Summary: The operation of the County's Wide Area Network (WAN) is an outsourced function. This contract consolidates several legacy contracts for the maintenance and repair of the County's converged Voice and Data Network under one support contract resulting in future savings over legacy contract costs. The services provided through this agreement will support BOT's ability to provide services to all County agencies and employees.

This contract is awarded through Request for Proposals (RFP) procedures in accordance with Cook County Procurement Code. Sentinel Technologies, Inc. was selected based on established evaluation criteria.
