Grant-funded program services under contract 1360-13122, which began in January 2014, are scheduled to expire on 6/30/2015.

The Circuit Court Criminal Division's Adult Redeploy Illinois, Access to Community Treatment (ACT) Court seeks to help certain low-level criminal defendants suffering from substance abuse problems from becoming repeat offenders and being incarcerated. The ACT Court achieves this goal by

providing behavioral health, vocational and educational treatment services from community-based sources, such as TASC, combined with intensive court supervision. As of 3/31/2015, 106 participants have been admitted into the program. The program has achieved a retention rate of 79 percent, well above the rate of drug courts nationally, despite the challenging nature of the population. As the Designated State Agency for court treatment programs as a condition of probation, TASC is the only authorized contractor and is uniquely qualified to act as an intermediary between the court system and the treatment community.

This is a Sole Source Procurement pursuant to Section 34.-139 of the Cook County Procurement Code.
