Accounts: 040-260 (if multiple accounts identify in parentheses)

Contract Number(s): 12-23-241

Concurrences:

The Chief Procurement Officer concurs.

Summary: This amendment will provide an automated system solution that will help the Assessor's Office identify individuals that are defrauding the system. The Solution makes it easy to submit batches of data with minimal basic input information. These batches are run against a vast collection of public and proprietary databases; over 585 million unique identities and over 40,000 disparate sources of public records data, giving the County visibility across jurisdictions, for up to 20 years of historic information, with nationwide visibility.
