**Summary:** This increase and two (2) year renewal will allow the Bureau of Technology to continue to receive Managed Security Services. SecureWorks provides information security services, protecting its customers' computers, networks and information assets from malicious activity such as cybercrime. This contract provides the County with round-the-clock monitoring and management of intrusion detection systems and firewalls, overseeing patch management and upgrades, performing security assessments and security audits, and responding to emergencies. Further, it addresses information

security concerns such as targeted malware, data theft, skills shortages and resource constraints.

This contract was awarded through Request for Proposals (RFP) procedures in accordance with Cook County Procurement Code. SecureWorks, Inc. was selected based on established evaluation criteria.
