Summary: Cook County will continue to serve as a "Hub" under the 2023 State of Illinois DCEO Small Business Community Navigator Program and engage business support organizations in the County's small business network to serve as "Spokes" and provide direct assistance to small businesses that wish to apply to the new upcoming grant programs planned by the State of Illinois 2023 and 2024.

The reason for the amendment is that the State has extended the program and plans to launch additional programs for small businesses and has invited Cook County to continue to serve as one of its Hubs. DCEO utilizes a Hub and Spoke model which complements the work of the Cook County Small Business Source. We engage organizations that are a part of our network and have successfully fulfilled program obligations.

Cook County will utilize the additional funds to support program coordination, marketing, fiscal

management and outreach and technical assistance from the organizations which will serve as Spokes:

- Allies for Community Business
- Berwyn Development Corporation
- Elgin Area Chamber of Commerce
- Illinois Restaurant Association
- Melrose Park Chamber of Commerce
- Schaumburg Business Association
- South East Chicago Commission
