PROPOSED IMPROVEMENT RESOLUTION (TRANSPORTATION AND HIGHWAYS)

Board of Commissioners

Department: Transportation and Highways

1

5/21/2014

approve

Pass

Project Type: Motor Fuel Tax Project Improvement Resolution

Request: Approval of appropriation of Motor Fuel Tax Funds

Project: Pavement Rehabilitation 2014

Location: Various Locations throughout Cook County

Section: 14-REHAB-01-PV

County Board District(s): Countywide

Centerline Mileage: N/A

Fiscal Impact: \$2,750,000.00

Accounts: Motor Fuel Tax Fund: (600-585 Account)

Summary: This improvement, as proposed, will consist of milling and resurfacing of the existing bituminous pavement with hot-mix asphalt or diamond grinding existing concrete pavement and shall include patching, concrete pavement replacement, drainage repairs and adjustments, sidewalk removal and ADA compliant ramp replacement, traffic control and protection, pavement marking, landscaping, engineering and other necessary highway appurtenances.

This improvement will rehabilitate various severely deteriorated roadway segments which suffered from the unusually harsh winter weather and is needed to protect the public investment in the highway system and provide safe, efficient and sustainable highways.
