The program operates under the evidence-based adult drug court models that combine intensive judicial supervision; mandatory drug testing; graduated incentives, sanctions and therapeutic adjustments; and comprehensive behavioral health treatment to help participants with substance abuse disorders break the cycle of addiction and the crime that accompanies it. The program uses a team approach to supervision and to provide treatment interventions and ancillary services that are responsive to the needs of these extremely challenging populations. Models/Standards used include: programmatic guidelines set forth by the Administrative Office of the Illinois Courts (AOIC) outlined in the Supreme Court Problem-Solving Courts Standards and the National Association of Drug Court Professionals (NADCP) - Adult Drug Court Best Practice Standards.

Grant funds will be allocated to staff salaries and fringe benefits, professional treatment services, training, travel, supplies, and Cook County administrative costs.
