year in taxes from owners of more than 1.8 million parcels of property and distribute those tax funds to approximately 2,200 local government agencies. For more information on the Treasurer's Office's duties, see 35 ILCS 200 / et seq. and 55 ILCS $5 / 3$ et seq.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

The Treasurer's Ooffice provides taxpayers with the most convenient options to pay their taxes and view their tax information.

We continue to increase tax payment options to make it easier for taxpayers to pay tax bills. This has resulted in increased usage of online payments, branch payments, and Community Bank Payments.

We have worked with other County Agencies to create the a web portal (http://www.cookcountypropertyinfo.com/) portal that provides tax information from other Tax offices under one website. The portal continues to see an increase in visits and is very useful to taxpayers as they see property tax information from the Assessor, Clerk, and the Recorder of Deeds.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

## Timley Mailing of Tax Bills

The Treasurer's Office is required to mail taxpayers a 1st and 2nd installment taxbill in a timely manner. In order to meet this obligation, the ССТО has a goal of completing the printing, folding and inserting of property tax bills in evelopes all within 9 days per installment.

## Collection of Property Tax Payments

In Cook County, the County Treasurer will continue to oversee the secondlargest property tax collection and distribution system in the United States which, accounts for the collection of $\$ 14$ billion each year in taxes from the owners of more than 1.8 million parcels of property.

## Distribution of Property taxes

The Treasurer's Office will continue to be responsible for the distribution of the tax funds to approximately 2,200 local government agencies that have the jurisdiction to collect taxes. The agencies include school districts, villages, cities, townships, park and forest preserve systems, libraries, public health and safety agencies, election authorities, economic-development agencies and bonds to pay for public-works projects.

## MISSION

The Office of the Chief Judge is the administrative arm of the Circuit Court of Cook County. The Office supervises non-judicial employees who provide probation, juvenile detention, guardianship, clinical and other court-support services.

## MANDATES

Chief Judge Timothy C. Evans has general administrative authority over the Circuit Court of Cook County including authority to coordinate and supervise its administrative functions. The Office of the Chief Judge (OCJ) provides support and services to the judiciary, litigants and the public. The OCJ also oversees and coordinates the non-judicial offices of the Court.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

Due to legislative changes, certain court fees traditionally credited to four of the Court's special revenue funds are now recorded in the Cook County General Fund effective July 2019. The related costs formerly funded with those SRF fees are now absorbed into the OCJ operating budget. Throughout FY2019, the Court focused significant attention on the progress of bail reform, which has reduced the population of the Cook County Jail and increased the release of pretrial defendants without increasing the threat to public safety. The reforms have also lead to significant cost savings. In FY2019, the Court has also worked with the National Center for State Courts to conduct Criminal Division courtroom utilization study and representatives from the Annie E. Casey Foundation to conduct a review of operations and staffing at the Juvenile Temporary Detention Center. The Court has also been successful in bringing new federal awards to supplement funding for the problem-solving courts. In January 2019, the Court opened a new adult drug treatment court at the Third Municipal District courthouse in Rolling Meadows to help participants access health insurance, receive treatment and clinical case management services, funded with a $\$ 2.0$ million grant from the U.S. Department of Health and Human Services.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

The Court will continue its efforts on bail reform. Thanks to the reform, the average monthly Jail population has been reduced from 10,064 in January 2014, to 5,799 in December 2018, saving the County significant associated costs. However, the reform has increased the need for pretrial supervision resources, reflected in the court's 2020 budget request.

The Court's grant portfolio is increasing. In addition to the $\$ 2.0$ million grant to fund drug courts in North Suburban courthouses, the Court has recently received a five year grant to fund the mental health courts. The Court will continue to explore opportunities to help fund Court operations.

## BUDGET HIGHLIGHTS

- Budget request increased due to the change in statute which transferred the costs of the Children's Waiting Room operations from the related SRF to the OCJ operating fund, effective $7 / 1 / 19$.
- New payroll positions are requested for a variety of court needs.

## MISSION

Probation is the alternative to jail and prison, and the component of the adult criminal justice system whose primary mission is rehabilitation. The Adult Probation Department (APD) supervises sentenced offenders, assesses pretrial risk, and supervises pretrial defendants.

## MANDATES

APD operates in accordance with Illinois Compiled Statutes: 730 ILCS 110, Probation and Probation Officers Act; 730 ILCS 115, Probation Community Service Act; 725 ILCS 185, Pretrial Services Act; the Cindy Bischof Law; and 725 ILCS 5/110-5(f), Code of Criminal Procedure of 1963, determining the amount of bail and conditions of release.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

As of June 2019, APD had an active caseload of more than 17,000 sentenced individuals, and more than 6,000 defendants ordered to pretrial supervision. Programs include the Pretrial Division; standard caseload supervision; the Mental Health Unit; the Home Confinement Unit; and the county-wide network of problem solving courts. The Pretrial Division's responsibilities dramatically increased after Chief Judge Evans' bail reform in 2017. The Pretrial Division now has a growing caseload about $40 \%$ greater than the period prior to implementation of pretrial reform. More than $80 \%$ of these defendants make all their court dates and almost $90 \%$ remain arrest free while on pretrial supervision. Individuals with a curfew monitored via electronic monitoring have increased by almost $70 \%$ since bail reform, while domestic violence defendants monitored by GPS have more than doubled. In FY2019, APD began initiatives with community partners that include HIV and hepatitis screenings, behavioral health referrals, referrals for housing, and placing more than 300 clients in advanced job training.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

In March 2019, APD began implementing structured intermediate sanctions for noncompliance. Currently, about 70\% of probationers are summoned to court for a violation at some point during their sentence. APD's goal in 2020 is to reduce this rate by at least $10 \%$. However, officers must have caseloads limited in size so that they can effectively respond to infractions and follow up on completion of sanctions, rather than routinely filing a violation.

About 75\% of probationers express a need for drug and alcohol treatment. In FY2020, federal and foundation grants will partly support a partnership with CCHHS for universal screening of probationers for opiate use disorders.

APD is implementing a new risk assessment and more intensive supervision standards for higher risk clients. A federal grant is funding a pilot program to reduce violent recidivism. However, caseloads per officer are still at more than 100:1, too large to adequately engage clients in behavior change.

APD has contracted with a community partner to provide cognitive behavioral programming for the highest risk pretrial defendants.

APD is opening a community reporting center in Englewood that will feature wraparound services and that will share space with a restorative justice Community Court.

## BUDGET HIGHLIGHTS

- Salary subsidies from the state will increase by more than $\$ 20$ million.
- Budget increased due to a shift of costs from SRF 11326.
- 72 full payroll positions are requested to supervise pretrial defendants and reduce probation caseloads.

## MISSION

The Judiciary Department of the Circuit Court of Cook County (1300) administers and supports the operations of the Circuit Court and its non-judicial offices. The Department budget funds a variety of court-related services to the judiciary and litigants.

## MANDATES

The Circuit Court of Cook County is a state trial court, the largest of the 24 judicial circuits in Illinois. The Court has over 400 judges who serve the residents of Cook County. Court operations are funded by both the State of Illinois and Cook County as required by the Illinois Constitution and Illinois statutes, as well as by minor court fees and grants.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

The Circuit Court's Department 1300 is a cost center that funds costs directly relating to the judiciary.

In accordance with the terms of the litigation settlement agreement between the Circuit Court and Cook County, the Court closed two Chicago branch court locations, effective January 5, 2019-155 West 51st Street and 2452 West Belmont Avenue. The workload of the four related courts was carefully relocated to other court locations, to make certain that public access to justice was preserved. The two branch court closings will help the County avoid $\$ 9.2$ million in deferred maintenance which otherwise would have been necessary to keep the courts safe and compliant with the Amerians with Disabilities Act. Further, last November, the Court closed the Adult Probation Department's community office in Chicago on Walnut Street, relocating staff to newly renovated space at the Leighton Criminal Division courthouse.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

In FY2020, the Court is planning to open three additional Restorative Justice Community Courts in Chicago. The second court, planned for the Englewood community of Chicago, will expand on the work of the first such court in the Austin Community.

## BUDGET HIGHLIGHTS

- The proposed budget for 2020 exceeds the budget for 2019, by $\$ 488,901$, mostly due to lease cost increases for the R . J. Daley Center and for the proposed new community court offices.
- The budget includes the costs of security for the storage of electronic devices at the George Leighton Criminal Division

## MISSION

The Cook County Public Guardian represents society's most vulnerable individuals who, by virtue of age or disability, are targets for exploitation and abuse. The Department (1305) motto is Lux Legis Relictis, "the light of the law for the forsaken."

## MANDATES

The Public Guardian's Office, established by the Public Guardian Statute in 1978 ( 755 ILCS 5/13-1 et seq.), serves as guardian for individuals who are adjudicated disabled and require a guardian for their person and/or estate and who have no appropriate family or other person to act as their guardian. The Public Guardian is appointed by the Chief Judge of the Circuit Court, 755 ILCS 5/13-1.1; see also General Order No. 1.5 (c).

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

The Public Guardian's Office is recognized as one of the premier law offices in the country representing children, providing guardianship services, and representing the elderly and people with disabilities. The Adult Guardianship Division served as guardian of the person and/or estate for adults with cognitive disabilities who have estates of \$25,000 or more. The Division utilizes legal, clinical, social work, general guardianship, financial and administrative personnel to manage the guardianships of approximately 1,000 people served, 96 real properties, and $\$ 100$ million in assets. The division's volume of cases served to date this year of 1,016 is in line with expectations of 1,200 cases for the year. The current division caseload is 60 per guardian although the American Bar Association recommends an ethical caseload of 20. Approximately $31 \%$ of the people served live in the community, consistent with FY2019 and FY2020 goals. The Juvenile Division represents approximately 5,800 abused and neglected children at every phase of Juvenile Court proceedings. Child clients are represented in DCFS administrative proceedings, appeals, educational matters, and other proceedings. The Domestic Relations Division served approximately 500 children as the child representative in highly contested custody cases.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

With budgets as a concern, fee collections are a priority for services provided to adults with disabilities served as well as child clients. Over the past years, fees collected have increased significantly from \$1.44 million in 2004 to $\$ 4.35$ million expected in 2019. Collections are expected to decline in 2020 to $\$ 3.15$ million with the elimination of one-time recoveries realized in 2019. A key cost driver is the number of persons under guardianship served. The average cost per ward declined in 2018 but is expected to level out: \$3,540 for 2018, \$4,549 for 2019, and 4701 for 2020. Other department performance goals include: Adult Guardianship initiative to serve 1,290 clients and keep 33\% of clients living in their communities; the Adult Guardianship Financial Recovery initiative to recover approximately $\$ 1.4$ million in stolen assets next year.

## BUDGET HIGHLIGHTS

- No changes in staff positions are proposed for 2020 .
- In FY2018 and the first half of FY2019, the department generated more than $\$ 6$ million in legal and estate fees for the Cook County General Fund.
- The proposed budget includes salary adjustments to level salaries with other county legal offices.

## MISSION

The Forensic Clinical Services Department (1312) provides the court with independent and unbiased forensic evaluations and testimonies concerning adult criminal defendants, conducted pursuant to orders of the court.

## MANDATES

Forensic evaluations are conducted pursuant to court order, and the results of evaluations and clinical opinions, submitted in written form or through oral testimony, are submitted directly to the court. The Department utilizes a multi-disciplinary model including psychiatric, psychological and social service methods in the delivery of clinical services.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

During the first three months of FY 2019, the Department examined 368 court-ordered cases and conducted a total of 570 evaluations and testimonies; 210 psychiatric, 205 psychological, and 155 psychosocial.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

The Department's budget mostly funds the salaries of the psychiatrists, psychologists and case workers who provide court-ordered direct services to the Criminal Division judges. The Department will continue to provide forensic services to the court at much lower hourly rates relative to $\$ 400-\$ 700$ as would be required by third party experts.

## MISSION

The Social Service Department (1313) is a community corrections and court services agency mandated by the court to direct adult felony and misdemeanor offenders in satisfying court-ordered conditions and penalties.

## MANDATES

The Department follows mandates by the court to direct adult felony and misdemeanor offenders in satisfying court-ordered conditions and penalties (Illinois Criminal Law and Procedure, Chapter 730 ILCS, 110/0.01-14, and Probation and Probation Officers Act; 110/15, Probation Services).

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

The Department has recently implemented a new risk assessment tool for Administrative Office of the Illinois Courts caseload application (Ohio Risk Assessment Screening) which was implemented statewide. Through these efforts, the Department will engage offenders in hopes of increasing their motivation to fulfill court obligations while keeping public safety as a top priority. In addition to its case monitoring, conducting cognitive behavioral groups, and collections work, the Department conducted Public Safety Assessments and Bischof domestic violence risk assessments for defendants arrested and awaiting bond hearings on misdemeanor cases countywide. Public Safety and Bischof Assessments are used to assist the court with determining defendants' eligibility for bond and the need for supervision prior to trial. Furthermore, in 2019 the department implemented a new case management system. During the first half of 2019, the Department had an average daily active caseload of 11,000 probationers, 1,500 in pretrial, and 2,500 in pretrial post-release. The number of cases per staff ratio continues to exceed the Administrative Office of the Illinois Court standards for general as well as specialized caseloads.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

A primary focus for 2020 will be assessing the Department's pretrial work, adding resources as caseloads and the volume of assessments continue to grow. In addition, the Department's training division is working closely with the AOIC to better equip managers and line staff with tools on the Effective Casework Model as well as best practice initiatives and techniques. The Department is also expected to begin training and equipping staff to conduct home visits. The department will continue to utilize and assess the effectiveness of the recently implemented Ohio Risk Assessment Screening tool and monitor.

## MISSION

The Juvenile Probation Department (1326) is committed to creating safer neighborhoods through relationships, opportunities, and experiences that promote hope, responsibility, and lawful behavior in children and minors; because successful childhoods lead to successful neighborhoods.

## MANDATES

The Department operates in accordance with the Juvenile Court Act (705 ILCS 405/6-1), The Probation and Probation Officers Act (730 ILCS 110/0.01 et seq), and with the standards, rules, and policies promulgated by the Administrative Office of the Illinois Courts.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

The Department provided case management with supportive services that help youth successfully exit the system and remain positive community members. Pursuant to statewide standards and aligned with nationally recognized research and best practices the Department adopted a new risk assessment system in FY2019. Complementing this approach is an array of community-based, trauma-informed, behavioral health and pro-social service partners aligned to keep youth safely connected to neighborhoods and families, and out of courtrooms, detention, and prison whenever feasible. CCHHS joined this array in FY2019, to address behavioral health needs of youth, at the earliest stage possible; utilizing consistent public health system care coordination processes. This strategic approach yields promising results. In FY2018, 85\% of total active youth had no new criminal findings while active, and $96 \%$ of active youth remained at home. In FY2019 to date, 92\% of active youth had no new criminal findings, and $98 \%$ remained at home.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

The Department seeks to advance five interconnected initiatives during FY2020: 1) The Probation System Review; 2) Case Management; 3) Behavioral Health and Wellness; 4) Information Management; 5) Continuous Quality Improvement. The Probation System Review is a nationally recognized evaluation model that the Department will collaboratively pursue to improve youth outcomes. After adopting a new case management model in FY2019, the Department must also comply with revised statewide probation standards that take effect January 1, 2020. Therefore, the FY2020 budget reflects investment in technical assistance and professional development to support successful implementation. Expanding behavioral health screening, assessment, and direct services will be critical in FY2020, particularly as CCHHS partners with the Department to provide additional capacity and expertise in this area. A new information management system will be implemented to support an unprecedented level of data compilation to support service improvements. Taken together, these initiatives will improve the Department's ability to match limited resources to public safety needs.

## MISSION

The Clerk of the Circuit Court of Cook County serves the citizens of Cook County and the participants in the judicial system in an efficient, effective, and ethical manner. All services, information, and court records are provided with courtesy and cost efficiency.

## MANDATES

The Clerk of the Circuit Court of Cook County is mandated by Illinois Compiled Statutes (705 ILCS 105) to attend court sessions and to make, keep, and preserve complete records of all the proceedings and determinations thereof and to collect and disburse all fines, fees, and costs for the Circuit Court (705 ILCS 105/27.1b). Also, mandated by Illinois Supreme Court Order \#M.R.18368, the Clerk is required to accept the electronic filing of all civil case types as of July 1, 2018. The Clerks of Courts Act provides for the Clerk's Office to charge, collect, and disburse the fees and assessments of the court. The Clerks of Courts Act (705 ILCS 105/27.1b) and the Criminal and Traffic Assessment Act (705 ILCS 105/135) establish the fees to be assessed for the filing of pleadings and for other services provided by the Clerk of the Circuit Court in civil cases, and establishes minimum fines and assessments to be charged in criminal and traffic cases in Cook County and in all counties in the State of Illinois. The Clerks of Courts Act provides that, unless otherwise specified, the amount of the fees shall be determined by ordinance or resolution of the county board and remitted to the County Treasurer to be used for purposes related to the operation of the court system in the county.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

Electronic Filing (e-Filing): On July 1, 2018, e-Filing became mandatory for all civil areas of law. The number of e-Filings during the first two quarters of FY2019 was 1,485,573 with a FY2019 projection of 2,500,000 e-Filings. e-Filings represent new cases filed and subsequent filings on cases. E-Filing will continue to improve our goal of serving the participants in the judicial system in an efficient, effective and ethical manner.

The Case Management System (CMS): The new generation CMS will serve all areas of law and will eliminate the use of the old mainframe legacy system by leveraging advanced technology to improve efficiency while reducing costs. The County Division went live with the new CMS on February 13, 2018. The Criminal Division is expected to go live by September 2019 and all areas of law by December 2019. The Clerk's Office target is to have approximately 690,000 new cases filed in FY2019.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS:

Electronic Filing (e-Filing): With the beginning of mandatory e-Filing for all civil areas of law in FY2018 and going forward, the Clerk's Office is engaged in new program activities such as e-Filing Registration, e-Filing Customer Service Center, e-Filing Troubleshooting, Pro Se and Attorney Assistance Help Desk, e-Filing Accept and Reject Team, Quality Assurance Team, Scan Team, Back Scanning Team, and a Printing Team. The Clerk's Office anticipates 2,500,000 e-Filings in FY2020.

The Case Management System (CMS): In FY2020, the Technology and Innovation (T\&I) Bureau will continue to leverage advanced technology to improve the efficiency of court operations, reduce costs, improve customer service, and enhance information access offered to the public. The Clerk's Office anticipates 700,000 new cases to be filed in FY2020.

## BUDGET HIGHLIGHTS

- Since 2001, the Clerk's Office has reduced its staffing level from 1947.8 FTEs to 1433.6 FTEs. This reduction of 514.2 FTEs represents a $26.4 \%$ decrease and has significantly affected our ability to fulfill our statutory duties.
- An additional 40 court clerk positions are needed in FY2020 to properly attend court sessions, along with maintaining all of the

| FTE Positions | $1,644.3$ | $1,490.7$ | $1,433.6$ | $1,479.6$ | current positions in order to handle court operations.

- An additional 16 clerk positions are needed in FY2020 due to the expungement requirements included in Public Act 101-0027 (Cannabis Regulation \& Tax Act), which went into effect June 25, 2019.
- Existing staff continues to be strategically and painstakingly reallocated while the Office continues to struggle to meet its statutory obligations.
- The implementation of the required eFilelL system has caused significant difficulties for the Clerk's Office. This is due to the complexity of the system, along with the volume of cases filed in Cook County. Staff continues to provide specialized customer service assistance to both self-represented litigants and attorneys, in order for them to e-File successfully.

## MISSION

The Office of the Public Administrator of Cook County administers estates of deceased Cook County residents. The mission of the Public Administrator is to efficiently and securely administrate the estate of decedents as required by law pursuant to the Illinois Probate Act.

## MANDATES

Illinois Probate Act - 755 ILCS $5 / 1$ et seq.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

Through the third quarter of FY 2019, the Public Administrator's Office (PA) will have generated over $\$ 2,671,240$ in fees, interest, court costs and funds for unknown heirs. The PA's current (FY2019) budget is $\$ 1,318,240$. At the close of Q3 2019, the PA's fees alone will have generated \$1,164,134 to the County Treasurer. This revenue represents $88 \%$ of the budget appropriated for FY 2019. The PA estimates a year-end total of \$1,512,835 in revenue returned to the County. This amount represents $\$ 194,595$ over the amount appropriated for FY2019 (114\%). Over \$12,000,000 has been returned to heirs and beneficiaries via estate administration in FY 2019.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

The Office of the Public Administrator is consistently revising policies and procedures to be as efficient as possible. We are streamlining estate tax returns by filing and saving returns electronically, thus reducing postage and copying expenses. In addition, we have fully adopted e-filing with the County Clerk's Office, saving on printing expenses. Moving into 2020, we will work to integrate the notice requirements with this system, saving both in printing and mailing expenses. Finally, we will continue the process to determine whether unclaimed property remains with the State Treasurer for estates administered by the 0ffice in the previous 20-year period. To date, the Office has identified and recovered $\$ 1,135,744$ and is in the process of probating those assets. We expect that we will continue to uncover unclaimed property in 2020 and beyond.

## MISSION

To protect the fundamental rights, liberties and dignity of each person whose case has been entrusted to us by providing the finest legal representation.

## MANDATES

United States Constitution, Amend. VI: "In all criminal prosecutions, the accused shall enjoy the right . . . to have the Assistance of Counsel for his defense." Also, 55 ILCS 5/3-4006; 725 ILCS 5/113-3; 705 ILCS 405/1-5; Cook Cty. Gen. Ord. 2017-01.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

The Public Defender enhanced its Police Station Representation Unit (PSRU). The PSRU provides legal representation for all persons in police custody who request counsel. This is an important step to better achieve our goal of enforcing the right to appointed counsel. In FY2018, when first created, PSRU made approximately 500 police station visits. PSRU is now on track to make over 1,200 police station visits during FY2019, assisting those in custody and protecting their rights.

Approval by the County Board for a Mental Health Unit, comprised of a psychologist and two social workers, to identify clients with mental health issues who are in need.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

## 1. Continued Enhancement Of Police Station Representation Unit

Increasing public awareness of the unit through outreach and building a network of community partners, with a target of doubling police station visits in FY2020 to over 2,000, with a goal of attaining maximum number of calls for counsel to represent those in custody.

## 2. Implementation of Mental Health Unit

Hiring psychologist and social workers; solidifying partnerships with professional schools of psychology and CCHHS; identifying clients in need and assessing mental health issues; achieving goal of reducing expert witness spending; decreasing length of stay in jail for clients by more accurately identifying all mental health issues; and expediting disposition of cases with mental health issues.

## 3. Participatory Defense

"Participatory defense" is a model for families and communities to impact the outcome of cases in the court system, as well as transform the landscape of power in the criminal justice system. The Public Defender continues in its effort to work with the restorative justice hubs throughout the County and to bring participatory defense to all of her clients.

## BUDGET HIGHLIGHTS

- Cost avoidance to the court and jail system as a result of expanded representation of the Police Station Representation and Mental Health Unit
- Planned reduction of footprint and rental costs at 69 West Washington by consolidating three floors into two floors.
- Reducing the cost of pretrial incarceration through advocacy

## MISSION

The Sheriff's Office is committed to providing community protection, peace of mind and social justice for all residents of Cook County by providing security to county and court facilities, managing the Cook County Jail, and policing throughout the county.

## MANDATES

Illinois Constitution (III. Const. 1970, art. VII, § 4), 55 ILCS 5/3, 725 ILCS 5/107-16, 735 ILCS 5/2-202, 730 ILCS 5/5-8-1.2, 50 ILCS 705, 42 U.S.C. § 1997

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

In 2019, the Sheriff's Office continued its efforts to improve jail conditions and post-release outcomes for detainees using data-driven research to develop and expand programming to target detainees' biopsychosocial needs. The Sheriff's Office increased the percentage of detainees receiving these innovative and therapeutic programs to $60 \%$. THRIVE, which offers holistic gender-specific substance abuse treatment for female detainees, increased its enrollment by $18 \%$ from last year.

Cook County Sheriff's Police Department (CCSPD) continued its partnership with the City of Chicago by focusing its community policing efforts on reducing violence in high-crime districts. CCSPD has focused on District 15 , and violent crime has declined, with homicides and shootings down by $35 \%$ and $43 \%$, respectively, from January 2019 through May 2019, as compared to the same timeframe in 2018. CCSPD plans to expand to a high-risk district on the City's South Side in late 2019.

The Sheriff's Office continued automating processes to increase operational efficiencies throughout the office. In 2019, the Office went live with the automated IVR system, enabling re-deployment of Medical Call-In staff to other departments; deployed a new version of Sheriff's e-file, streamlining operations more, allowing for better interaction with the public; and implemented GovQA so that the Sheriff's Legal Department could fulfill FOIA and subpoena requests more efficiently.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

In 2020, the Sheriff's Office will continue addressing crime and protecting public safety in a fiscally responsible way, devoting resources where they are needed most. CCSPD will add Police Officers, due to more activity in facing financially challenged suburbs, expand its work in Chicago, and establish a Public Integrity Unit to conduct investigations into corruption.

CCDOC also plans to expand re-entry programming initiatives, such as the Sheriff's Opioid Addiction Recovery Program (SOAR) and the Sheriff's Anti-Violence Effort (SAVE). Both programs offer intensive case management and linkages to community partners for individuals who are transitioning from CCDOC to the community.

The Sheriff's Office will expand and promote its programs to support and assist employees, including the robust Peer Support Program, which offers $24 / 7$ free and confidential support for all staff; the Early Intervention team, which checks in with referred employees to assess their wellbeing; and the EMPOWER Program, which works to elevate morale and staff well-being.

The Sheriff's Office will continue to grow its Recycling Program, increasing both the quantity and types of items we recycle. The Office recycles everything from pharmaceutical drugs to paper to detainee uniforms. With the goal of improving the environment, generating revenue, reducing waste hauling and other operational costs, as well as providing on-the-job training to ex-offenders

## BUDGET HIGHLIGHTS

- The Cook County Sheriff's Office FTE count remained the same for FY2020.
- In FY2020, the Sheriff's Office will continue to collaborate with the City of Chicago to reduce violent crime in the areas most at risk.
- The Sheriff's Office created the Community Corrections

## MISSION

Sherift's Administration serves as a support and resource to Sherifi's Office operations. These functional areas include Human Resources, Legal, Policy and Communications, Training, Use of Force Review, Vehicles, Quality Improvement, Peer Support, Research and Supply Chain.

## MANDATES

III. Const. 1970, art. VII, § 4, III Admin Code Section 701.10/ 50 ILCS 705, 50 ILCS 5/3-6007, Ord. No. 16-1983, 10-26-16, Local and State Records Act, Illinois Administrative Code, 42 U.S.C. § 1997, 720 ILCS 5/7-1

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

In 2019, Human Resources successfully implemented the automated IVR system for medical time for all staff through the Cook County Time and Attendance System (CCT). Peer Support worked with Training to present information about officer wellness and support programs to all sworn staff during in-service training. The Legal Department fulfilled over 3,000 FOIA requests. In addition, Supply Chain continued growing the Sheriff's Prescription Drug Take Back Program. Use of Force Review worked with BOIT to implement better incident reporting functionality in the jail management system. Fiscal Administration ensured that the Sheriff's Office remained within its appropriation. Also, Quality Improvement continued working with CCDOC to ensure constitutional conditions of confinement of detainees are met, and Vehicle Services worked diligently to reduce maintenance contracts by increasing in-house repairs.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

In 2020, Sheriff's Administration will continue providing critical support to Sheriff's Office operations units. Human Resources will work with Sheriff's Police to hire additional Police Officers. In addition, Operational Policy and Accountability will deploy a fifth policy and procedures manual covering the operations of Community Corrections. The Vehicle Services unit will replace more vehicles with hybrids, extending the Office's commitment to fiscal and environmental responsibility. Peer Support will deploy innovative strategies to reach out to even more sworn staff, while Supply Services will expand its innovative, revenue-generating and green Biodiesel Oil Processing Program.

## MISSION

The Office of Professional Review (OPR) conducts investigations of criminal and administrative allegations of employee misconduct, fraud, abuse and violations of integrity laws that govern the Sheriff's Office.

## MANDATES

Illinois Constitution (III. Const. 1970, art. VII, § 4), 50 ILCS 725

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

In 2019, OPR continued to advance the unit's core mission by reducing the volume of pending investigations, reducing the time it takes to complete investigations, and streamlining the Command Channel Review process to reduce the length of time it takes from the inception of an investigation through the final process of discipline or exoneration. OPR exceeded its goal of lowering the total number of pending cases without adding personnel or increasing its operating budget. OPR has expanded the use of recorded interviews and moved away from paper-based systems in favor of digital files and digital Command Channel Review. OPR continued to interact with other departments within the Sheriff's Office to enhance and improve overall policies and procedures and continued to improve communications with employees accused of misconduct, ensuring improved future behavior.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

In 2020, OPR is determined to continue to decrease the total caseload. OPR has reduced the number of pending investigations significantly in the past year and will continue to focus on this important goal.

OPR will continue to work to reduce the length of time it takes to complete investigations. Fewer pending cases allows for remaining pending investigations to be completed more expeditiously.

OPR will also continue to utilize automation to improve efficiency and expedite processes.

## MISSION

The Bureau of Information and Technology (BOIT) provides the Sheriff's Office with reliable, accurate and secure information and data, to assist the Office with making actionable decisions to increase operational efficiencies and support public safety efforts.

MANDATES
Illinois Constitution (III. Const. 1970, art. VII, § 4)

## OPERATIONAL HIGHLIGHTS: <br> 2019 INITIATIVES AND OUTCOMES

In 2019, BOIT continued to develop and deploy internally built applications to increase operational efficiencies. BOIT continued to enhance the jail management system to capture more information, including better incident reporting functionality. BOIT also deployed a new version of Sheriff e-file, which allows for electronic filing for Civil Process Service, further streamlining operations and allowing for better interaction with the public. Together with the Sheriff's Police Department, BOIT launched the Records Management System, which provides for better tracking of data, streamlined workflows and overall increases in accountability and efficiencies. With the Sheriff's Legal Department, BOIT deployed GovQA to streamline FOIA and subpoena fulfillment and to support compliance with the FOIA framework.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

In 2020, BOIT will continue providing timely, efficient and effective services to Sheriff's Office employees, with Field Technicians available to assist end users $24 / 7 / 365$. Additionally, BOIT will keep expanding the catalog of services that we provide to our end users and outside agencies, from developing more internal applications to getting data to decision makers even more quickly. BOIT will continue to grow the department's footprint in the cloud, allowing for better resource deployment and management. BOIT will continue developing and expanding the Records Management System for departments throughout the Office, including developing a Warrant Management module. Workforce mobility will continue to be developed through the implementation of the Electronic Citation System as well as more deployments of the Rugged Modem solutions. BOIT's Business Intelligence and Application Development Unit will continue striving to complete all data requests within 5 business days; we currently complete $99 \%$ of requests within that timeframe.

## MISSION

Court Services delivers the highest quality public safety and law enforcement services for the people of Cook County by providing a safe environment for Cook County employees and visitors to courthouses, as well as timely and effective service of process and execution of court orders.

## MANDATES

55 ILCS 5/3-6023, 55 ILCS 5/3-6017, 55 ILCS 5/3-6019, 735 ILCS 5/2-202, 735 ILCS 5/9-101; 735 ILCS 5/9-107.5, 55 ILCS 5/4-12001; 55 ILCS 5/4-12001.1, 55ILCS5/3-6008; 55 ILCS 5/3-6011, 55 ILCS 5/3-6012.1

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

In 2019, Court Services continued sending sworn staff to the 40-hour Crisis Intervention Team training, enabling staff to provide more efficient service to the community, reducing the risk of a physical altercation when responding to calls involving a person in crisis who may be experiencing mental health issues, and ensuring the safety of both the officer and the individual experiencing mental health issues. All sworn staff also became certified in the administration of the opioid overdose reversal drug naloxone, giving them a tool proven to save lives of people experiencing an overdose.

Additionally, the Civil Process Unit expanded its use of technology and automation through the implementation and upgrade of the new e-filing system and increased use of mobile communication devices and bar code scanners, creating operational efficiencies and streamlining planning and execution of service of process. These tools also allowed staff to process larger workloads in a shorter amount of time and focus priority on service request types.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

In 2020, Court Services will continue striving to achieve the highest level of security for those who enter one of the twelve court facilities. Court Services will continue to track prohibited items collected at the entry points of these various court facilities, which have included: a loaded firearm, body armor, knives, scissors, syringes, as well as other items that were considered contraband.

The Evictions Unit and the Social Service Team will expand their work with community partners to identify and provide more necessary services for seniors, disabled individuals and families being evicted. The Unit will also continue to assist Cook County property owners with navigating the eviction process.

The Court Services Department will also continue working with the Chief Judge's Office on the Juvenile Restorative Justice Court. The philosophy behind this is justice is measured not by how much punishment is meted out, rather, justice is served by repairing harm to the victim and community by holding young offenders accountable.

Court Services is committed to serving the community through participation in and support of the Clerk of the Circuit Court Expungement Summit and the Driver's License Reinstatement Expo in collaboration with the Cook County Public Defender's Office, Cook County State's Attorney Office, Clerk of the Circuit Court, and the Illinois Secretary of State Office.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

In 2019, CCSPD continued to expand its community policing and engagement activities throughout Cook County by enhancing law enforcement assistance to suburbs in need as well as maintaining presence in unincorporated areas. CCSPD also provided educational programs, truancyrelated services, summer youth camps and senior academies, and Police Officers interacted with and assisted citizens during their tour of duty.

CCSPD also continued its partnership with the City of Chicago by working to reduce violence in high-crime District 15. Violent crime has steadily declined since CCSPD began its community policing work there, with homicides and shootings down by $35 \%$ and $43 \%$, respectively, from January 2019 through May 2019, as compared to the same timeframe in 2018. CCSPD plans to expand to a high-risk district on the South Side of the City in late 2019.

CCSPD heightened its aggressive effort to remove guns from those who possess them illegally while ensuring compliance with Concealed Carry requirements and the Cook County assault weapons ban. CCSPD expects to recover at least 450 weapons in 2019.

CCSPD completed the consolidation of dispatching services for the suburban Indian Head Park Police in 2019. The Hometown Police will be added by year's end while additional agencies have indicated formal interest in pursuing consolidation.

## OPERATIONAL OPPORTUNTTIES: <br> 2020 INITIATIVES AND GOALS

In 2020, CCSPD will expand and continue its work in suburban Cook County, assisting communities and their law enforcement agencies as needed, particularly in times of financial hardship.

Additionally, CCSPD will continue collaborating with the City of Chicago to reduce violent crime in the areas most at risk using specialized tactical units, unique data science, and innovative community policing and programming.

CCSPD will aggressively remove guns from those who possess them illegally while ensuring compliance with Firearm Owner Identification Card and Concealed Carry requirements. CCSPD will continue confiscating revoked Firearm Owner Identification Cards and tracing all located firearms with the ATF, while collaborating with regional and inter-state law enforcement entities in joint actions that identify and curb illicit firearms trafficking.

CCSPD's community engagement team will continue to build on positive relationships in the community to include educational programs, truancy-related services, and summer youth camps. Police Officers will continue building trusting relationships with teachers, students, community stakeholders and citizens to ensure quality of life is improved for all residents of Cook County.

## MISSION

Community Corrections includes Electronic Monitoring(EM), Sheriff's Work Alternative Program(SWAP), and Restoring Neighborhoods Workforce(RENEW) and provides public safety and alternatives to incarceration and community supervision for participants in these programs.

## MANDATES

2010 Illinois Code Chapter 730 Corrections 730 ILCS 5/Unified Code of Corrections Article 8a- Electronic Home Detention

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

In 2019, Electronic Monitoring (EM) expanded its community presence based on the increase of violence in the County. In an effort to assist in combating violence, EM has begun to saturate high-crime areas in which EM participants reside. With the utilization of data mapping, EM is highlighting hot spots in conjunction with EM population to guide staff deployment. EM is also working on collaborating with the Chicago and suburban police departments by increasing presence in the high-crime communities while concentrating efforts on supervising EM participants, ensuring court orders are adhered to and swiftly responding to program violations. In 2019, EM will continue to enhance its footprint in the cloud, allowing for better resource deployment and management. EM will incorporate Phase II of the EM Case Management application to include reports, storage, integration, and Verisign, which will allow for EM to improve its effectiveness and efficiency with day to day operations The Sheriff's Work Alternative Program (SWAP) will continue fostering community relationships by assisting in completing projects such as street and park cleanup; viaduct cleaning; brush and weed removal; and painting, saving taxpayers substantial dollars. Restoring Neighborhoods Workforce (RENEW) will continue to promote public safety by demolishing uninhabitable buildings and leaving the land clean and orderly.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

In 2020, EM plans to expand civilian and sworn staffing in order to redeploy sworn staff to the communities. EM plans to collaborate with the Judiciary to provide progress reports to the courts to improve communication and provide additional information for decision-making. EM is currently piloting programming to efficiently monitor EM participants to assist EM in their reponse time by prioritizing high-risk behaviors.

## MISSION

The Cook County Department of Corrections (CCDOC) strives to provide a safe, secure, humane, efficient and constitutionally operated corrections environment for its staff, visitors, and those in its custody.

## MANDATES

55 ILCS 5/3-6017, Illinois Administrative Code Title 20 Chapter I Part 701, 730 ILCS 5/5-8.12, 730 ILCS 5/5-8A-4, 730 ILCS 5/5-5-9, 42 U.S.C. § 1997

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

In 2019, CCDOC expanded on the growing concern of the mental health impact of segregation. Since eliminating segregation in 2017, CCDOC has enhanced the Rehabilitation Unit (RU) by increasing detainee time out of cell. Programs have been expanded to target detainees in RU to address the underlying issues contributing to their dangerous behaviors.

Towards the continued goal of improving conditions of confinement and post-release outcomes for detainees, the percentage of detainees receiving programming to target their biopsychosocial needs in 2019, increased to 60\%. THRIVE, which offers holistic gender-specific substance abuse treatment for female detainees, increased enrollment by 18\% from last year.

CCDOC also created a Movement Team (MT) tasked with moving detainees to and from court appearances at CCB. In addition, the MT controls the holding facilities behind courtrooms, which has allowed for a statistically significant reduction in batteries to staff, uses of force, and exposure incidents, as well as reducing the amount of time detainees are held in holding areas awaiting their court appearances. The Sheriff's Office continued its work to minimize all uses of force (necessary and unnecessary) through de-escalation techniques as well as to minimize any use of force litigation and payouts. Uses of force in the jail have decreased by $57 \%$ since 2017, which is even more than the population has decreased during the same time frame.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

In 2020, CCDOC plans to expand re-entry programming initiatives, such as the Sheriff's Opioid Addiction Recovery Program (SOAR) and the Sheriff's Anti-Violence Effort (SAVE). Both programs offer intensive case management and linkages to community partners for individuals who are transitioning from CCDOC to the community. All programs offered by CCDOC will have an intentional focus on returning individuals to their families and their communities with support, which includes enhancing discharge planning, job readiness skills, life skills, and providing individualized case management.

The CCDOC is currently piloting an expansion to the Movement Team's responsibilities to include detainee medical movement throughout the compound. The goal of this pilot is to ensure detainees are brought to their medical appointments in a timely manner while reducing the likelihood of incidents related to long waiting times. The expectation is that this pilot will become standard operational practice in 2020.

## BUDGET HIGHLIGHTS

- The Department of Corrections lowered their operating request by $\$ 2.2 \mathrm{M}$ from FY2019 adopted amount in accounts associated with population.
- The Department of Community Corrections was moved from the DOC to create an entire new department for transparency.
- The Department of Corrections continues to focus on increasing detainees' access to programming.

## MISSION

The Merit Board is responsible for the pre-hiring certification of Correctional Officer Candidates and has the authority to conduct hearings on disciplinary matters involving Sheriff's Office employees with MeritStatus.

MANDATES
55 ILCS 5/3-7002, Cook County Sheriff's Merit Board Rules and Regulations

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

In 2019, the Sheriff's Merit Board ensured that the hiring, promotional and disciplinary processes were conducted equitably and in conformance with the Cook County Sheriff's Merit Board Rules and Regulations for all sworn, merit rank employees and applicants. In, April 2018 the Merit Board adopted Sheriff's Merit Board Rules and Regulations that continue to streamline disciplinary processes to ensure due process is afforded in a fair and timely manner. In June 2019, the Sheriff's Merit Board conducted the promotional examination for Correctional Sergeant, Correctional Lieutenant, Court Services Deputy Sergeant. In September 2019, the Sheriff's Merit Board conducted the entry level promotional examination for Sheriff's Police Officer Candidates drawn from various sworn, merit ranks of the Cook County Sheriff's Office. Promotional testing is estimated to be 1,200 Candidates by year end FY2019.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

In 2019 through 2020, the Sheriff's Merit Board will continue to create a certified roster of eligible Applicants for pre-hire Correctional Officer positions to become eligible for appointment to the Cook County Sheriff's Office

In 2019 through 2020 the Merit Board's implementation of the new legislation and in conjunction with newly adopted Merit Board Rules and Regulations will continue to expedite hearings and decisions.

The Sheriff's Merit Board will also conduct a fair and equitable promotional examination process for supervisory merit rank positions for the Sheriff's Police Department, Cook County Department of Corrections and the Court Services Department

## MISSION

The mission of the Cook County State's Attorney's Office (CCSAO) is to do justice in the pursuit of thriving, healthy, and safe communities.

## MANDATES

The powers and duties of the State's attorney are set forth is 55 ILCS 5/3-9005.

## OPERATIONAL HIGHLIGHTS: 2019 INITIATIVES AND OUTCOMES

Expanded Civil Department - The Civil Actions Bureau ("CAB") currently has 78 Assistant State's Attorneys, which is an 11.4\% increase over FY2018. As of July 1,2019 , the CAB has seen a $9.5 \%$ increase in new cases. The increased personnel resources have enabled the bureau to handle over 25,000 cases in FY2019. The CAB is on track to exceed its closure rate goal by closing over $1 / 3$ rd of the cases handled this year.

Expanded Criminal Prosecutions Bureau and Increased Training for Gun Cases -The State's Attorney's Office ("SA0") is on pace to prosecute more criminal cases in FY2019. The SAO has disposed of 13,769 felony cases in Q1 and Q2, which is a $1.5 \%$ increase compared to FY2018. The SAO currently has a Felony Cases Closed Per Felony Cases Arraigned ratio of 1.5, meaning we are closing 3 cases for every 2 we open. One way the SAO has been able to create this case management efficiency is by increasing the rate of offenders pleading guilty. This is particularly true in unlawful use of a weapon (gun) cases. In the first 2 quarters of FY2019, the SAO has received 1,543 convictions on unlawful use of a weapon (gun) cases and are on track to increase the number of unlawful use of a weapon (gun) convictions by 9 percentage points overall for the year.

## OPERATIONAL OPPORTUNITIES: 2020 INITIATIVES AND GOALS

Expanded Gun Crimes Strategies Unit (GCSU): When this unit was created in 2017, prosecutors were placed in the two police districts with the highest rates of violent crime (the 7th and 10th Districts). These two districts with embedded GCSU prosecutors saw a dramatic 33\% decrease in shooting victims as compared to other districts without embedded prosecutors. As a result of this successful working relationship, law enforcement asked to expand the program, and GCSU is now in the 6th, 7th, 10th, 11th, and 15th Districts. We have recently committed to expanding into the 3rd District. Based on preliminary analysis of the data, it is believed that there is a further need for GCSU attorneys in additional locations, particularly in the south suburbs.

Expanded Expungement Unit.: As a result of the new legislation, an estimated hundreds of thousands of individuals will be eligible to have low-level marijuana possession charges expunged from their records. To ensure consistency and fairness, and to promote public safety, it is anticipated that the need to create a dedicated expungement unit to analyze petitions
