**Summary:** This contract provides for client care management services to adult offenders participating in the Circuit Court of Cook County's adult mental health treatment courts, operating at the George Leighton Criminal Courthouse and in all Municipal District courthouses. Services include screening and clinical assessments, case planning, referral to substance abuse and mental health treatment services and intensive case management.

The Circuit Court's Specialty/Treatment Court Program operates a network of 20 courts in Chicago and across suburban Cook County, dedicated to providing mental health treatment, drug treatment and support to veterans. The program helps low level criminal defendants who suffer from an underlying mental health, social or substance abuse problem from becoming repeat offenders. The hallmark of the program is intensive judicial supervision and the delivery of treatment and services from community-based sources.

This contract is awarded through a Request for Proposals (RFP) process in accordance with the Cook County Procurement Code. NAMI Chicago was selected based on established evaluation criteria.
