Summary: RSAM is a governance, risk and compliance (GRC) management software. DHSEM intends to use this software to help effectively identify, assess, manage and mitigate risks, while providing enterprise-wide visibility, oversight and assurance. RSAM's modular solutions allow for a sensible and phased approach to GRC. The software's solution templates enable rapid deployment for Assessment, Audit Management, Compliance Management, Enterprise Risk, Incident Management, Issue and Remediation Tracking, Policy Management, Exceptions Management, Threat and Vulnerability Management and Vendor Risk Management. This contract will make DHSEM's cybersecurity responsibilities more efficient, accurate, accountable and visible, while reducing current GRC management costs.

Request for Proposal (RFP) procedures were followed in accordance with the Cook County Procurement Code. RSAM was recommended based on established evaluation criteria.
