Summary: The Department of Administrative Hearings currently utilizes a system that is end-of-life. DACRA's Administrative Hearing System is a Commercial off-the-shelf solution that will provide a robust, secure, and modern tool to manage their workload. The DACRA solution is cloud-hosted and meets the application availability requirements of the Sheriff and Forest Preserve Police. Another key benefit is that multiple offices would be able to use a single solution to increase efficiency and communication between these agencies.

This is a Comparable Government Procurement pursuant to Section 34-140 of the Cook County Procurement Code. DACRA Tech, LLC was previously awarded a contract by the City of Joliet through a Request for Proposal (RFP) process. Cook County wishes to leverage this procurement effort.
