The Information Security Framework Semi-Annual Report will provide the status of all Agencies' adoption and compliance of the Information Security Framework. Included in the report is a summary of all advice and recommendations of each Agency regarding their unique considerations. Additionally, updates will be provided regarding current security controls and the Vulnerability Threat Management Program. A closed meeting is requested, pursuant to an exception to the Open Meetings Act, 5 ILCS 120/2 (c) (8): "Security procedures, school building safety and security, and the use of the personnel and equipment to respond to an actual, a threatened, or a reasonably potential danger to the safety of employees, students, staff, the public, or public property."
