PROPOSED ORDINANCE

COOK COUNTY CHARITABLE CONTRIBUTIONS PROGRAM

WHEREAS, since the mid 1960’s, it has been the policy of Cook County to establish and maintain an internal working committee known as the “Charitable Contributions Committee,” which is intended to give Cook County (“County”) employees the opportunity to contribute a portion of their employment remuneration to various charitable organizations, including those associated with social, health, and welfare services; and

WHEREAS, through Cook County Board Resolutions 73-R-238 and 13-R-348, the Board of Commissioners (“Board”) continued the work of the Charitable Contributions Committee (“Committee”); and

WHEREAS, the Committee has historically identified charities that operate in Cook County and reflect the diverse interests and concerns of Employees, for participation in the Cook County Charitable Giving Program, pursuant to a transparent and fair selection process; and

WHEREAS, in January of 2017, the Board authorized an agreement between United Way of Metropolitan Chicago (UWMC) and Cook County as a third-party administrator to facilitate the provision of voluntary charitable payroll deductions from employees to selected charities identified by Cook County and supported by UWMC through voluntary payroll deductions from such individuals’ employee paychecks; and

WHEREAS, UWMC will continue as the County’s third-party administrator in accordance with the January 2017 agreement or until otherwise amended or terminated in accordance with the terms of the agreement; and

WHEREAS, it is recommended that that the Board codify the voluntary charitable payroll deduction program and selection process, and dissolve the Committee.

NOW BE IT ORDAINED, by the Cook County Board of Commissioners, that Chapter 2 - Administration, Article XVI. Charitable Contributions Program, Section 2-1060 through 2-1069 is hereby enacted as follows:

CHAPTER 2. ADMINISTRATION

ARTICLE XVI. CHARITABLE CONTRIBUTIONS PROGRAM

Section 2-1060. Short Title.

This Article shall be known and may be cited as the Charitable Contributions Program Ordinance.

Section 2-1061. Charitable Contributions Program Established.

There is hereby established a Charitable Contributions Program, which shall supersede the Cook County Charitable Giving Campaign authorized under Cook County Resolutions 73-R-238 and 13-R-348, that allowed employees and officials of County Agencies to make contributions from their salary or wages to charitable organizations approved by the Charitable Contributions Committee. Accordingly, the Charitable Contributions Committee shall be deemed defunct and dissolved.

Section 2-1062. Intent.

The Charitable Contributions Program is intended to enhance government and community efforts to meet charitable needs while minimizing disruption to the county workplace and costs to the taxpayer that multiple charitable fund drives may generate. This Article also provides uniform guidance, consistent with state law governing salary and wage deductions, for the efficient administration of Employee contributions via the Annual Campaign, and other approved charitable solicitations, including but not limited to, the donation of salvaged property and/or the acceptance of donations for use by County Agencies.

Section 2-1063. Administration.

(a) The Chief Administrative Officer is authorized to manage the County's Annual Campaign for voluntary payroll deductions of charitable contributions through a third-party administrator. The Chief Administrative Officer shall utilize a third-party administrator to assist in managing the County's Annual Campaign for voluntary payroll deductions. The Chief Administrative Officer shall be responsible for promulgating reasonable rules and regulations relating to the administration of the Charitable Contributions Program, in accordance with applicable law.

(b) The Comptroller shall be responsible for processing the charitable employee payroll deductions, in accordance with applicable law and use of the third-party administrator. In addition, the Comptroller shall be responsible for directing the Chief Information Officer to manage the software application interface for payroll deductions and disbursement of contributions, as provided in subsection (e) below.

(c) The Director of Risk Management shall be responsible for notifying employees regarding the Annual Campaign.

(d) The Chief Procurement Officer, in conjunction with the Director of Facilities Management, shall be responsible for promulgating reasonable rules and regulations relating to Assets and salvaged property that may be donated pursuant to this Article.

(e) The Chief Information Officer shall be responsible for managing the software application interface for payroll deductions and disbursement of contributions in coordination with the Comptroller and the third-party administrator. The Chief Information Officer shall also be responsible for ensuring that any County IT Resource is properly sanitized in advance of donation pursuant to this Article.

Section 2-1064. Definitions.

Annual Campaign means the annual solicitation of charitable contributions from County Employees or County Officials.

Assets means supplies, materials and equipment that have been declared unusable, surplus, obsolete and/or which have a resale value exceeding their useful value to the County, except for such property which is the responsibility of the Cook County Health and Hospitals System.

Section 2-1065. Voluntary Payroll Deductions for Charitable Contributions.

The Chief Administrative Officer may authorize an Annual Campaign for voluntary payroll deductions of charitable contributions through a third-party administrator using a single payroll interface. Section 2-1066. Cook County Sponsorship of Charitable Events.

Notwithstanding the County’s sponsorship of charitable events, an Employee’s participation is strictly voluntary and will not affect conditions of employment, or result in compensation from, or liability to, the County.

Section 2-1067. Cook County Donation of Salvaged Property.

Donation of salvaged property in the name of Cook County must benefit United Fund, a Qualified Organization, or a governmental entity, and requires approval by the Chief Procurement Officer (CPO) and Director of Facilities Management prior to donation. If the proposed donation would not benefit a Qualified Organization, United Fund or governmental entity, then authorization from the Cook County Board of Commissioners is required prior to such donation. The County disclaims liability for all incidental or consequential damages, and assumes no responsibility or liability for any loss or damage suffered by any person as a result of the use or misuse of any donated property.

Section 2-1068. Acceptance of Donations to Cook County.

Charitable donations to Cook County are subject to pre-authorization from the Cook County Board of Commissioners, by way of Resolution. Such Resolution shall identify the County Agency that will receive the donation; and, address the estimated value of the donation, the intended use of the donation, and any costs to the County associated with acceptance of such donation, including but not limited to transportation and/or storage.

PROPOSED RESOLUTION

A RESOLUTION CONDEMNING THE TRUMP ADMINISTRATION’S TREATMENT OF TRANSGENDER, GENDER NON-CONFORMING, AND INTERSEX INDIVIDUALS

WHEREAS, the Trump administration and the Department of Health and Human Services is considering narrowly defining gender as a biological, immutable condition determined by genitalia at birth; and

WHEREAS, the Trump administration has banned transgender and gender non-conforming individuals from serving in the United States military; and

WHEREAS, the Cook County Board of Commissioners has been informed of this by Commissioner Kevin B. Morrison and LGBTQ advocates; and

WHEREAS, Commissioner Kevin B. Morrison and LGBTQ advocates see this effort as a hateful attempt to roll back recognition and protections of transgender, gender non-conforming, and intersex people; and

WHEREAS, this proposed definition by the Department of Health and Human Services would essentially eradicate federal recognition of the estimated 1.4 million Americans who identify as a gender other than the one they were assigned at birth; and

WHEREAS, this proposed definition would erase children who are born with intersex conditions, which is about 1.7 percent of the population, having been born with a reproductive or sexual anatomy that doesn't fit the typical definitions of female or male; and

WHEREAS, this position makes irrelevant and discounts what transgender, gender non-conforming and intersex people understand about themselves and discounts what medical providers know and understand about their transgender, gender non-conforming, and intersex patients; and

WHEREAS, this redefining would force genetic testing to resolve any dispute, denying transgender and gender non-conforming individuals their autonomy and humanity; and

WHEREAS, children born with intersex conditions often have male and female genitalia that do not fit the Trump administration’s proposed definitions; and

~~WHEREAS, the Trump administration has already attempted to bar transgender people from serving in the military; and~~

WHEREAS, the Trump administration’s ban on military service by transgender and gender nonconforming individuals does not recognize the incredible sacrifice and service of as many as 15,000 transgender and gender non-conforming troops that are already serving and would be forced to either conceal their gender identity or face discharge; and

WHEREAS, the Trump administration’s ban on military service by transgender and gender nonconforming individuals keeps talented and willing individuals out of the military based on a discriminatory policy; and

WHEREAS, Cook County is affirming and welcoming of all individuals to self-identify; and

WHEREAS, Cook County stands with the transgender, gender non-conforming, and intersex community and affirms that intersex, gender non-conforming, and transgender people #WontBeErased; and

THEREFORE, BE IT RESOLVED, that we, the Cook County Board President and Cook County Board of Commissioners do hereby honor the identities of transgender, gender non-conforming and intersex people, celebrate them, affirm their lives and call on President Trump and the Department of Health and Human Services to stop any attempt to narrowly define gender as biological; and

BE IT FURTHER RESOLVED, that suitable copies of this resolution are presented to President Donald J. Trump, Secretary of Health and Human Services Alex M. Azar II, and Acting Secretary of Defense Patrick M. Shanahan.

A motion was made by Commissioner K. Morrison, seconded by Commissioner Deer, that the Proposed Resolution be referred to the Human Relations Committee, as amended. The motion carried.

WHEREAS, Cook County was founded by an act of the Illinois legislature on January 15, 1831; and

WHEREAS, originally part of the commonwealth of Virginia, the area which comprises modern day Cook County was also part of the Northwest Territory and then a part of 10 separate counties as the territory was formed into states, including Illinois. The 10 counties are Knox (1790), St. Clair (1801), Madison (1812), Edwards (1814), Crawford (1816), Clark (1819), Pike (1819), Fulton (1823), Peoria (1825), Putnam (1826); and

WHEREAS, Cook County was named for Daniel Pope Cook (1794 - October 16, 1827). Originally from Kentucky, Cook moved to Illinois and became a lawyer, newspaper publisher, politician and one of the early advocates of statehood for Illinois. It is believed Cook never visited the area which would be named in his honor; and

WHEREAS, the first Cook County Board of Commissioners was elected on March 7, 1831, taking office and holding their first meeting the following day. Three (3) Commissioners-Gholson Kercheval, Samuel Miller and James Walker convened a meeting at Fort Dearborn on the Chicago Settlement lakeshore, in the magazine (powder room). WHEREAS, Cook County would become a leader in growing the region, the state and the nation; blazing trails in the fields of transportation, food processing, public health, education, juvenile justice, art and music. The dynamic and diverse county population would swell the county population to 350,000 in 1870, over 1.1 million 20 years later and 1.8 million at the turn of the 20th Century. In 1960, Cook County population totaled 5.1 million; and

WHEREAS, the history of Cook County Government contributed directly to the development of the region and the State of Illinois, with many projects and initiatives of several County departments directly impacting the economic and political direction of the region for years to come; and

WHEREAS, as Cook County approaches its 200th anniversary-and having developed a unique and extensive collection of public documents and records that contain historical significance-establishing an initiative to archive historically significant documents and records is imperative to County Government history; and

WHEREAS, Secretary to the Board Matthew B. DeLeon currently serves in the role of Chair of the Cook County Archives Advisory Committee, a committee formed to address archives related issues; and

WHEREAS, Secretary DeLeon has served the last five Presidents of the County Board and is in his 29th year of local government service, 26 of those with Cook County Government and in his 13th year as Secretary to the Board; and

BUREAU OF FINANCE
OFFICE OF THE CHIEF FINANCIAL OFFICER

19-0921
ORDINANCE

Sponsored by
THE HONORABLE TONI PRECKWINKLE,
PRESIDENT OF THE COOK COUNTY BOARD OF COMMISSIONERS

LEVY OF TAXES FOR FISCAL YEAR 2019

WHEREAS, the Board of Commissioners and the Committee on Finance of the Board of Commissioners of Cook County, Illinois, have considered the subject of the Annual Tax Levy for the Fiscal Year A.D., 2019, and the several sums necessary to be levied to meet the needs and requirements of the County of Cook for said fiscal year, and have recommended that this Ordinance for the Levy of Taxes be adopted; and

WHEREAS, the Board of Commissioners of Cook County, Illinois, approved, passed, and adopted the Annual Appropriation Bill of the County of Cook, for its Fiscal Year 2019, which said Appropriation Bill is hereinafter set forth and which contains a Revenue Estimate that includes an allocation of the 2019 Tax Levy by Fund together with additional columns captioned: "ANNUAL TAX LEVY", "APPROPRIATION ALLOWANCE FOR UNCOLLECTED TAXES" and "NET TAX LEVY FOR APPROPRIATION "; and

WHEREAS, Cook County and its taxpayers have benefited from Tax Increment Financing Districts (TIFs) by having the increment generated during the life of the TIFs invest in the specific area generating the increment; and

WHEREAS, the Cook County Board passed a Resolution on November 15, 2011 outlining that it is the policy of Cook County to recapture any property taxes at the termination of a TIF; and

WHEREAS, within the County of Cook, certain real-estate parcels, or a portion of the assessed valuation of certain real-estate parcels, are from time to time identified on the County real-estate tax rolls as deriving from new property, insofar as they were developed or substantially improved or are the subject of tax incentives that expired since the most recent assessment of real-estate taxes, the value of which has not heretofore been recaptured; and

WHEREAS, the interests of County taxpayers and the County itself are better served if the taxes on the additional value of said new property is captured.

THEREFORE, BE IT ORDAINED AND ORDERED BY THE BOARD OF COMMISSIONERS OF COOK COUNTY, ILLINOIS, that pursuant to its home rule powers, \$720,483,542.00 as a base levy amount, plus a TIF value recapture sum of \$18,007,684, an expiring incentives sum of \$1,642,998, and a new-property value capture sum of \$27,782,882, which aggregate amount of these sums is to be collected from the Annual Tax Levy for the Fiscal Year A.D. 2019 of the County of Cook for the Public Safety Fund purposes of said County, and for the Health Enterprise Fund purposes of said County, and for the payment of principal and interest on general obligation bonds of said County as represented by the Bond and Interest fund purposes, and for Cook County Employees Annuity and Benefit Fund purposes, and for the Election Fund purposes, and for Capital Projects purposes, said aggregate amount being \$767,917,106, which is the total amount of appropriations heretofore legally made from the Annual Tax Levy for the year 2019 and contained in the Annual Appropriation Bill (hereinafter set forth in the Ordinance) for the Fiscal Year 2019 duly adopted by the Board of Commissioners of Cook County on November 15, 2018, is hereby levied on and upon all taxable property in the said County of Cook for the Fiscal Year 2019, provided that the sum of \$20,618,557 herein referenced for Capital Projects may be used solely for Corporate purposes, Public Safety purposes, Health Enterprise purposes, and Election purposes.

As provided in the Fiscal Year 2019 Annual Appropriation Bill, three percent of the property tax levy revenues separately allocated to the Public Safety Fund, Health Enterprise Fund, Capital Projects Fund, and Election Fund are to be made available to each Fund for purposes of covering the loss and cost of collecting taxes levied for said Funds; for the amounts of taxes for which the nonpayment will result in forfeiture of real estate; and for abatements in the amounts of such taxes as extended upon the collectors' books. To ensure the County meets its obligations for indebtedness as represented by the Bond and Interest Fund, and that the actual collections of property taxes received by the Annuity and Benefit Fund are commensurate with the amounts so levied, the County Clerk is authorized, in consultation with the County's Chief Financial Officer, to extend loss and collections for these funds in a manner that is sufficient for these purposes.

The specific amounts herein levied for the various purposes heretofore named are stated in this Ordinance and Tax Levy and itemized by Fund in the Revenue Estimate of the Annual Appropriation Bill, including a column captioned: "ANNUAL TAX LEVY". The tax hereby levied for said Fiscal Year 2019 for said appropriations, to be collected from this Levy, being the aforesaid total, consists of the following specific amount levied for the various purposes hereinafter set forth:

TO REDUCE COUNTY FACILITY GREENHOUSE GAS EMISSIONS

WHEREAS, Cook County Government and the Forest Preserves of Cook County strive to be leaders in addressing climate change; and

WHEREAS, both entities are working to reduce harmful greenhouse gas emissions by 80 percent by the year 2050, a goal that is consistent with attempting to keep global temperatures from increasing more than 2°C (3.6°F) over preindustrial temperatures, per the 2012 Doha Amendment to the United Nations Kyoto Protocol; and

WHEREAS, Cook County Government is ahead of its target for reducing building energy emissions as a result of its Green Buildings Program that implemented successful energy efficiency, renewable energy, space reduction and other initiatives that have reduced greenhouse gas emissions from its building energy use by 32 percent since 2010; and

WHEREAS, with nearly 70,000 acres of land, Forest Preserves of Cook County ecosystems play an essential climate change mitigation role by absorbing over 1,544,000 tons of CO₂ annually, and further restoration projects will help sequester even more CO₂; and

WHEREAS, in October 2018, the International Panel on Climate Change (IPCC) released a new study of the impacts of global warming; and

WHEREAS, the report's findings predict ocean rise of an additional 10 cm with 2°C warming compared to 1.5°C, an arctic free of sea ice in Summer once per decade compared to once per century, complete eradication of coral reefs compared to a 90 percent decline, and the loss of many more ecosystems; and

WHEREAS, in November 2018, the U.S. Global Change Research Program released the U.S. National Climate Assessment, which predicted that climate change could reduce the size of the U. S. economy by 10 percent by the end of the century; and

WHEREAS, an estimated minimum 200 million people around the globe would be subject to inundation from rising seas, and several hundred million more to climate related risks and poverty; and

WHEREAS, the current effects of climate change on Cook County from the warming of over 1°C that has already occurred include increased flooding, heavier rain and snow storms, and more extreme summer heat, all affecting the region's people and economy; and

WHEREAS, the expected future impacts of global warming in Cook County include threats to food supply from impacts on agricultural crops and livestock; increase of invasive species; wildlife habitat destruction; extinction of native plant and insect species; increased incidence of pests and diseases; vulnerability of water supply and decreased quality of water; threats to infrastructure such as roads, rail, water supply and wastewater management; decreased air quality; threats of global unrest causing homelessness and immigration and disruption of business supply chains and markets; and, threats to many natural habitats and species, among others; and

WHEREAS, climate change impacts the low-income and vulnerable more heavily, through poorer air quality which impacts children, the elderly, and people with asthma and other respiratory and circulatory illnesses; flooding and heat-related damage to infrastructure which more heavily impacts municipalities with smaller tax bases to pay for infrastructure repair; and through heat-wave related mortality, which more heavily impacts the elderly, minorities and lower income populations, and in other ways; and

WHEREAS, the IPCC concludes that limiting warming to 1.5°C is possible, but would require global net human-caused emissions of CO₂ to fall by about 45 percent from 2010 levels by 2030, reaching net zero around 2050; and

WHEREAS, limiting CO₂ emissions to these levels would require change on an unprecedented scale, including rapid and far-reaching changes in land, energy, industry, buildings, transport and cities; and

WHEREAS, many of the actions required are already underway but would need to accelerate, and action across all fronts will need to proceed as fast as possible, and

WHEREAS, many of the actions required could either save money and resources, or improve other aspects of quality of life and our ability to adapt successfully to the climate change that is already underway.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Commissioners of Cook County does hereby adopt the following goal: to reduce greenhouse gas emissions by 45 percent by 2030 and to reach net zero greenhouse gas emissions by 2050; and

BE IT FURTHER RESOLVED, that a plan shall be developed to achieve this goal, and that progress towards this goal shall be reported publicly by the Cook County Department of Environment and Sustainability in its annual Sustainability Report; and

BE IT FURTHER RESOLVED, that other local government agencies and businesses within Cook County are urged to join with us in adopting this greenhouse gas reduction goal to counter the most harmful effects of climate.

Approved and adopted this 24th of January 2019.

Track Group, Inc. will provide GPS monitoring equipment and services for adult probationers and pretrial defendants in order to comply with Public Act 95-0773, also known as the Cindy Bischof Law, which calls for the monitoring of certain domestic violence offenses to be monitored by the Adult Probation Department Home Confinement Unit as a condition of bail or probation. Offenders are ordered to wear a GPS tracking device to help monitor compliance with orders to stay away from the complaining witness, the complaining witness's home/workplace, or any other protected address specified. There are currently more than 350 adults under GPS monitoring and 110 victims who carry GPS devices to create mobile exclusion zones. Effective January 1, 2015, new legislation (Public Act 98-1012, 725 ILCS 5/110-5) significantly expanded the types of charges required to be considered for GPS monitoring as a condition of bail.

GPS technology is used by the Juvenile Probation and Court Services Department to monitor high-risk minors in home confinement as an alternative to secure detention or as condition of release into the community. These devices are deployed at various points of the judicial process from pre-adjudication through post-dispositional stages of court proceedings.

THE COMPLETE COUNT CENSUS COMMISSION FOR COOK COUNTY

BE IT ORDAINED, by the Cook County Board of Commissioners, that Chapter 2 Administration, Article VI Boards, Commissions, and Committees, Division 1 Generally, Sections 2-477 through 2-479 of the Cook County Code, is hereby enacted as Follows:

Sec. 2-477. Short Title. This Division shall be known and may be cited as the “Complete Count Census Commission for Cook County” (The Commission).

Sec. 2-478. - Policy and Purpose.

(a) *Policy.*

This Ordinance hereby creates a Commission to assist in the development of an accurate, timely and comprehensive census outreach plan to educate the population on the importance of the census having a complete and accurate population count. Strategic focus will be placed on addressing Hard to Count and underserved communities that the census historically missed - communities of color, urban and rural low-income households, immigrants, populations with language barriers, and young children.

(b) *Purpose.*

- (1) To ensure a complete and accurate population count for the well-being of the county. Federal and state officials rely on population data counts to allocate billions of dollars in federal and state funds to the County and local communities.
- (2) To ensure an accurate population count and that there is a fair reapportionment of congressional representation.
- (3) To ensure state and local officials use the population count in the redistricting processes to draw fair representative boundaries for federal, state and local districts.
- (4) To ensure the census population count data is also used to make decisions about infrastructure, such as where to build a new school or road. Similarly, local and national businesses utilize census population count data to decide whether and where to start or relocate a business.

Sec. 2-479. - Complete Count Census Commission of Cook County.

(a) The Commission will have fifteen (15) diverse members including: the two (2) Commissioners who serve as Chairpersons of the Law Enforcement and Health and Hospitals Committees of the Cook County Board of Commissioners. The Chairperson of the Law Enforcement Committee shall be Chairperson of the Commission and the Chairperson of the Health and Hospitals Committee shall serve as Co-Chair. Four Six (46) of the Commission members shall be selected by the Chair and Co-Chair. Six (6) members of the Commission shall be appointed by the President of the Cook County Board of Commissioners which may include but not be limited to: civic leaders, business leaders or private sector representatives who have established excellent inclusion practices. In addition, the President shall appoint the Bureau Chief of Economic Development as a member of the Commission. All appointments are to be confirmed by the Cook County Board.

(b) The Commission members will serve upon adoption of this ordinance for the 2020 decennial census and for two (2) years leading up to the decennial census (typically taken every 10 years in the month of April) and can be reappointed for consecutive decennial census terms.

(c) The Commission shall review and make recommendations to increase community participation in hard to count communities. This will be done with the Bureau of Economic Development's request for proposal to facilitate a complete event.

(d) The Commission will establish the guidelines and vision for a census outreach plan and oversee the implementation of the plan, and work with the Bureau of Economic Development on creating the request for proposals for all services and any staff hired to work for the Commission.

(e) The Commission shall establish relationships with independent organizations (such as nonprofit organizations, community organizations, congregations, etc.) in each District of the Cook County Board of Commissioners to encourage and assist them to create complete count committees. The Commission may accept financial support from nonprofit organizations and charitable foundations.

(f) The Commission has the authority to review, oversee and make recommendations on all proposals submitted to the Bureau of Economic Development as it relates to all census activities. The Bureau of Economic Development shall act as the fiscal agent for the Commission and shall promulgate processes and procedures for creating and overseeing contracts to further the Commission’s activities.

(g) The Commission, through a written report and presentations, will advise the office of the President and Board of Commissioners not less than quarterly on its work. Six months prior to the decennial census the Commission will advise the President and the Board of Commissioners on a monthly basis. All reports will be made directly to the Board.

(h) Post-decennial activities shall include, but not be limited, to a report prepared by the Commission to be received and filed by the Board of Commissioners detailing the Commission’s efforts for the decennial census including the background on the state of the County’s population at the time, targeted populations, description of Commission members and subcommittees, the County’s overall efforts, partnerships, materials distributed, and decennial-specific Census results for Cook County. Such record-keeping will enrich the County’s historical archive and assist future Commission efforts.

(i) All meetings of the Commission will be open to the public.

Effective date: This Ordinance shall be in effect immediately upon adoption.

Approved and adopted this 24th of January 2019.
