

Board of Commissioners of Cook County

118 North Clark Street
Chicago, IL

Legislation Details (With Text)

File #:	18-3663	Version:	1	Name:	PROCLAIMING MAY AS AMYOTROPHIC LATERAL SCLEROSIS AWARENESS MONTH IN COOK COUNTY
Type:	Consent Calendar Resolution	Status:			Approved
File created:	5/4/2018	In control:			Board of Commissioners
On agenda:	6/5/2018	Final action:			6/5/2018
Title:	PROPOSED RESOLUTION				

PROCLAIMING MAY AS AMYOTROPHIC LATERAL SCLEROSIS AWARENESS MONTH IN COOK COUNTY

WHEREAS, amyotrophic lateral sclerosis (ALS), commonly referred to as Lou Gehrig's disease, is a fatal neurodegenerative disease that attacks nerve cells and pathways in the brain and spinal cord; and

WHEREAS, the initial symptom of ALS is weakness of the skeletal muscles, especially those of the extremities; and

WHEREAS, as ALS progresses, the patient experiences difficulty in swallowing, talking, and breathing; and

WHEREAS, ALS eventually causes muscles to atrophy, and the patient becomes a functional quadriplegic; and

WHEREAS, ALS does not affect a patient's mental capacity, so the patient remains alert and aware of his or her loss of motor functions and the inevitable outcome of continued deterioration and death; and

WHEREAS, in many cases, particularly in the later stages, people with ALS need continuous, 24/7 care; and

WHEREAS, on average, patients diagnosed with ALS survive only two to five years; and

WHEREAS, ALS has no known cause, means of prevention, or cure; and

WHEREAS, while ALS occurs throughout the world with no racial, ethnic, or socioeconomic boundaries, research indicates that military veterans are approximately twice as likely to develop ALS compared to those who have not served in the military; and

WHEREAS, a national ALS patient registry, administered by the Centers for Disease Control, is currently identifying cases of ALS in the United States and may become the single largest ALS research project ever created; and

WHEREAS, in May, members of the ALS community from across the country will gather in Washington, D.C. to raise awareness of the disease and advocate before their elected officials in the halls of Congress. It is important that their voices in Washington be echoed in local communities across the country.

NOW, THEREFORE, BE IT RESOLVED, that the Cook County Board of Commissioners does hereby proclaim the month of May as Amyotrophic Lateral Sclerosis Awareness Month in Cook County; and

BE IT FURTHER RESOLVED, that the Cook County Board urges Congress to enact legislation to provide additional funding for research in order to find a treatment and eventually a cure for ALS.

PROPOSED RESOLUTION

PROCLAIMING MAY AS AMYOTROPHIC LATERAL SCLEROSIS AWARENESS MONTH IN COOK COUNTY

WHEREAS, amyotrophic lateral sclerosis (ALS), commonly referred to as Lou Gehrig’s disease, is a fatal neurodegenerative disease that attacks nerve cells and pathways in the brain and spinal cord; and

WHEREAS, the initial symptom of ALS is weakness of the skeletal muscles, especially those of the extremities; and

WHEREAS, as ALS progresses, the patient experiences difficulty in swallowing, talking, and breathing; and

WHEREAS, ALS eventually causes muscles to atrophy, and the patient becomes a functional quadriplegic; and

WHEREAS, ALS does not affect a patient’s mental capacity, so the patient remains alert and aware of his or her loss of motor functions and the inevitable outcome of continued deterioration and death; and

WHEREAS, in many cases, particularly in the later stages, people with ALS need continuous, 24/7 care; and

WHEREAS, on average, patients diagnosed with ALS survive only two to five years; and

WHEREAS, ALS has no known cause, means of prevention, or cure; and

WHEREAS, while ALS occurs throughout the world with no racial, ethnic, or socioeconomic boundaries, research indicates that military veterans are approximately twice as likely to develop ALS compared to those who have not served in the military; and

WHEREAS, a national ALS patient registry, administered by the Centers for Disease Control, is currently identifying cases of ALS in the United States and may become the single largest ALS research project ever created; and

WHEREAS, in May, members of the ALS community from across the country will gather in Washington, D.C. to raise awareness of the disease and advocate before their elected officials in the halls of Congress. It is important that their voices in Washington be echoed in local communities across the country.

NOW, THEREFORE, BE IT RESOLVED, that the Cook County Board of Commissioners does hereby proclaim the month of May as Amyotrophic Lateral Sclerosis Awareness Month in Cook County; and

BE IT FURTHER RESOLVED, that the Cook County Board urges Congress to enact legislation to provide additional funding for research in order to find a treatment and eventually a cure for ALS.
