Summary: The Cook County Sheriff's Office is requesting the Office of the Chief Procurement Officer to renew and increase the contract with Clarity Partners, LLC for the CLEARNET Criminal Records Management System.

This renewal and increase will allow the continuation of current development, maintenance services and the addition of a new scope to enable migration of the current system from the Chicago Police Departments environment to the Sheriff's Office Azure cloud. The Records Management System is the primary and critical application used by the Cook County Sheriff's Police to manage incident resolution and historical incident data.

The original contract was awarded via a Sole Source Procurement pursuant to Section 34-139 of the Cook County Procurement Code.
