Summary: This professional service contract provides continued management and community relations services under the direction of the superintendent of the JTDC to assist minor residents. Consulting services include the continued development of linkage agreements with community service providers and local schools and colleges to expand the continuity of care, expand education opportunities and create new innovative programming for residents discharged from the facility.

Ms. Grant is an expert in the area of community and intergovernmental relations, with over 20 years of experience in networking and project management. Her unique skill set includes a specialization in juvenile justice that helps the JTDC create integrated services and programs for youth.

Over the past several years, Ms. Grant has been able to help develop fourteen (14) new programs to advance the JTDC's strategic goal of improving appropriate community access for residents at the JTDC. She has developed relationships with Chicago Public Schools, Chicago City Colleges, the Safer Foundation, the Chicago Police Department, the Coalition of African American Leaders and the Union League Club that address the JTDC's core values to offer community, family and youth-centered approaches. Ms. Grant's continued involvement and assistance is essential to continuing inclusive collaboration among agencies and communities for youth residents.

This is a Sole Source procurement pursuant to Section 34-139 of the Cook County Procurement Code.
