The ITSP will allow the Department of Revenue's taxpayers to register, file returns, and pay their taxes within a single application. In addition, it will provide analytical tools to DOR's compliance division allowing them to effectively enforce the County's home rule taxes. The solution would process all Home Rule Taxes with the exception of Non Retailer Use Tax.

This is a comparable Government Procurement pursuant to Section 34-140 of the Cook County Procurement Code. Revenue Solutions, Inc. was previously awarded a contract by the State of Rhode Island through a competitive Request for Proposal process. Cook County wishes to leverage this procurement effort.
