For several years, Westcare Illinois Inc. (Westcare) provided behavioral and mental health services to program participants in the Adult Redeploy Illinois ARI-ACT court under contract 1530-14412. The Westcare contract ended on 6/30/2018, in conjunction with the expiration of the associated grant. Since that time, another contractor has provided those services for the new program grant effective 7/1/2018. However, Westcare continued to provide transitional services for three months after expiration of the contract.
