Summary: Under the proposed contract extension, Cook County would procure the maintenance for 89 telecommunication sites and support ongoing telephone equipment needs. Well-functioning telecommunications equipment is vital to the critical operations of the County such as Public Safety, Law Enforcement, Health & Hospital Systems and Emergency Management. If approved, this extension would ensure continuity of telecommunications operations and help prevent major service disruptions. The Bureau of Technology plans to work with the Office of the Chief Procurement Officer to identify procurement options for long term telecommunication solutions...end
