The Chief Procurement Officer concurs

Summary: These contracts provide specialized treatment services ordered by the court for adult sex offenders who are supervised by the Circuit Court's two probation departments for adults, the Adult Probation Department and the Social Service Department. Services provided under the contracts include in-depth assessments and individual and weekly group counseling as deemed appropriate, billed to Cook County at prescribed hourly rates. There are more than 300 probationers under court supervision for sex offenses.

This second of two (2) one (1) year renewal options will allow the Departments to continue to provide

services to probationers. These contracts were awarded through the Request for Proposals (RFP) process in accordance with the Cook County Procurement Code. Each contract was awarded based on established evaluation criteria and is part of a service network of seven providers, encompassing all of Cook County, that provide services to offenders in their own communities.
