Concurrences:

Vendor has met the Minority and Women Business Enterprise Ordinance.

The Chief Procurement Officer concurs.

Summary:

This is the second renewal and increase for the continuation of pavement marking services. This work consists of furnishing and installing various types of paint and preformed plastic pavement markings to maintain center line, edge line, lane line and other incidental traffic control markings on various roads in Cook County. These maintenance services are necessary for the Department to maintain pavement markings on the roadway network to ensure public safety and traffic control.

Competitive bidding procedures were followed in accordance with the Cook County Procurement Code
