**Federal Project Number(s):** N/A

**Federal Job Number(s):** N/A

**Concurrences:**

The vendor has met the Minority and Women Owned Business Enterprise Ordinance.

The Chief Procurement Officer concurs.

**Summary:** This contract consists of developing a Long Range Transportation Plan (LRTP), which includes preparation of a Countywide transportation system inventory, providing forecast of socioeconomic data to establish future travel demand, identification and evaluation of transportation deficiencies and transportation improvements that are supportive of a preferred scenario, compiling recommendations for strategies and major capital projects into a recommended plan, financial analysis of estimated revenues and projected transportation improvement costs, comprehensive regional and local coordination and other necessary engineering tasks. This increase is needed to expand upon activities within the original scope so as to achieve greater public participation in the planning process.

This contract was awarded through a Request for Qualifications (RFQ) process in accordance with the Cook County Procurement Code. URS Corporation was selected based on established evaluation criteria.
