Concurrences:

The vendor has met the Minority- and Women-owned Business Enterprise Ordinance via: Direct Participation.

The Chief Procurement Officer concurs.

Summary: The Department of Transportation and Highways respectfully requests approval of the proposed Contract Amendment between the County and Hey and Associates Inc., Volo, Illinois. This contract consists of providing drainage related preliminary and design engineering services; review of drainage related plans and permit submittals; drainage evaluations; wetland delineation and mitigation; permitting; and other related environmental services to be provided on an as-needed basis throughout the County. Due to increased involvement in addressing regional transportation needs and partnerships with municipalities, the department is experiencing greater demand for drainage engineering services. This requires exercising the first of two 1-year renewal options on this existing contract and increasing (supplementing) the contract value by \$440,000.00 to a total value of \$1,190,000.00 to provide the necessary capacity.

This contract was awarded through Request for Qualifications (RFQ) procedures in accordance with Cook County Procurement Code. Hey and Associates Inc. was selected based on established evaluation criteria.
