- ~~(5) Followed up initial contacts of PCEs to determine if they are interested participating in the Procurement;~~
- ~~(6) Negotiated in good faith and on a timely basis with PCEs to enable them to participate in the Procurement. Evidence of such negotiation includes the names, addresses, and telephone numbers of PCEs that were contacted; a description of the information provided regarding the plans and specifications for the work selected for subcontracting; and why agreements could not be reached. The Contractor may not reject PCEs as being unqualified without sound reasons. That there may be some additional costs involved in finding and using PCEs is not in itself sufficient reason for a Contractor's failure to meet the Goals, as long as such costs are reasonable;~~
- ~~(7) Made efforts to assist interested PCEs in obtaining necessary equipment, supplies, materials, or related assistance or services, where appropriate; provided, however, that such efforts shall not be inconsistent with the requirement that the PCE be responsible for actually obtaining and paying for such items;~~
- ~~(8) Established delivery schedules which will encourage participation by PCEs, where the requirements of the Procurement permit;~~
- ~~(9) Used the services and assistance of the CCD's staff, the Small Business Administration, the Office of Minority Business Enterprises of the U.S. Department of Commerce;~~
- ~~(10) Timely notified appropriate community and minority and women's business organizations identified as assist agencies of the opportunity for participation in the Procurement;~~

- ~~(11) Maintains or commits to establish and maintain a mentor protégé agreement with one or more PCEs that is enforceable and that, in the judgment of the CCD, has performance standards and outcomes that are clearly established and effective in terms of assisting the PCE in acquiring additional skills, experience, and relationships helpful to the long term success of the PCE, consistent with the provisions of Section 34-271(d).~~

BE IT ORDAINED, by the Cook County Board of Commissioners, Chapter 34 - Finance, Article IV - Procurement, Division 8 - Minority and Woman-Owned Business Enterprises, Section 34-297 - Contract Pre-Award Compliance Procedures is hereby amended as follows:

Sec. 34-297. - Contract Pre-Award Compliance Procedures.

- (a) For all solicitations, the ~~bidding/proposer~~ Contractor, Person, or Business shall submit a Utilization Plan detailing all subcontractors from which the Contractor, Person, or Business solicited bids or quotations, and if Project Specific Goals have been established, its achievement of the Goals or its Good Faith Efforts to do so. The Utilization Plan shall be due at the time the bid/proposal is due. Any Contractor, Person, or Business requesting a partial or full waiver shall submit a Good Faith Effort Transparency Report with its Utilization Plan when the Utilization Plan is due. In the event a bid or proposal leads to a Contract with the County, the Utilization Plan as approved, and any Good Faith Effort Transparency Report as approved and applicable, by the CCD shall be incorporated as a material commitment on the part of the Contractor, Person, or Business to each relevant PCE, and the ~~contractor~~ Contractor, Person, or Business, and the County. Failure to include a Utilization Plan, and Good Faith Effort Transparency Report, where applicable, shall render the bid or proposal not Responsive.
- (b) Any agreement between a ~~contractor~~ Contractor, Person, or Business and a PCE in which the Contractor requires that the PCE not provide subcontracting quotations to other Contractors is prohibited.
- (c) Where the ~~contractor~~ Contractor, Person, or Business cannot achieve the Project Specific Goal(s), the CCD will determine whether the Contractor, Person, or Business has made Good Faith Efforts to meet the Goal(s), based upon the submission of a Good Faith Effort Transparency Report by the bidding Contractor, Person, or Business and consideration of additional factors by the CCD, pursuant to Sections 34-281 and 34-282. ~~Parties A Contractor, Person, or Business submitting bids or proposals for Procurements may in all instances request a partial or full waiver of one or more established Project Specific Goal for PCE participation. In making this determination, the Director will consider, at a minimum, whether the Contractor has:~~ the Good Faith Effort Transparency Report, pursuant to Section 34-281 and additional factors, pursuant to Section 34-282.
- ~~(1) Solicited through all reasonable and available means (e.g., attendance at pre-bid meetings, advertising and written notices) the interest of all PCEs certified in the scopes of work of the contract. The Contractor shall provide interested PCEs with timely, adequate information about the plans, specifications, and requirements of the contract to allow PCEs to respond to the solicitation. The Contractor must follow up initial solicitations with interested PCEs.~~

- ~~(2) Selected portions of the work to be performed by PCEs in order to increase the likelihood that the Project Specific Goals will be achieved. This includes, where appropriate, breaking out contract work items into economically feasible units to facilitate PCE participation, even when the Contractor would otherwise prefer to perform these work items with its own forces. It is the Contractor's responsibility to make a portion of the work available to PCEs and to select those portions of the work or material needs consistent with the availability of PCEs to facilitate their participation.~~
 - ~~(3) Negotiated in good faith with interested PCEs. Evidence of such negotiation includes the names, addresses, and telephone numbers of PCEs that were contacted; a description of the information provided regarding the plans and specifications for the work selected for subcontracting; and why agreements could not be reached with PCEs. The Contractor may not reject PCEs as being unqualified without sound reasons based on a thorough investigation of their capabilities. That there may be some additional costs involved in finding and using PCEs is not in itself sufficient reason for a Contractor's failure to meet the Project Specific Goals, as long as such costs are reasonable. The ability or desire of a Contractor to perform the work of a contract with its own organization does not relieve it of the responsibility to make Good Faith Efforts on all scopes of work that could be subcontracted.~~
 - ~~(4) Made efforts to assist interested PCEs in obtaining bonding, lines of credit, or insurance as required by the County or the prime Contractor, where appropriate.~~
 - ~~(5) Made efforts to assist interested PCEs in obtaining necessary equipment, supplies, materials, or related assistance or services, where appropriate.~~
 - ~~(6) Used the services of the Office of Contract Compliance, available minority/women community organizations, minority/women contractors' groups, government sponsored minority/women business assistance offices and other appropriate organizations to provide assistance in the recruitment and placement of PCEs.~~
 - ~~(7) Maintains or commits to establish and maintain a mentor protégé agreement with one or more PCEs that is enforceable and that, in the judgement of the CCD, has performance standards and outcomes that are clearly established and effective in terms of assisting the PCE in acquiring additional skills, experience, and relationships helpful to the long term success of the PCE consistent with the provisions of Section 34-271(d).~~
- (d) In determining whether a Contractor, Person, or Business has made Good Faith Efforts, the performance of other Contractors, Persons, or Businesses in meeting the Project Specific Goals may be considered. For example, when the apparent successful Contractor, Person, or Business fails to meet the Project Specific Goals but others meet it, it may be reasonably questioned whether, with additional reasonable efforts, the apparent successful Contractor, Person, or Business could have met the Project Specific Goals. Similarly, if the apparent successful Contractor, Person, or Business fails to meet the Project Specific Goals, but meets or exceeds the average PCE participation obtained by other Contractors, Persons, or Businesses, this may be evidence that the apparent successful Contractor, Person, or Business made Good Faith Efforts.

- (e) A signed letter of intent from each listed PCE, describing the work, materials, equipment or services to be performed or provided by the PCE and the agreed upon dollar value shall be due at the time of bid proposal or within three days after such submission.
- (f) The CCD shall timely review the Utilization Plan before award, including the scope of work and the letters of intent from PCEs. The CCD may request clarification in writing of items listed in the Utilization Plan, provided such clarification shall not include the opportunity to augment listed participation or ~~Good Faith Efforts~~ augment or modify any Good Faith Effort Transparency Report.
- (g) If the CCD determines that the Utilization Plan demonstrates that the Project Specific Goals have been achieved or accepts the Good Faith Efforts Transparency Report submitted, made, with the concurrence of the User Agency, the CCD and User Agency shall recommend award to Purchasing Agent. The CCD must issue a report to the Board pursuant to Section 34-283 upon acceptance of the Contractor's Good Faith Effort Transparency Report no later than one week prior to the Board meeting where the Contract seeks approval by the Board.
- (h) If the CCD ~~finds that a~~ rejects the Contractor's Contractor, Person, or Business' ~~did not make sufficient~~ Good Faith Efforts-Transparency Report, the CCD shall communicate this finding to the Purchasing Department and recommend that the bid/proposal be rejected. A Contractor may protest this determination pursuant to the County's bid protest procedures.

AN AMENDMENT TO CHAPTER 74, ARTICLE II, REAL PROPERTY TAXATION

WHEREAS, vacant properties can devastate a neighborhood and block, undermine neighbors' quality of life, and diminish the value of nearby properties; and

WHEREAS, they also cause severe fiscal damage to local governments, reducing local tax revenues while costing cities millions for policing, cleaning vacant lots, and demolishing derelict buildings; and

WHEREAS, most vacant buildings and houses are well maintained, but many are not and thousands can sit empty for years, abandoned by their owners, deteriorating to the point where they cannot be reused without major rehabilitation with many ultimately demolished, leaving vacant lots in their place; and

WHEREAS, besides their impact on social and economic conditions, vacant, abandoned properties have a devastating effect on the fiscal condition of their cities, towns, and counties; and

WHEREAS, not only do they pay little in property taxes and generate little revenue for the city or county when sold at tax sales, but they further reduce property tax collections by millions of dollars by devaluing neighboring properties;

NOW THEREFORE, BE IT ORDAINED, by the Cook County Board of Commissioners, that Chapter 74 - Taxation, Article II - Real Property Taxation, Division 2 - Classification System for Assessment, Section 74-73, of the Cook County Code is hereby amended as follows:

Sec. 74-73. - Suspension, Revocation or cancellation of incentive classification.

(a) The following Incentive Classifications are subject to suspension, revocation or cancellation herein pursuant the provisions of this section: Class 6b; Class 6b (special circumstances); Class 6b TEERM; Class 6b SER; Class 7a; Class 7b; Class 7c; Class 8; and Class 8 TEERM.

(b) The incentive may be suspended, revoked, or cancelled by the Assessor under the following circumstances:

- (1) By rule, as provided by the Assessor;
- (2) By the County Board by Resolution or Ordinance, which is based on a report from the Bureau of Economic Development that has been approved by the Economic Development Advisory Committee of the County;
- (3) By the County Board by Resolution or Ordinance at the request of the Municipality by submission of a Municipal Resolution or Ordinance;
- (4) By request of the taxpayer to cancel;
- (5) Beginning in the 2019 assessment year and for all subsequent assessment years, upon application of the municipality in which a property is located finding that the owner (s), which has received a reduction in its assessed valuation due to receiving a property tax incentive as classified in Sec. 74-73 (a) for two consecutive tax years and has not provided evidence to the municipality that the owner has progressed in the leasing, development or sale of the property as contemplated in the incentive classification application submitted by the owner (s), the Assessor may suspend the property tax incentive relating to the property for a period not to exceed two years, subject to a subsequent application to the Assessor by the owner (s) of said property to restore the incentive, which application is supported by documentation of development or occupancy. After a period of two years from the date of such suspension, if said restoration application by the owner (s) is not received, the property tax incentive shall be revoked.

(c) A basis for revocation pursuant to Section 74-73(b)(2) or (b)(3) above includes, but is not limited to, the following:

- (1) Failure to comply with the requirements of Section 74-71 or 74-72;
- (2) Delinquency in the payment of any property taxes administered by Cook County or by a local municipality; or

- (3) Inaccuracies or omissions in documents submitted by the taxpayer, including, but not limited to, the application and the Economic Disclosure Statement.

(d) During such period as the Incentive Classification is suspended, the Assessor shall treat the subject property as a Class 5 property for any tax year in which the suspension is in effect.

In case of revocation or cancellation, the Incentive Classification shall be deemed null and void for the tax year in which the incentive was revoked or cancelled as to the subject property. In such an instance, the taxpayer shall be liable for and shall reimburse to the County Collector an amount equal to the difference in the amount of taxes that would have been collected had the subject property been assessed as a Class 5 property and the amount of taxes collected under the Incentive Classification as determined by the Assessor.

Effective Date: This Ordinance Amendment shall be effective upon passage.

A motion was made by Commissioner Anaya, seconded by Commissioner Moore, that the Proposed Ordinance Amendment be deferred. The motion carried.

PROPOSED RESOLUTION**REQUESTING A HEARING OF THE TECHNOLOGY AND INNOVATION COMMITTEE TO DISCUSS THE FEASIBILITY AND EFFICACY OF VOLUNTARY REMOTE COURT APPEARANCES**

WHEREAS, audio and video appearances in courtrooms offer an enormous potential for savings, revenue generation, environmental benefits, improved safety and remote access to justice which promotes the administration of justice and equity in the courtroom; and

WHEREAS, remote court appearances allow attorneys and the public to appear in court for routine matters involving Civil, Criminal, Family, Probate, Mental Health, Traffic, Juvenile, Bankruptcy and other proceedings without leaving their homes or offices; and

WHEREAS, in 2016, In its *Call to Action: Achieving Civil Justice for All*, the Conference of Chief Justices' Civil Justice Improvement Committee set forth a convincing series of findings and recommendations, which among them was the promotion of remote audio and video services for court hearings and management; and

WHEREAS, the Center for Legal and Court Technology, a non-profit research organization that improves the administration of Justice through the use of technology, progressively encourages the utilization of remote and video court appearances throughout the United States to enhance the efficiency of judicial administration and court proceedings for both attorney's and the public; and

WHEREAS, in 1992, the Supreme Court of Illinois adopted rule 185 to allow for telephonic appearances in certain civil proceedings; and in 2017, the Supreme Court of Illinois amended its rules to also allow for remote video conferences; and

WHEREAS, in Los Angeles Superior Court a system with approximately 494 judicial officers and comparable to the Cook County Circuit Court, over 200 of those judicial officers allow for remote court appearances with a volume of over 83,000 appearances in 2018; moreover, approximately \$4.6 million in revenue over a three-year period attributable to remote court appearances in Los Angeles was generated; and

WHEREAS, in Illinois, approximately 20 counties spread over 12 Judicial Circuits utilize some form of audio and video remote appearances with approximately 4,516 remote appearance being completed in 2018; more particularly, the following “Collar” county courts use remote court appearance technology: the 16th Judicial Circuit - Kane County 3,305 appearances since 11/2011, the 18th Judicial Circuit Court - DuPage County 1,379 since 9/2014, the 19th Judicial Circuit - Lake County 1,456 since 6/2016 and the 22nd Judicial Circuit - McHenry County 2,280 since 4/2014; and

WHEREAS, Cook County has been and continues to be a leader in technology through strategic Countywide initiatives and collaboration with elected offices; thus, our existing applications and resources will allow for a seamless integration of our existing technology platforms with audio and video remote appearances; and

WHEREAS, the use of video and audio remote court appearances has the potential to offer key benefits to the public, such as cost savings on attorney fees for lower-income citizens, increasing pro bono assistance, availability of court interpreters, travel costs and work absences associated with attending a court hearing can deter self-represented litigants from effectively pursuing or defending their legal rights, thereby further promoting access to justice in courts.

NOW, THEREFORE, BE IT RESOLVED, that the Cook County Board of Commissioners does hereby request a hearing of the Technology and Innovation Committee be convened to review and discuss the potential feasibility, application, and access to justice that remote court appearances may have in Cook County courtrooms; and

BE IT FURTHER RESOLVED, that a representative from the Chief Judge’s Office, Court of Clerk’s Office, and Cook County Bureau of Technology appear before the Committee and be prepared to update the committee on the feasibility and efficacy of remote court appearances.

A motion was made by Commissioner Tobolski, seconded by Commissioner S. Morrison, that the Proposed Resolution be deferred. The motion carried.

**HUMAN RELATIONS COMMITTEE
MEETING OF MARCH 19, 2019**

**19-1971
RESOLUTION**

Sponsored by

**THE HONORABLE ALMA ANAYA, PRESIDENT TONI PRECKWINKLE, DENNIS DEER,
KEVIN B. MORRISON, DONNA MILLER, DEBORAH SIMS AND LARRY SUFFREDIN,
COUNTY COMMISSIONERS**

**URGING THE UNITED STATES CONGRESS TO PROVIDE EMERGENCY LEGISLATION
TO PREVENT THE DEPORTATION OF RECIPIENTS OF
DEFERRED ACTION FOR CHILDHOOD ARRIVALS (DACA) AND
TEMPORARY PROTECTED STATUS (TPS) TO STABILIZE THE ECONOMIC AND
SOCIO-EMOTIONAL WELL-BEING OF IMPACTED YOUTH AND THEIR FAMILIES**

WHEREAS, the separation of children from their parents is a violation of the human rights; and

WHEREAS, the rights of children should be protected so that they stay with their families; this is a core value of the democratic ideals of this country; and

WHEREAS, the current situation is forcing many United States citizen children to leave their communities and struggle to begin anew in their parents' countries of origin. Often, they are placed in situations in which their rights as United States citizens are denied as well as their universal rights as children; and

WHEREAS, the five (5) million United States citizen children and two (2) million children brought to this nation as infants, and raised here among United States citizens, should not be deprived of the sacred right to family and parental guidance and support upon unnecessary separation; and

WHEREAS, President Obama issued executive orders which provided the deferral of deportation and the provision of work authorization for undocumented individuals brought to this country as minors and further established the practice of prosecutorial discretion to defer deportations until the Congress could arrive at a permanent solution; and

WHEREAS, in spite of the continuing threat of injustice to children, the current administration has cancelled those practices without Congress having established any alternative; and

WHEREAS, these provisions represented a just and much needed temporary relief and should be maintained by act of Congress; and

WHEREAS, the children of those undocumented individuals are being forced every day to endure the unimaginable pain and damage of family separation or deportation; and

WHEREAS, parents with United States citizen children who were given protected status through prosecutorial discretion and who reported regularly to Immigration and Customs Enforcement (ICE) as they were required were among the first to be deported under this administration; and

WHEREAS, there has been a 250% increase over the last year in deportations of those with no criminal records, most of which have families and children, with the likelihood that these numbers will continue to increase; and

WHEREAS, at least 325,000 Salvadorans, Nicaraguans, Hondurans, and Haitians have lived in this country for many years and have established families with 273,000 United States born citizen children, as well as other children brought here at an early age who have known no other country, now face the cancellation of TPS and are being deported; and

WHEREAS, the psychological, educational, health, and economic effects of separation from their parents have long-term effects on a child's quality-of-life.

NOW, THEREFORE, BE IT RESOLVED, the Cook County Board President and the Cook County Board of Commissioners resolve this day that Congress should pass legislation that provides the right to visas for the undocumented parents of United States citizen children or DACA eligible children, and of TPS-recipient parents with United States citizen children or DACA-eligible children; and

BE IT FURTHER RESOLVED, that these Visas should be renewable every three (3) years on proof of the continued verification of the original conditions of issue; and

BE IT FURTHER RESOLVED, that the Cook County Board of Commissioners urge our congressional representatives to pass such legislation with all deliberate speed to immediately stop this violation of the human rights of children and their rights as United States citizens.

Approved and adopted this 21st of March 2019.

Exhibit A
FIRST AMENDMENT TO REVOLVING CREDIT AGREEMENT

THIS FIRST AMENDMENT TO REVOLVING CREDIT AGREEMENT (this “*Amendment*”) is dated as of February __, 2019 (the “*Amendment Effective Date*”), between THE COUNTY OF COOK, ILLINOIS, a body politic and corporate and home rule unit of the State of Illinois (the “*County*”) and BMO HARRIS BANK N.A., a national banking association (the “*Lender*”).

RECITALS:

A. The Lender and the County are parties to that certain Revolving Credit Agreement dated as of February 25, 2016 (as amended, the “*Agreement*”);

B. The County has requested the Lender to amend certain provisions of the Agreement as set forth herein; and

C. The Lender has agreed to amend certain provisions of the Agreement, subject to the terms and conditions set forth herein.

NOW, THEREFORE, the parties hereto hereby agree as follows:

1. *Definitions.* Unless otherwise specified herein, all capitalized terms used herein shall have the meanings specified in the Agreement.

2. *Amendments to the Agreement.* Effective as of the date hereof, in accordance with Section 4 hereof, the Agreement shall be amended as follows:

2.1. The chart set forth within the defined term “Applicable Rate” shall be amended and restated as follows:

LEVEL	FITCH RATING	S&P RATING	MOODY’S RATING	APPLICABLE RATE
Level 1	A or above	A or above	A2 or above	0.80%
Level 2	A-	A-	A3	0.95%
Level 3	BBB+	BBB+	Baa1	1.20%
Level 4	BBB	BBB	Baa2	1.45%

2.2. The definition of “Commitment Termination Date” shall be amended and restated in its entirety as follows:

“Commitment Termination Date” means the earliest of:

- (a) April 25, 2019, or such later date as may be established pursuant to Section 2.11 hereof; and
- (b) the date the Commitment is reduced to zero pursuant to Section 2.04 or Section 7.02 hereof.

2.3. The definition of “LIBOR Quoted Rate” is hereby amended by adding the following language at the end thereof:

If the LIBOR Quoted Rate is not available at such time for any reason, then the rate for such day will be determined by such comparable alternate method designed to measure interest rates in a similar manner, as selected by the Lender. In order to account for the relationship of the replacement index to the original LIBOR Quoted Rate, an additional spread will be taken into account in the replacement rate as is necessary to ensure that such alternate method will measure interest rates in a manner similar to the original LIBOR Quoted Rate. Any successor rate or alternate methodology must be an interest-based index, variations in the value of which can reasonably be expected to measure contemporaneous variations in the cost of newly borrowed funds in United States dollars. The Lender shall consult with the County prior to establishing any alternate or successor rate.

2.4. Article IV of the Agreement shall be amended by adding the following as Section 4.04 thereof:

Section 4.04. Conditions to Borrowing after Amendment Effective Date. The obligation of the Lender to honor any Request for Drawing from and after the Amendment Effective Date is subject to the conditions set forth in Section 4.02 of this Agreement and delivery by the County of an Ordinance approved by the County’s Board of Commissioners approving the execution, delivery and performance of the First Amendment to Revolving Credit Agreement between the Lender and the County.

3. *Representations and Warranties.* To induce the Lender to enter into this Amendment, the County represents and warrants as follows:

3.1. *Incorporation of Representations and Warranties from the Agreement.* The representations and warranties of the County contained in the Agreement and each of the Loan Documents are true and correct in all material respects at and as of the date hereof (except to the extent specifically made with regard to a particular date in which case such representations and warranties shall be true and correct as of such date).

3.2. *Absence of Default.* After giving effect to this Amendment, no Default or Event of Default with respect to the Agreement will exist or will be continuing.

3.3. *Power and Authority.* The County has the requisite corporate power and authority to execute, deliver and perform the terms and provisions of this Amendment and the

Agreement, as amended hereby, and has taken all necessary action to authorize the execution, delivery and performance by it of this Amendment and the Agreement as amended hereby.

3.4. *Binding Obligation.* This Amendment has been duly executed and delivered by the County and the Agreement, as amended hereby, constitutes the legal, valid and binding obligation of the County, enforceable against it in accordance with its terms, except as the enforcement thereof may be subject to the effect of any applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally and general principles of equity (regardless of whether enforcement is sought in equity or at law).

4. *Conditions Precedent.* This Amendment shall be deemed effective as of the Amendment Effective Date subject to the satisfaction of or waiver by the Lender of all of the following conditions precedent:

4.1. Delivery by the County of an executed counterpart of this Amendment and an amendment to the Note.

4.2. Payment by the County on the date hereof of the reasonable legal fees and expenses of counsel to the Lender.

4.3. An incumbency certificate for the authorized signer of this Amendment.

(b) For nonstandard documents, the fees imposed by Section 55 ILCS 5/3-5018 and/or Section 55 ILCS 5/4-12002 shall remain in effect.

(c) As defined by 55 ILCS 5/4-12002.1(a), “nonstandard document” means:

(d) As defined by 55 ILCS 5/4-12002.1(a), “standard document” means any document other than a nonstandard document.

(f) Pursuant to 55 ILCS 5/4-12002.1(b), the predictable fee schedule takes effect 60 days after this ordinance is adopted.

URGING THE ILLINOIS GENERAL ASSEMBLY TO SUPPORT ASSESSMENT REFORM

WHEREAS, analyses revealed that Cook County's unique property tax system created an inaccurate system that lacks transparency; and

WHEREAS, analyses have revealed that the hardest hit by said system were people of color and owners of lower-priced properties such as those located in the South Suburbs; and

WHEREAS, property tax reform, including as it relates to accurate assessment of property is vital to creating a fair and transparent system as well as fostering economic development throughout Cook County; and

WHEREAS, using improved data will help eliminate uncertainty and hidden costs in the current system, which deter institutional investment and hurt our economy; and

WHEREAS, utilizing transparent assessment methodology and better data will make it easier for institutions to invest in less familiar asset classes and neighborhoods, giving a stimulus to places that need it most; and

WHEREAS, international assessment standards recommend assessors employs the traditional three approaches to value, which are cost, market/sales comparison and income, and while each approach has its own unique characteristics, their goal is to utilize the most appropriate approach for the specific property to arrive at its most accurate true cash value or usual selling price on an annual basis; and

WHEREAS, by collecting income and expense data up front on an anonymized and bulk basis the Cook County Assessor's modeling and valuations teams will be able to take current market rents, vacancy rates, and trends into account, to deliver fair, accurate and transparent assessments; and

WHEREAS, the Illinois General Assembly is currently considering legislation (HB2217) sponsored by Representative William Davis and (SB1379) sponsored by Senator Toi Hutchinson to enable Assessors including the Cook County Assessor to collect relevant data to properly determine said values; and

WHEREAS, in Cook County, HB2217/SB1379 provides that taxpayers of income producing property shall submit income and expense data related to the property annually to the chief county assessment officer, further it provides that when determining the value of property for assessment purposes, the assessor may consider all relevant information pertaining to the fair cash value of the property, including,

but not limited to, income and expense data, sales data, property characteristics data, construction cost data, appraisals, and other valuation information; and

WHEREAS, it is imperative to have the proper tools in place to achieve assessment accuracy, fairness and transparency; and

WHEREAS, the income and expense data contemplated in HB2217/SB1379 are consistent with information the Cook County Board of Review requires via Rule 21, which is already in place; and

WHEREAS, it is in the best interest of this Honorable Body to support efforts to create a fair and transparent property tax assessment system; and

WHEREAS, HB 2217/SB1379, is an important first step in the process of reforming our assessment system, by requiring the submittal of income and expense data to enable the Assessor to more accurately assess income producing properties and be in alignment with the standards of the International Association of Assessing Officers; and

WHEREAS, this is a best practice, used in peer metro areas like New York, Boston, Washington D.C. area, and Seattle, as well as in states like Florida and Virginia.

NOW, THEREFORE, BE IT RESOLVED, that the Cook County Board of Commissioners does hereby urge the Illinois General Assembly to pass HB 2217/SB1379, as amended by the Illinois General Assembly, to give the Cook County Assessor the data needed to more accurately assess properties in Cook County thereby creating a more accurate, fair and transparent assessment system; and

BE IT FURTHER RESOLVED, that a suitable copy of this Resolution be tendered to the Speaker of the Illinois House of Representatives, the President of the Illinois Senate and the Governor of Illinois.

Approved and adopted this 21st of March 2019.

PROPOSED CHANGES TO PUBLIC FACING RULES AND REGULATIONS

Department: Cook County Assessor's Office

Summary: Revision to the Official Rules of the Cook County Assessor.

Consistent with the County Code, §1.9, the following proposal, which was approved by the Cook County Assessor on 3/15/2019, will be effective on the date this rule revision is received and filed by the Rules Committee of the County Board of Commissioners.

The Cook County Assessor's Rules provide requirements, parameters and guidance to persons doing business with the Assessor. Taxpayer assistance will be provided to individuals by Assessor personnel during normal business hours.

FILING AN ASSESSED VALUATION APPEAL COMPLAINT

Rule 1 All complaints for an Assessment Appeal (Appeal) shall be originated by the taxpayer's timely filing of the official appeal form(s) prescribed and adopted by the Assessor, as set forth in these Official Rules of the Cook County Assessor.

Rule 2 All attorneys or other parties acting on behalf of a taxpayer shall file an Attorney Authorization or Authorization Form and the filing of the Form shall constitute a certification that the attorney or party has been specifically authorized to file the complaint by the taxpayer, and is the only person so authorized. **Only the Assessor's original Attorney Authorization or Authorization Form may be filed.** The Form may not be altered in any way from its original format, or language, or in any other manner. References in these Rules to the actions of a "taxpayer" include actions of an authorized attorney or practitioner on the taxpayer's behalf.

Rule 3 Failure to follow any rule of the Cook County Assessor's Office or to provide complete information is grounds for the denial of an appeal.

Rule 4 Each form required to be filed by these rules shall be filed with all applicable information completed in its entirety.

Rule 5 Pursuant to Rule 1, complaints must be filed on the official appeal form prescribed and adopted by the Assessor. All sections on the form must be completed. Once filed no other copy of this complaint form will be valid. Except as provided in Rule 23, forms may not be filed by facsimile (fax). Forms can be found on the Assessor's website at www.cookcountyassessor.com/Appeals/Appeal-Forms.aspx <<http://www.cookcountyassessor.com/Appeals/Appeal-Forms.aspx>>

Rule 6 The official application form for a Certificate of Error and supporting documentation must be filed in triplicate. Generally, an application for a Certificate of Error generally must be filed during the period when a taxpayer may file an appeal based on the Township schedule posted on the Assessor's website. If a taxpayer seeks a change in classification based on the exempt status or property, an incentive classification, or due to the application of a homestead type exemption (such as homestead, senior, senior freeze, veterans, disabled and disabled veterans), an application may be filed at any time. Please see Assessment Calendar at: www.cookcountyassessor.com/Appeals/Appeal-Deadlines.aspx <http://www.cookcountyassessor.com/Appeals/Appeal-Deadlines.aspx>

Rule 7 A complaint must be filed on or before the date established by the Assessor as the official appeal closing date for the Township in which the property is located. **The Assessor will post in its office and will publish on its website the opening and closing dates for filing for each of the 38 townships in Cook County, as required by law.** No complaint will be accepted after the close of a Township's

official appeal filing period as published on the Assessor's website.

Rule 8 All complaints except individual residential complaints, must be filed in the office of the Assessor, County Building, Room 301, 118 N. Clark Street, Chicago, Illinois 60602, either in person, or by a courier or mail service. The date of a U.S. Postal Service postmark or the receipted date of shipment via a courier or mail service will be considered the date of filing for a complaint received by the Assessor. The Assessor is not responsible for complaints sent by courier or mail that are not received on time. Appeals for individual residential taxpayers may be filed at any location of the Cook County Assessor's Office, filed online, or mailed in accordance with the above provisions.

Rule 9 If property that is the subject of an appeal consists of two or more contiguous or neighboring Property Index Numbers (PINs) at one location, the PINs shall be listed on one complaint form. Multiple PINs that are not contiguous or do not comprise a single property at a one location, shall be filed as separate appeals.

Rule 10 If more than one complaint is filed for the same PIN, the first complaint filed will be considered by the Assessor as controlling. All subsequent complaints will be disregarded, provided, however, that in the event that more than one attorney or representative files a complaint on the same PIN(s), all parties filing on the same property shall be notified by the Assessor and the Assessor will request a properly executed Authorization or Substitution form. A party may substitute an appearance on behalf of a taxpayer while the appeal is pending at the Assessor's Office prior to the close of the Township filing or review period, by filing with the Assessor a completed Withdrawal and Substitution form. **The complaint, the appeal Authorization or Attorney Authorization Form, and any Withdrawal and Substitution form shall be grouped separately from other documents filed with the appeal. All other documents that provide substance in support of an appeal should include ONLY the attorney or practitioner's number and not identifying law firm, attorney or practitioner information. For example, nothing filed shall be put on a law firm's letterhead or contain the attorney's name. EVIDENCE IN SUPPORT OF AN ASSESSED VALUATION APPEAL**

Rule 11 Additional documentation in support of a complaint must be submitted no later than 10 days after the official appeal deadline of the relevant Township. The original complaint shall reference that additional documentation will be filed.

Income producing property is defined as non-owner occupied parcels of real property that generate rental income, but does not include residential properties with 6 or fewer units. Whether or not hotels and motels are owner occupied, they are considered income producing property for purposes of these Rules. Except for apartment buildings with more than 6 units, the taxpayer shall file with the Assessor an affidavit* setting forth any relationship (other than landlord and tenant) between the parties to any submitted lease including, but not limited to, those existing by blood, or marriage to the second degree, corporate parent-subsidiary companies, or ownership by virtue of non-publicly held stock. 4. If relief is sought on the grounds of "vacancy," the utility bills for the term the vacancy is requested must be filed.
5. As applicable, all documents required by Rule 19 also must also be filed. The Assessor is charged with assessing property at a percentage of its *fair cash value* as defined in the Illinois Property Tax Code, 35 ILCS 200/1 *et seq.* If vacancy relief is requested, market data will be considered as well as specific property characteristics. The Illinois Property Tax Code authorizes a reduction in a property's assessed value on a limited basis during a period for which buildings or improvements are destroyed, rendered uninhabitable or otherwise unfit for occupancy or for customary use by accidental, unintentional means. *See* 35 ILCS 200/9-180; 35 ILCS 200/1-150.

REVIEW OF AN ASSESSED VALUATION APPEAL DECISION

Rule 23 A taxpayer dissatisfied with a decision of the Assessor may request a review of the case. The review process is not to be employed to cure a failure to timely submit documents required by the Assessor. **Review requests should not simply dispute the Assessor's capitalization rates, expense ratios, and rulings of law without further detailed explanation and analysis. Nor should requests simply reiterate or resubmit previously advanced arguments and materials without new supporting evidence or argument to justify reconsideration.** Review requests must be made in writing and delivered to the Assessor in person, via mail or facsimile. Review requests must meet the following criteria:

1. be filed timely, within 5 days of the date of the letter from the Assessor informing the appellant of the Assessor's decision;
2. identify the assessment, township and complaint number and the relevant PIN numbers of the case; and,
3. state the specific grounds for the review request.

The only grounds for a review request which the Assessor will consider are:

1. newly discovered, obtained or received evidence, accompanied with documentation demonstrating the previous unavailability of the documents;
2. changes in the law, setting forth the previous law and the relevant changes thereto;
3. an error or mistake in the Assessor's previous application of existing law, setting forth the alternative theory being advanced;
4. evidence provided in response to a request of the Assessor.

These rules shall be effective on the date of adoption by the Cook County Assessor.

A motion was made by Commissioner Suffredin, seconded by Commissioner Britton, that the Proposed Changes to Public Facing Rules and Regulations be referred to the Rules and Administration Committee. The motion carried.
