N/A - PROCURED BY CCH

Summary: This request is for the provision of architectural and engineering services for the environmental abatement, remediation, and demolition of the CCH Administration, Hektoen and Durand Buildings. The scope of this project includes design and construction services for removal of identified environmental hazards, in conjunction with the construction administration services for the building demolition. Services further include site and material testing, bidding, construction administration, construction observation, and post-construction services. Cook County intends to utilize a Construction Manager at Risk (CMaR) delivery method for remediation and demolition of these buildings.

Approved by CCH Board of Directors 10/27/2023
