Summary: The Department of Transportation and Highways respectfully request Approval of the Proposed Completion of Construction Approval Resolution for work done with Triggs Construction, Inc., West Chicago, Illinois. The proposed improvement consisted of grinding and overlaying of existing hot-mix asphalt pavement, diamond grinding of existing concrete pavement, patching, drainage improvements, curb and gutter replacement, grading and shaping ditches, sidewalk ADA improvements, traffic control and protection, pavement markings and any collateral and auxiliary work as needed to complete the project. The decreases are attributed to the difference between the estimated quantities and actual field quantities of work performed with decrease in hot-mix asphalt related items, patching related items, curb and gutter and joint repair special.
