Summary: Track Group, Inc. will provide electronic monitoring and Global Positioning System (GPS) services for the Adult Probation Department, the Juvenile Probation and Court Services Department and the Cook County Sheriff's Office for youth and adults who are ordered by the court to wear electronic monitoring devices.

Track Group, Inc. will provide GPS monitoring equipment and services for adult probationers and pretrial defendants in order to comply with Public Act 95-0773, also known as the Cindy Bischof Law, which calls for the monitoring of certain domestic violence offenses to be monitored by the Adult Probation Department Home Confinement Unit as a condition of bail or probation. Offenders are ordered to wear a GPS tracking device to help monitor compliance with orders to stay away from the complaining witness, the complaining witness's home/workplace, or any other protected address specified. There are currently more than 350 adults under GPS monitoring and 110 victims who carry GPS devices to create mobile exclusion zones. Effective January 1, 2015, new legislation (Public Act 98-1012, 725 ILCS 5/110-5) significantly

expanded the types of charges required to be considered for GPS monitoring as a condition of bail.

GPS technology is used by the Juvenile Probation and Court Services Department to monitor high-risk minors in home confinement as an alternative to secure detention or as condition of release into the community. These devices are deployed at various points of the judicial process from pre-adjudication through post-dispositional stages of court proceedings.

The contract was awarded through the Request for Proposals (RFP) process in accordance with the Cook County Procurement Code. Track Group, Inc. was selected based on established evaluation criteria.
