Three (3) years of Assessment Connect and Open Connect cloud-based services at no additional cost. Scope items that were originally contested by Tyler, have been included in the solution at no additional costs. Lastly, a 5-year freeze on Software Support and Maintenance payment increases. This contract is a collaboration between the Assessor, Clerk, Treasurer offices with the Bureau of Technology to leverage a commercial off-the-shelf (COTS) centralized property tax solution. The strategy to reduce the number of applications and vendors to leverage COTS solutions are aligned with the enterprise shared services strategy.
