**Percent Above or Below Construction Contract Bid Amount:** -\$28,157.44 or 5.54% below the Construction Contract Bid Amount

**Summary:** The Department of Transportation and Highways respectfully requests approval of the Proposed Completion of Construction for work done by A Lamp Concrete Contractors. The proposed improvement consisted of pulverization, preparation of base, removal and disposal of unsuitable material, hot-mix asphalt binder course, hot-mix asphalt surface course, grading and shaping ditches, culvert removal and replacement, driveway pavement removal and replacement, landscape and shoulder restoration, butt joints, traffic control and protection and other related work to complete the project.

The decreases are attributed to the difference between the estimated quantities and actual field quantities of work performed with deduction in hot-mix asphalt items, brick driveway removal and replacement and portland cement concrete driveway pavement items per field conditions.
