Summary: The Department of Transportation and Highways respectfully requests approval of the Proposed Completion of Construction Approval Resolution for Pavement Marking Services at various Countywide locations.

The improvements consisted of furnishing and installing various types of paint pavement marking line, preformed pavement marking line, eradication of the existing pavement marking line, traffic control and protection and other related work to complete the project.

The final project cost is \$4,778,971.24. The decrease is attributed to the difference between the estimated quantities and actual field quantities of work performed with decrease in quantities required to maintain pavement marking.
