The several matters stated in the complaints and other documents shall be stated positively or upon information and belief only, according to the fact. Nothing in this Section shall restrict the Independent Inspector General from exercising his/her independent judgment, based upon an articulable suspicion, to initiate an investigation of an elected official, notwithstanding the existence of any unverified information, or documents, statements and claims submitted anonymously.
- (b) The person having knowledge of the matters stated in the complaint or other document certified in accordance with this Section shall subscribe to a certification in substantially the following form: Under penalties as provided by law pursuant to Section 2-291 of the Office of Independent Inspector General Ordinance, the undersigned certifies that the

COMMITTEE ITEMS REQUIRING BOARD ACTION

**BUSINESS AND ECONOMIC DEVELOPMENT COMMITTEE
MEETING OF APRIL 23, 2019**

**19-1965
ORDINANCE**

**Sponsored by
THE HONORABLE DONNA MILLER, COUNTY COMMISSIONER**

AN AMENDMENT TO CHAPTER 74, ARTICLE II, REAL PROPERTY TAXATION

WHEREAS, vacant properties can devastate a neighborhood and block, undermine neighbors' quality of life, and diminish the value of nearby properties; and

WHEREAS, they also cause severe fiscal damage to local governments, reducing local tax revenues while costing cities millions for policing, cleaning vacant lots, and demolishing derelict buildings; and

WHEREAS, most vacant buildings and houses are well maintained, but many are not and thousands can sit empty for years, abandoned by their owners, deteriorating to the point where they cannot be reused without major rehabilitation with many ultimately demolished, leaving vacant lots in their place; and

WHEREAS, besides their impact on social and economic conditions, vacant, abandoned properties have a devastating effect on the fiscal condition of their cities, towns, and counties; and

WHEREAS, not only do they pay little in property taxes and generate little revenue for the city or county when sold at tax sales, but they further reduce property tax collections by millions of dollars by devaluing neighboring properties.

NOW, THEREFORE, BE IT ORDAINED, by the Cook County Board of Commissioners, that Chapter 74 Taxation, Article II Real Property Taxation, Division 2 Classification System for Assessment, Section 74-73, of the Cook County Code is hereby amended as follows:

Sec. 74-73. - Suspension, Revocation or cancellation of incentive classification.

(a) The following Incentive Classifications are subject to suspension, revocation or cancellation herein pursuant the provisions of this section: Class 6b; Class 6b (special circumstances); Class 6b TEERM; Class 6b SER; Class 7a; Class 7b; Class 7c; Class 8; and Class 8 TEERM.

(b) The incentive may be suspended, revoked, or cancelled by the Assessor under the following circumstances:

- (1) By rule, as provided by the Assessor;
- (2) By the County Board by Resolution or Ordinance, which is based on a report from the Bureau of Economic Development that has been approved by the Economic Development Advisory Committee of the County;
- (3) By the County Board by Resolution or Ordinance at the request of the Municipality by submission of a Municipal Resolution or Ordinance;
- (4) By request of the taxpayer to cancel;
- (5) Beginning in the 2019 assessment year and for all subsequent assessment years, upon application of the municipality in which a property is located finding that the owner (s), which has received a reduction in its assessed valuation due to receiving a property tax incentive as classified in Sec. 74-73 (a) for two consecutive tax years and has not provided evidence to the municipality that the owner has progressed in the leasing, development or sale of the property as contemplated in the incentive classification application submitted by the owner (s), the Assessor may suspend the property tax incentive relating to the property for a period not to exceed two years, subject to a subsequent application to the Assessor by the owner (s) of said property to restore the incentive, which application is supported by documentation of development or occupancy. After a period of two years from the date of such suspension, if said restoration application by the owner (s) is not received, the property tax incentive shall be revoked.

(c) A basis for revocation pursuant to Section 74-73(b)(2) or (b)(3) above includes, but is not limited to, the following:

- (1) Failure to comply with the requirements of Section 74-71 or 74-72;
- (2) Delinquency in the payment of any property taxes administered by Cook County or by a local municipality; or

- (3) Inaccuracies or omissions in documents submitted by the taxpayer, including, but not limited to, the application and the Economic Disclosure Statement.

(d) During such period as the Incentive Classification is suspended, the Assessor shall treat the subject property as a Class 5 property for any tax year in which the suspension is in effect.

In case of revocation or cancellation, the Incentive Classification shall be deemed null and void for the tax year in which the incentive was revoked or cancelled as to the subject property. In such an instance, the taxpayer shall be liable for and shall reimburse to the County Collector an amount equal to the difference in the amount of taxes that would have been collected had the subject property been assessed as a Class 5 property and the amount of taxes collected under the Incentive Classification as determined by the Assessor.

Effective Date: This Ordinance Amendment shall be effective upon passage.

Approved and adopted this 25th of April 2019.

Rule 7 A complaint must be filed on or before the date established by the Assessor as the official appeal closing date for the Township in which the property is located. **The Assessor will post in its office and will publish on its website the opening and closing dates for filing for each of the 38 townships in Cook County, as required by law.** No complaint will be accepted after the close of a Township's official appeal filing period as published on the Assessor's website.

Rule 8 All complaints except individual residential complaints, must be filed in the office of the Assessor, County Building, Room 301, 118 N. Clark Street, Chicago, Illinois 60602, either in person, or by a courier or mail service. The date of a U.S. Postal Service postmark or the receipted date of shipment via a courier or mail service will be considered the date of filing for a complaint received by the Assessor. The Assessor is not responsible for complaints sent by courier or mail that are not received on time. Appeals for individual residential taxpayers may be filed at any location of the Cook County Assessor's Office, filed online, or mailed in accordance with the above provisions.

Rule 9 If property that is the subject of an appeal consists of two or more contiguous or neighboring Property Index Numbers (PINs) at one location, the PINs shall be listed on one complaint form. Multiple PINs that are not contiguous or do not comprise a single property at a one location, shall be filed as separate appeals.

Rule 10 If more than one complaint is filed for the same PIN, the first complaint filed will be considered by the Assessor as controlling. All subsequent complaints will be disregarded, provided, however, that in the event that more than one attorney or representative files a complaint on the same PIN(s), all parties filing on the same property shall be notified by the Assessor and the Assessor will request a properly executed Authorization or Substitution form.

A party may substitute an appearance on behalf of a taxpayer while the appeal is pending at the Assessor's Office prior to the close of the Township filing or review period, by filing with the Assessor a completed Withdrawal and Substitution form.

The complaint, the appeal Authorization or Attorney Authorization Form, and any Withdrawal and Substitution form shall be grouped separately from other documents filed with the appeal. All other documents that provide substance in support of an appeal should include ONLY the attorney or practitioner's number and not identifying law firm, attorney or practitioner information. For example, nothing filed shall be put on a law

firm's letterhead or contain the attorney's name.

EVIDENCE IN SUPPORT OF AN ASSESSED VALUATION APPEAL

Rule 11 Additional documentation in support of a complaint must be submitted no later than 10 days after the official appeal deadline of the relevant Township. The original complaint shall reference that additional documentation will be filed.

Rule 12 The taxpayer shall refer to the fillable appeal complaint forms for the respective property classification(s) located at: www.cookcountyassessor.com/Appeals/Appeal-Forms.aspx.

Rule 13 All complaints, summary sheets and logs must be signed by the taxpayer, or, if the taxpayer is represented by an attorney or other party, the documents may be signed by the attorney or other party. The signature on each of these documents constitutes a representation that the facts appearing thereon are true and correct.

Rule 14 All affidavits filed with the Assessor shall be signed by a person having knowledge of the facts. An affidavit filed on behalf of a corporation where one person does not have knowledge of all facts may be filed by a duly qualified representative of the corporation based upon that affiant's inquiry of, and based on facts ascertained from, representatives of the corporation having knowledge of all facts.

Rule 15 With the exception of Class 2 residential property, taxpayers shall submit a recent original and clear photograph of the front of the subject property with an appeal. Taxpayers may, but are not required to, submit photographs in support of a residential appeal.

Rule 16 When an appeal is based in whole or in part upon "uniformity" or "comparability of properties," a recent, clear photograph of the front of each property claimed to be comparable to the subject property shall be filed and identified by the property's corresponding PIN.

Rule 17 A taxpayer shall disclose the purchase price of the subject property and the date of purchase if it took place within the three years immediately prior to the appeal date, and, shall file with the Assessor relevant sales documents. Both the seller's and the buyer's identity, and any relationship between them, must be revealed.

The following documents shall be furnished: Sales Agreement, or in the case of an individual residential property, a closing statement; the Deed; and any applicable PTAX form. "Sales Agreement" should be broadly construed to mean a signed legal document evidencing the agreed upon terms and conditions for the sale/ purchase of real property that is the subject of an assessment appeal.

Rule 18 Appraisals submitted by taxpayers shall be for a property's Highest and Best Use, USPAP compliant, state law compliant, and shall provide an opinion of value only for the assessment years under appeal. Submitted appraisals also must include an Appraisal Cover Sheet as prescribed by the Assessor.

Rule 19 Where the property that is the subject of appeal is an income producing property, in whole or in part, the taxpayer shall file with the Assessor a copy of Schedule E of the taxpayer's 1040 IRS form for the three previous tax years (signed by the preparer), actual income and expense statements for the three previous years, and the Assessor's Real Property Income and Expense (RPIE) form, which can be found on the Assessor's website. The RPIE form shall contain the same information required in Schedule E and must be in affidavit form signed by the affiant. ***The Assessor's Real Property and Expense (RPIE) form or data is required to be filed electronically via the Assessor's website.***

Income producing property is defined as non-owner occupied parcels of real property that generate rental income, but does not include residential properties with 6 or fewer units. Whether or not hotels and motels are owner occupied, they are considered income producing property for purposes of these Rules.

Except for apartment buildings with more than 6 units, the taxpayer shall file with the Assessor an affidavit* setting forth any relationship (other than landlord and tenant) between the parties to any submitted lease including, but not limited to, those existing by blood, or marriage to the second degree, corporate parent-subsidiary companies, or ownership by virtue of non-publicly held stock. The Assessor may request copies of fully executed leases.

Rule 20 If assessment relief is sought on the grounds of “vacancy” at a specific property, the taxpayer shall file:

1. A Vacancy/Occupancy Affidavit on the form provided by the Assessor; (Occupancy shall include all space actually occupied or for which rent is being paid or is payable, even though the space may actually be vacant);
2. Dated photographs of the interior vacant space and/or units; and
3. An affidavit setting forth the duration of, and reason for the vacancy, the attempts made to lease the vacant space with documents such as copies of listings and advertisements utilized in such efforts attached. If no such effort was made, the affidavit must set forth the reason no attempt to rent such space was made. The affidavit must comport with the form Affidavit found on the assessor’s website.
4. If relief is sought on the grounds of “vacancy,” the utility bills for the term the vacancy is requested must be filed.
5. As applicable, all documents required by Rule 19 also must also be filed.

The Assessor is charged with assessing property at a percentage of its *fair cash value* as defined in the Illinois Property Tax Code, 35 ILCS 200/1 *et seq.* If vacancy relief is requested, market data will be considered as well as specific property characteristics. The Illinois Property Tax Code authorizes a reduction in a property’s assessed value on a limited basis during a period for which buildings or improvements are destroyed, rendered uninhabitable or otherwise unfit for occupancy or for customary use by accidental, unintentional means. *See* 35 ILCS 200/9-180; 35 ILCS 200/1-150.

Rule 21 In the event an assessment reduction is sought due to the demolition of a building, the taxpayer shall file with the Assessor:

1. A copy of the demolition permit;
2. Evidence of payment for demolition; and
3. An original and clear photograph of the subject property before and after demolition. The date of the demolition photograph must appear on the photograph.

Rule 22 An argument that a portion of a property should be treated as excess-vacant land shall be supported by a plat of survey detailing the dimensions and locations of all buildings, parking areas, or other improvements, any unimproved areas or storage used, and any ingress, egress or product or person flow across the property. The actual use of the property shall be specified. A recent original and clear photograph of the land claimed to be excess shall be filed with the Assessor.

REVIEW OF AN ASSESSED VALUATION APPEAL DECISION

Rule 23 A taxpayer dissatisfied with a decision of the Assessor may request a review of the case. The review process is not to be employed to cure a failure to timely submit documents required by the Assessor. **Review requests should not simply dispute the Assessor's capitalization rates, expense ratios, and rulings of law without further detailed explanation and analysis. Nor should requests simply reiterate or resubmit previously advanced arguments and materials without new supporting evidence or argument to justify reconsideration.**

Review requests must be made in writing and delivered to the Assessor in person, via mail or facsimile. Review requests must meet the following criteria:

1. be filed timely, within 5 days of the date of the letter from the Assessor informing the appellant of the Assessor's decision;
2. identify the assessment, township and complaint number and the relevant PIN numbers of the case; and,
3. state the specific grounds for the review request.

The only grounds for a review request which the Assessor will consider are:

1. newly discovered, obtained or received evidence, accompanied with documentation demonstrating the previous unavailability of the documents;
2. changes in the law, setting forth the previous law and the relevant changes thereto;
3. an error or mistake in the Assessor's previous application of existing law, setting forth the alternative theory being advanced;
4. evidence provided in response to a request of the Assessor.

These rules shall be effective on the date of adoption by the Cook County Assessor.

A motion was made by Commissioner Suffredin, seconded by Commissioner Degnen, that the Changes to Public Facing Rules and Regulations be received and filed. The motion carried.

PROPOSED NO CASH BID REQUEST

Requestor: Robert J. Lovero, Mayor, City of Berwyn

Request: Approval of No Cash Bid Request

Location: City of Berwyn

Volume and Property Index Number:

003, 16-19-422-024-0000; 004, 16-29-308-032-0000; 007, 16-31-313-009-0000

Summary: The City of Berwyn would like to participate in the No-Cash Bid program. We would like to request the parcels of land with the following PINs: This request package contains a request for three (3) properties on three (3) PINs. While Ordinance No.18-29 approves five (5) property index numbers (PINs), this request package is only for the above listed three (3) occupied single-family homes: occupied by son of owner-status of owner unknown; owner occupied; and in the name of a trust with unknown occupants. The other two (2) PINs are not requested at this time. The intended use for the three (3) occupied residential properties will be for redevelopment and/or rehabilitation, elimination of blight and neighborhood

stabilization. The occupancy of the properties is stated above next to the PINS. The City of Berwyn will encourage redemption of delinquent taxes as its goal is not to displace residents, but return the properties to the tax rolls.

A known Third Party, the Berwyn Development Corporation (the “BDC”) will be acquiring and managing the properties on behalf of the City following acquisition through the No Cash Bid program. Should the properties prove to be in stable condition with minimal rehabilitation costs, BDC staff recommends the establishment of the Berwyn First Time Homeownership Program, a program for Berwyn Police, Berwyn Fire and other qualifying individuals who may be seeking to buy property in and move closer to the community. The process is described in further detail in the Third Party Requestor Package. If the properties need to be rehabbed, the BDC will be responsible; the properties will then be sold. The City will file for tax exempt status on said properties and maintain the status until parcels are transferred to new owner(s). Legal counsel will be sought out in order to obtain the tax deed on behalf of the BDC and the BDC will bear all legal and other costs associated with the acquisition of the parcels. Additionally, the BDC will send a No-Cash Bid Report to the Cook County Bureau of Economic Development on the status of the parcels for five (5) years or until development and/or rehabilitation is complete, whichever occurs last.

A motion was made by Commissioner Sims, seconded by Commissioner K. Morrison, that the No Cash Bid Request be referred to the Finance Subcommittee on Tax Delinquency. The motion carried.

The permanent index numbers of the parcels requested are: This Request Package contains 2 PINs (the “*Subject Property*”). The PINs requested currently contain an unoccupied commercial structure on parcels in the Village of Chicago Ridge. It is the intent of the Village of Chicago Ridge, as part of its overall economic development strategy, to acquire the Subject Property and return it to a beneficial use for the citizens of the Village. The Subject Property is an unoccupied 2 unit commercial building which had been occupied by Grice Furniture until it closed in June 2018. It is currently empty and a blight on a main thoroughfare of the Village. Summary: This letter is to express the Village of Chicago Ridge's interest in receiving a No Cash Bid for parcels located in Chicago Ridge. The permanent index numbers of the parcels requested are: This Request Package contains 3 PINs (the "*Subject Property*"). The PINs requested currently contain a partially occupied commercial structure on parcels in the Village of Chicago Ridge. It is the intent of the Village of Chicago Ridge, as part of its overall economic development strategy, to acquire the Subject Property and return it to a beneficial use for the citizens of the Village. Presently only one of the three units is occupied by a dental lab which is a tenant of the Subject Property. The building sits directly south of a large undeveloped piece of property suitable for redevelopment and north of a beautiful banquet facility. Upon acquisition, it is the Village's intent to remove the tenants, demolish the structure and market it for redevelopment. This building is already a longstanding eyesore that brings down the value of surrounding properties and it is located on Ridgeland Avenue, the main street through the middle of Chicago Ridge.

Summary: This letter is to express the Village of Chicago Ridge's interest in receiving a No Cash Bid for parcels located in Chicago Ridge. The permanent index numbers of the parcels requested are: This Request Package contains 3 PINs (the "*Subject Property*"). It is the intent of the Village of Chicago Ridge, as part of its overall economic development strategy, to acquire the Subject Property and return it to a beneficial use for the citizens of the Village. The Subject Property is being utilized as a storage facility which is occupied and operated by the owner of the Subject Property. It is located within the Village's Harlem Avenue TIF District and this blighted structure presents a clear obstacle to serious development of the 78 acre neighboring vacant property. The Village hopes to acquire the storage facility, to remove the owner and renters, and demolish it in order to reduce the blight and accommodate possible tollway improvements and potential commercial redevelopment of remaining land.

Summary: Please allow this cover letter to serve as the Village of Tinley Park's request for participation in the Cook County No Cash Bid Program for the following twenty-seven (27) properties: The Village of Tinley Park's request package contains twenty-seven (27) parcels of vacant land. The village intends to acquire each of the twenty-seven (27) parcels and to develop certain parcels to create additional public Right-of-Ways which include public sidewalks, roadways, and drainage areas. In addition, certain parcels will be developed into detention areas and open space. The Village herein represents that it does not have any agreements or proposals at this time from any third-party developer, organization or other private entity pertaining to the development, transfer, sale, or use of any of the twenty-seven (27) parcels described above. If the Village is successful in receiving Certificates of Purchase for the above described parcels, the Village

will retain legal counsel to obtain the tax deed for each such parcel and bear all legal and other costs associated with the acquisition of the parcels. Additionally, the Village will file for and maintain tax exempt status on the parcels until such time that the parcel(s) and deed(s) are conveyed to a developer.

Additionally, the Village will submit to the Cook County Bureau of Economic Development, No Cash Bid Reports on the status of each parcel for five years or until development is complete whichever occurs last, as required by the Cook County No Cash Bid Ordinance. Please note that on November 6, 2018, the President and Board of Trustees of the Village of Tinley Park approved an Ordinance authorizing the acquisition of twenty-seven (27) total PINs.

A motion was made by Commissioner Sims, seconded by Commissioner K. Morrison, that the No Cash Bid Request be referred to the Finance Subcommittee on Tax Delinquency. The motion carried.

PROPOSED NO CASH BID REQUEST

Requestor: Jon Sfondilis, Village Manager, Village of Wheeling

Request: Approval of No Cash Bid Request

Location: Village of Wheeling

Volume and Property Index Number:

231, 03-10-201-072-0000; 231, 03-10-201-074-0000

Summary: The Village of Wheeling, (the “Village”) has targeted two parcels within the Village for redevelopment or for the use for municipal purposes. In the interest of utilizing these properties for said purposes, the Village is seeking title to the following tax delinquent properties and requests that the Cook County Board of Commissioners submit a No Cash Bid for both properties on behalf of the Village. The PINs in this Request Package are as follows: This Request Package contains two (2) PINs 03-10-201-072-0000 and 03-10-201-074-0000, which are vacated parcels commonly addressed as 221 South Wheeling Road, formerly occupied by the Evanger’s Dog and Cat Food Company, Inc. The former occupant has relocated their operations outside the Village and the existing structures are unoccupied and are not structurally suitable for reuse. The Village has determined the parcels to no longer be fitting for industrial uses, but acquiring them could help aid in the assemblage of parcels in this area to create a larger land area for redevelopment. Alternately, the land could be used by the Village for Metra commuter parking to expand the availability of commuter parking within close proximity to the train station. Acquisition of the parcels will also allow the Village to address ongoing issues with the vacated industrial facility and allow for proper clean-up of the land, and further the Village’s efforts to relocate heavy industrial uses from this area due to the expansion of commercial retail and residential developments of nearby land.

The Village will file for tax exempt status as long as it retains the PINs for municipal use, maintaining that

status until any tax deed either or both properties is/are conveyed to a potential developer. The Village does not, at the present time, have a Third Party Request by a developer, organization or other private party, in which the Village would convey a certificate of purchase or the perfected tax deed of the above-listed PINs to that Third Party Requestor. The Village agrees to submit, to the Cook County Department of Planning and Development, No Cash Bid Reports on the status of each parcel for five (5) years, or until development is complete, whichever occurs last, as required by the Cook County No Cash Bid Ordinance. The law firm serves as Corporate Counsel to the Village of Wheeling, and will obtain the tax deeds and bear all legal and other costs associated with acquisition of the parcels.

A motion was made by Commissioner Sims, seconded by Commissioner K. Morrison, that the No Cash Bid Request be referred to the Finance Subcommittee on Tax Delinquency. The motion carried.
