Report Title: Countywide Bicycling Plan-Connecting Cook County

Report Period: N/A

Action: Refer to Transportation Committee

Summary: The Department of Transportation and Highways respectfully requests approval of this item to be referred to the Transportation Committee for further discussion and a presentation. The Department is developing a countywide bicycling plan to follow up on the recommendation in Connecting Cook County to prioritize alternative transportation. This update on the plan's progress will explain the plan's goals of providing bike infrastructure to serve riders of all ability levels, making sure bike infrastructure is available equitably across the county, and supporting "everyday cycling" for trips of types, not just recreational. Several open house meetings and surveys have been conducted over the past few months, and the update will summarize feedback the plan team heard from stakeholders and the public through these channels.
