Title:	PROPOSED INTERGOVERNMENTAL AGREEMENT AMENDMENT				

Department: Planning and Development

Other Part(ies): City of Chicago Heights

Request: Approval of an Amendment to the existing Joint Cooperation Agreement between Cook County and the City of Chicago Heights

Goods or Services: Since 1993, Cook County and Chicago Heights have agreed to cooperate in undertaking essential community development and housing assistance activities. Chicago Heights is a member of the Cook County Urban County, whereby Cook County undertakes activities benefiting Chicago Heights and its residents via federal grant resources from the U.S. Department of Housing and Urban Development (HUD).

Agreement Number: N/A

Agreement Period: Original effective date of 6/22/1993, with automatic renewals every three years unless one party wishes to terminate.

Fiscal Impact: As a result of this agreement, additional HUD entitlement funding flows to Cook County via the annual HUD formula grants. The amount of funding varies each year.

Accounts: Not applicable

Summary:

Transmitted herewith is an Amendment to the existing Joint Cooperation Agreement between Cook County and the City of Chicago Heights related to membership in Cook County's Urban County for Community Development Block Grant (CDBG) funding. The Joint Cooperation Agreement, originally executed in 1993, typically automatically renews every three years during the triennial Urban County requalification period that Cook County is required to undertake by HUD, the source of the CDBG funding. For this cycle, HUD is requiring that new language be added to all cooperation agreements. This amendment adds this new required language to the existing agreement between Cook County and Chicago Heights. The Office of the State's Attorney has approved the Amendment as to form.
