The Board has previously authorized the CPO and the Using Agency to exercise the contractual right to exercise the renewal and increase options. The CPO executed an amendment for the fourth and final renewal option and Gateway Foundation has continued to provide services from 5/17/2013 until 2/10/2014, which is the date Gateway completed providing services under the contract. The CPO and the Using Agency are requesting that this Board approve the final increase for work performed by Gateway Foundation through 2/10/2014. The OCPO and the Cook County Sheriff's Office are requesting that the Cook County Board of Commissioners authorize and memorialize the terms of the amendment, to exercise the County's fourth and final renewal option to Contract 09-41-118 with Gateway Foundation Inc. that required Board approval.
