Final Cost: \$1,588,625.30

Percent Above or Below Construction Contract Bid Amount: -\$610,985.35 or 27.8% below the  
Construction Engineering Contract Amount.

Summary: The Department of Transportation and Highways respectfully requests the approval of the  
Proposed Completion of Construction Approval Resolution. The decreases are attributed to the  
difference between the estimated quantities and actual field quantities of work performed with  
decrease in earth excavation, topsoil, sodding, pcc sidewalk items, hot-mix asphalt items and  
patching related items.

The proposed improvement consisted of grinding and overlaying of existing hot-mix asphalt  
pavement, patching, drainage improvements, curb and gutter replacement, grading and shaping  
ditches, sidewalk ADA improvements, traffic control and protection, shoulder repair, pavement  
markings and any collateral and auxiliary work as needed to complete the project has been  
completed...end
