Independent Auditors' Report

To the Board of Commissioners Cook County, Illinois

Report on the Financial Statements

We have audited the accompanying statement of changes in assets and liabilities of agency fund of the Office of the Clerk of the Circuit Court of Cook County, Illinois (the "Clerk of the Court") as of and for the year ended November 30, 2019, and the related notes to the financial statement.

Management's Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the financial statement in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial statement based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statement. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statement in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statement referred to above presents fairly, in all material respects, the financial position and changes in financial position of the agency fund of the Clerk of the Circuit Court of Cook County, Illinois as of and for the year ended November 30, 2019 in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

We draw attention to Note 1, which describes that the statement of changes in assets and liabilities of agency fund presents only the agency fund of the Clerk of the Court and does not purport to, and does not, present fairly the financial position of Cook County, Illinois as of November 30, 2019 and the changes in its financial position for the year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis for the agency fund on pages 4 and 5 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statement, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures, to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the financial statement and other knowledge we obtained during our audit of the financial statement. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming an opinion on the statement of changes in assets and liabilities of agency fund. Report J Annual Financial Report and the Supplemental Schedules (Exhibits A-D) are presented for the purposes of additional analysis and are not a required part of the financial statement. Report J Annual Financial Report provides relevant information that is not provided by the agency fund financial statement, and is not intended to be a presentation in conformity with accounting principles generally accepted in the United States of America. Report J Annual Financial Report is based on guidelines of the Administrative Office of the Illinois Courts.

Report J Annual Financial Report and the Supplemental Schedules (Exhibits A-D) are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the financial statement. Report J Annual Financial Report (excluding Part II covering operating funds that are already audited as part of the county audit) and the Supplemental Schedules (Exhibits A-D) have been subjected to the auditing procedures applied in the audit of the financial statement and certain additional procedures,

including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or to the financial statement itself, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, Report J Annual Financial Report and the Supplemental Schedules (Exhibits A-D) are fairly stated in all material respects, in relation to the statement of changes in assets and liabilities of agency fund as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated May 28, 2020 on our consideration of the Clerk of the Court's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Clerk of the Court's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Clerk of the Court's internal control over financial reporting and compliance.

Management's Discussion and Analysis

November 30, 2019

Introduction

Management's discussion and analysis (MD&A) is a required element of the reporting model adopted by the Governmental Accounting Standards Board (GASB) in its Statement No. 34. The Office of the Clerk of the Circuit Court of Cook County (the "Clerk of the Court") discussion and analysis is designed to provide an overview of the Clerk of the Court's financial activity, assist the reader in focusing on significant financial issues, and identify individual fund issues and concerns.

Since this MD&A is designed to focus on current activities, resulting change, and current known facts, please read it in conjunction with the accompanying statement of changes in assets and liabilities of agency fund (pages 6-7), notes to statement of changes in assets and liabilities of agency fund (pages 8-10), Administrative Office of the Illinois Courts Annual Financial Report J (pages 11-26), supplemental schedules (pages 27-35), report on internal control over financial reporting and on compliance and other matters based on an audit of financial statements performed in accordance with *Government Auditing Standards* (pages 36-37), report of independent accountants' on compliance and on internal control over compliance (pages 38-40), schedule of findings (pages 41-42), and applicable legal requirements (pages 43-54).

Clerk of the Circuit Court Annual Single Independent Audit

The annual audit of the Clerk of the Court is mandated under Illinois law. Illinois Statute 705 ILCS 105/27.8 identifies the statutory audit and reporting requirements for this audit. The audit shall be completed in accordance with auditing standards generally accepted in the United States and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. The Administrative Office of the Illinois Courts shall disseminate auditing guidelines and applicable legal requirements to the County Boards and the Circuit Court Clerks to facilitate the annual audit process.

Required Financial Statements

The Clerk of the Court's accompanying Statement of Changes in Assets and Liabilities of Agency Fund is prepared on the accrual basis of accounting applicable to agency funds. The Clerk of the Court's accompanying Statement of Changes in Assets and Liabilities of Agency Fund as of November 30, 2019, is classified in accordance with state statute, as well as auditing guidelines and applicable legal requirements disseminated by the Administrative Office of the Illinois Courts.

Management's Discussion and Analysis (continued)

November 30, 2019

Financial Highlights

In fiscal years 2019 and 2018 the Clerk of the Court collected approximately \$139,000,000 and \$149,000,000 respectively, in statutory and court ordered fines, fees, penalties, costs, and assessments and distributed approximately \$135,000,000 and \$147,000,000 in 2019 and 2018 respectively, in statutory and court ordered fines, fees, penalties, costs, and assessments to Cook County, the State of Illinois, and other units of local government.

Requests for Information

This financial report is designed to provide a general overview of the Clerk of the Court's finances for all those with an interest in the Clerk of the Court's finances. Questions concerning any of the information provided in this report or requests for additional information should be addressed to the Chief Financial Officer, 50 West Washington, Room 1005, Chicago, Illinois 60602.

Office of the Clerk of the Circuit Court of Cook County, Illinois Notes to Statement of Changes in Assets and Liabilities of Agency Fund November 30, 2019

1. Summary of Significant Accounting Policies

Reporting Entity

The Office of the Clerk of the Circuit Court of Cook County, Illinois (the "Clerk of the Court") is administered by a countywide elected official. The Clerk of the Court is responsible for administrating the courts of Cook County. The operations of the Clerk of the Court are considered part of the Cook County financial reporting entity. The Clerk of the Court does not have any component units; however, the Clerk of the Court is a component unit of Cook County.

Basis of Presentation

The accompanying statement of changes in assets and liabilities of agency fund (the financial statement) has been prepared on the accrual basis of accounting (Revenues are recognized when earned and expenses are recognized when incurred) applicable to agency funds subject to statutory requirements as described in Note 3. Increases and decreases to account balances presented on the statement of changes in assets and liabilities of agency fund are not equivalent to receipts and disbursements.

The financial statement presents only the agency fund of the Clerk of the Court and is not intended to present fairly the financial position of Cook County, Illinois, in conformity with accounting principles generally accepted in the United States.

Investments

The Clerk of the Court measures investments in nonnegotiable certificates of deposit at cost. Money market investments with maturities of one year or less at time of purchase are measured at amortized cost. Other investments are measured at fair value based on quoted market prices.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities and changes therein. Actual results could differ from those estimates.

Notes to Statement of Changes in Assets and Liabilities of Agency Fund

November 30, 2019

1. Summary of Significant Accounting Policies (continued)

Classification of Liabilities

Fees earned but not collected are recorded in liability control accounts. At the time these fees are collected, the Clerk of Court reclassifies these balances as due to the corresponding governmental entity by fee category.

2. Cash and Investments

The Clerk of the Court is authorized by Illinois State Statutes to invest in interest-bearing savings accounts, interest-bearing certificates of deposit or interest-bearing time deposits, United States Treasury securities, and various tax-exempt municipal securities.

Custodial Credit Risk – Cash and Certificates of Deposit.

Cash and Certificates of deposit with the Clerk of the Court's various depositories were \$88,010,168 and \$37,135,961 respectively, for a combined total of \$125,146,129 at November 30, 2019. The Clerk of the Court also held \$11,610 in change funds. The related bank balance (including certificates of deposit) was \$134,346,572. Of the bank balance, 100 percent was either insured or collateralized with securities held by the Clerk of the Court's agents in the Clerk of the Court's name.

The Clerk of the Court's cash and certificates of deposit are not sensitive to credit risk, concentration of credit risk, interest rate risk, or foreign currency risk. The Clerk of the Court limits its investment activities to nonnegotiable certificates of deposit.

3. Items Held in Safekeeping

The Clerk of the Court is directed by court order to accept and hold in safekeeping assets received by the court as part of the case hearing process. Assets held in safekeeping include stock certificates, certificates of deposit, letters of credit, insurance policies and other documents accepted by the court. The court order includes a description and the value of the asset. The Clerk of the Court records the asset and corresponding liability on the statement of changes in assets and liabilities at the value stated by the court. The value of assets may change from time to time due to market conditions or expiration of the asset. The Clerk of the Court does not have legal authority to adjust the value of the assets.

Notes to Statement of Changes in Assets and Liabilities of Agency Fund

November 30, 2019

4. Allowance for Uncollectible Receivables

Accounts receivable represent amounts owed to the Clerk of the Court for fees and costs and amounts due from others. The Clerk of the Court evaluates the collectability of accounts receivable based on the length of time the receivable is outstanding, the payor category and historical experience. Accounts receivable that are deemed uncollectible are charged against the allowance for uncollectible accounts. As of November 30, 2019, the provision for uncollectible accounts totaled \$3,030,505.

5. Contingent Liabilities

From time to time the Clerk of the Court may be involved in various litigations relating to claims of collections and or disputed Clerk fees. As of November 30, 2019, the Clerk of the Court estimates probable losses from claims of disputed fees collected at \$5,218,200 including attorney's fees.

The Cook County's Self Insurance Fund, a sub-fund of the County's General Fund, is used to account for certain risk financing activities of the County. The Clerk of the Court confirmed with Cook County Management that the County's Self-Insurance Fund is responsible for covering the above described claims. Based on the foregoing, the Clerk of the Court will not accrue a liability for probable loss on the Statement of Changes in Assets and Liabilities. As of November 30, 2018, the Clerk of the Court had accrued a contingent liability of \$1,500,000 for related claims which has since been reversed based on the above.

Report J is required by the State of Illinois Administrative Office of the Illinois Courts Reporting Requirements

Independent Auditors' Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance With *Government Auditing Standards*

To the Board of Commissioners Cook County, Illinois

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the statement of changes in assets and liabilities of agency fund of the Office of the Clerk of the Circuit Court of Cook County, Illinois (the "Clerk of the Court") as of and for the year ended November 30, 2019, and the related notes to the financial statement and have issued our report thereon dated May 28, 2020.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statement, we considered the Clerk of the Court's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statement, but not for the purpose of expressing an opinion on the effectiveness of the Clerk of the Court's internal control. Accordingly, we do not express an opinion on the effectiveness of the Clerk of the Court's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statement will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Clerk of the Court's statement of changes in assets and liabilities of agency fund is free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

Delo of Renteria

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Clerk of the Court's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Clerk of the Court's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Chicago, Illinois May 28, 2020

Independent Accountants' Report on Compliance and on Internal Control Over Compliance

To the Board of Commissioners Cook County, Illinois

Compliance

We have examined the Office of the Clerk's of the Circuit Court of Cook County, Illinois (the "Clerk of the Court") compliance with the requirements listed below during the year ended November 30, 2019. The Clerk of the Court's management is responsible for compliance with these requirements. Our responsibility is to express an opinion on the Clerk of the Court's compliance based on our examination.

- A. The Clerk of the Court has properly assessed fines, fees, costs, penalties, and judgments in accordance with the purpose authorized by law.
- B. The Clerk of the Court has properly distributed fines, fees, costs, penalties, and judgments in accordance with the purpose authorized by law.
- C. The Clerk of the Court has timely assessed and distributed monies in accordance with the purpose authorized by law.
- D. The Clerk of the Court has complied, in all material respects, with applicable laws and regulations in its financial and fiscal operations.
- E. The Clerk of the Court has properly and legally administered money or negotiable securities or similar assets and the accounting and recordkeeping relating thereto has been proper, accurate, and in accordance with the law.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants; the standards applicable to attestation engagements contained in *Government Auditing Standards* issued by the Comptroller General of the United States; the annual audit requirements included in the Clerks of the Courts Act (Act); and the Circuit Clerk Audit Guidelines as noted by the Act. Those standards, the Act and the Circuit Clerk Audit Guidelines require that we plan and perform the examination to obtain reasonable assurance about whether the Clerk of the Court complied, in all material respects, with the specified requirements listed above. An examination involves performing procedures to obtain evidence about whether the Clerk of the Court complied with the specified requirements listed above. The nature, timing and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our

opinion. Our examination does not provide a legal determination on the Clerk of the Court's compliance with specified requirements.

In our opinion, the Clerk of the Court complied, in all material respects, with the compliance requirements listed in the first paragraph of this report during the year ended November 30, 2019. However, the results of our procedures disclosed an instance of noncompliance with the requirements, which is required to be reported in accordance with the annual audit requirements of the Clerks of the Courts Act and the Circuit Clerk Audit Guidelines as noted by the Act and which is described in the accompanying schedule of findings as item 2019-01.

The Clerk of the Court's response to the finding identified in our examination is described in the accompanying schedule of findings. The Clerk of the Court's response was not subjected to the procedures applied in the compliance examination and, accordingly, we express no opinion on the response.

The purpose of this report on compliance is solely to describe the scope of our testing and the results of that testing in accordance with the requirements of the annual audit requirements included in the Clerks of the Courts Act and the Circuit Clerk Audit Guidelines as noted by the Act. Accordingly, this report is not suitable for any other purpose.

Internal Control

Management of the Clerk of the Court is responsible for establishing and maintaining effective internal control over compliance with the requirements listed in the first paragraph of this report. In planning and performing our examination, we considered the Clerk of the Court's internal control over compliance with the requirements listed in the first paragraph of this report in order to determine our examination procedures that are appropriate in the circumstances for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with the annual audit requirements included in the Clerks of the Courts Act and the Circuit Clerk Audit Guidelines as noted by the Act, but not for the purpose of expressing an opinion on the effectiveness of the Clerk of the Court's internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Clerk of the Court's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with the requirements listed in the first paragraph of this report on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance such that there is a reasonable possibility that material noncompliance with a requirement listed in the first paragraph of this report will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over

compliance that might be material weaknesses or significant deficiencies and therefore material weaknesses or significant deficiencies may exist that have not been identified. We did identify a deficiency in internal control over compliance, as described in the accompanying schedule of findings as item 2019-01, that we consider to be a material weakness.

The Clerk of the Court's response to the internal control over compliance finding identified in our examination is described in the accompanying schedule of findings. The Clerk of the Court's response was not subjected to the procedures applied in the compliance examination and, accordingly, we express no opinion on the response.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Clerks of the Courts Act and the Clerk of the Courts Audit Guidelines as noted by the Act. Accordingly, this report is not suitable for any other purpose.

Chicago, Illinois May 28, 2020

Shado of Renteria

Schedule of Findings

Year Ended November 30, 2019

2019-01 Distribution of Traffic Fees, Fines, Penalties and Court Costs

Condition

The Clerk of the Circuit Court (the "Clerk of the Court") did not distribute all traffic fees, fines, penalties and court costs collected during the period from July 1, 2019 through November 30, 2019, in a timely manner as prescribed by the Illinois Clerks of Courts Act.

As of November 30, 2019, \$3.84 million of traffic fees, fines, penalties and court costs collected by the Clerk of the Court have not been disbursed in accordance with state regulation.

Context

The Clerk of the Court collects and distributes an average of \$146.0 million of fees, fines, penalties and court costs on an annual basis related to various types of cases filed in the Circuit Court of Cook County. The \$3.84 million of traffic case collections pending distribution represent 2.6% of average annual distributions.

Criteria

Compliance

The Illinois Clerks of Courts Act [710 ILCS 105/27.1b Circuit court clerk fees] requires that fees charged by the clerks of the circuit court be disbursed by each clerk on a monthly basis.

Internal Controls

A strong system of internal controls over compliance provides for effective planning and timely execution of planned actions to ensure compliance with new or revised regulatory requirements.

Cause

The State of Illinois' Criminal and Traffic Assessment Act [705 ILCS 135] (the "Act"), effective July 1, 2019, reorganized and standardized, among other, Traffic fines, fees, penalties and court costs assessed and collected by clerks of the circuit courts.

The Clerk of Court relies on its Traffic Records Information Management System (TRIMS), an internally developed and maintained system, to assess, collect and calculate distribution amounts due to various government entities for traffic cases. The Clerk of the Court completed TRIMS system programming for assessment and collection of fees prior to July 1, 2019. System programming for calculation of distribution amounts is still in progress.

Schedule of Findings

Year Ended November 30, 2019

Effect

The Clerk of the Circuit Court is not in compliance with Illinois Compiled Statutes. In addition, complete fee distribution to designated recipients has been delayed limiting their access to those funds.

Recommendations

We recommend that the Clerk of the Circuit Court strengthen controls over funds distribution when, due to new and or revised state statutes, internal systems require reprogramming of fund distribution allocations. We also recommend that management develop a plan of action to complete system programming of distributions and remittances of past due distributions.

Management's Response

The Clerk of the Court has distributed an estimated amount to municipalities since July 1, 2019, in anticipation of the completion of the fee distribution reprogramming. The reprogramming was delayed due to a shortage of programmers for the TRIMS system. The Clerk of the Court has developed a new plan to complete all distributions by September 30, 2020. Programmers who were involved with the new Case Management implementation have completed some of those tasks and are now in a position to focus on the fee distribution reprogramming.

Management will submit a written notification with the next distribution payout to all impacted government entities to inform them that they are receiving an estimated payment, and future amounts will be adjusted, as needed.

Applicable Legal Requirements Under 705 ILCS 105/27.8
