Civic Initiatives will assist with the development and implementation of a performance reporting program, internal operations manual, and provide solicitation development support as required. The Office of Contract Compliance requires similar Support Services from Consultant for staff augmentation related to contract compliance operations.

Original contract was a Comparable Government Procurement pursuant Section 34-140 of the Procurement Code. Civic Initiatives was previously awarded a contract through a Request for Proposals (RFP) process through the National Association of State Procurement Officials (NASPO), a national government purchasing cooperative in cooperation with the State of Hawaii. The State of Hawaii has recently extended their contract through December 2, 2024. Cook County wishes to leverage this procurement effort.
