In 2013, the Chief Procurement Officer issued a Request for Proposal (RFP) for these services for the Juvenile Probation and Court Services Department. The RFP procedures were followed in accordance with Cook County's Procurement Code. TASC was the sole responder to the RFP and is recommended for the contract based on its qualifications and extensive experience providing such services to the Circuit Court under the current contract. In FY2013, TASC provided services to 1,473 court-involved youth.

TASC currently performs initial screenings, assessments, diagnostic services, substance abuse testing and chain of custody monitoring and support services for delinquent minors under the supervision of the Circuit Court's Juvenile Probation and Court Services Department. These are minors who have been identified in one of the following three service tracks: 1) minors under general supervision; 2) nonviolent minors participating in the Circuit Court's Drug Treatment Program who reside in and around the Austin and Lawndale communities in Chicago; and 3) minors referred to the Circuit Court's Detention Reduction Project (DRP), which serves nonviolent delinquent minors residing in Chicago's Englewood, Lawndale, Back of the Yards, Little Village, Marquette Park, Auburn-Gresham, and Roseland communities. The new contract will permit expansion into the Austin and Humboldt Park communities....end
