**Summary:** The Justice Advisory Council's No Place To Stay (NPTS) housing program provides housing for individuals

ordered onto the Sheriff's Office pre-trial electronic monitoring (EM) but who lack sufficient housing where EM could be implemented. These individuals, deemed "No Place To Stay," would otherwise have to wait in the jail for their pre-trial period to resolve or their electronic monitoring condition of release to be removed. The JAC has retained providers to supply housing and other wraparound services as appropriate for these individuals, with operational support from the Sheriff's Office and Cook County Health, so they do not have to unnecessary spend that time in the jail.

The JAC is seeking to amend and increase the contract with one of the providers - A Safe Haven. A contract renewal was most recently approved at the November 2023 board meeting.

A Safe Haven provides housing as well as supportive services in the area of counseling and case management, particularly as it comes to substance use. A Safe Haven provides housing for all genders. A Safe Haven will provide us 82 placements at a rate of \$90 per day, increased from \$83.25, with up to 12 of those placements being able to be used for up to 90 days of aftercare/extended stay. The increased rate is based on the increased cost of care expenses and staffing.
