The Chief Procurement Officer concurs.

Summary: This contract with Azteca Systems for their Cityworks Asset Management Server (AMS) provides CCDOTH's Maintenance Bureau with an automated process to accommodate a streamlined response for citizen service requests, work order assignments, maintenance activity tracing and performance reporting. AMS facilitates work order management that encompasses personnel allocation, equipment assignment, accounting of material usage and reporting functionality that provides accurate and timely budgeting and performance measurement. The Department's Permit Division will utilize the Cityworks Permit, Land and Licensing (PLL) component to process of right-of-way construction and haul permits. PLL will support the operations of the Department and provide key performance indicators and measures.
