The APP allows the County to pay vendors electronically, via virtual credit card, eliminating the costs of printing, mailing, and reconciling checks. The APP is cost effective, flexible, and user friendly with strong security, antifraud and reconciliation features that includes: 1) an incentive rebate program; 2) an ongoing marketing and enablement process to expand the use of the virtual card as a form of payment across Cook County's vendors and 3) 24/7 customer service which includes technical and functional user training and vendor training. The estimated revenue to Cook County is \$300,000 for FY 2018.

This was previously awarded as a Comparable Government Procurement pursuant to Section 34-140

of the Cook County Procurement Code. PNC Bank was previously awarded a contract by the Chicago Board of Education through a Request for Proposals (RFP) process. Cook County wishes to continue to leverage this procurement effort.
