WHEREAS, industrial real estate is normally assessed at 25% of its market value. Qualifying industrial real estate eligible for the Class 6b can receive a significant reduction in the level of assessment from the date that new construction or rehabilitation has been completed, or in the case of abandoned property from the date of substantial re-occupancy. WHEREAS, Class 6b requires a resolution by the County Board validating the property is deemed abandoned for the purpose of Class 6b ; and

WHEREAS, the Cook County Board of Commissioners has determined that the building has been abandoned for 62 months, at the time of application, with no purchase for value and that special circumstances are present; and

WHEREAS, the re-occupancy will create an estimate 10-20 full- time jobs; 10-20 part-time jobs; retain 139 full-time jobs; retain 2 part- time jobs and create 30-40 construction jobs; and

WHEREAS, the Village of Hillside states the Class 6b is necessary for development to occur on this

specific real estate. The municipal resolution cites the special circumstances include that the property has been vacant for over 24 months; there will be no purchase for value and the property is in need of substantial rehabilitation; and

WHEREAS, the applicant acknowledges that it must provide an affidavit to the Assessor's Office stipulating that it is in compliance with the County's Living Wage Ordinance prior to receiving the Class 6b incentive on the subject property.

NOW, THEREFORE, BE IT RESOLVED, by the President and Board of Commissioners of the County of Cook, that the President and Board of Commissioners validate the property located at 5999 Butterfield Road, Hillside, Cook County, Illinois, is deemed abandoned with special circumstances under the Class 6b ; and
