Summary: A contract with National Safety Council is requested pursuant to a Request for Proposal (RFP) for an independent, qualified organization to manage the Circuit Court of Cook County's Traffic Safety School Program. This program was established by the court in the 1980s, pursuant to Supreme Court Rule 529(c) and is managed in accordance with the Traffic Safety Program Standards, adopted by the Conference of Chief Circuit Judges. The program includes various course offerings available on-line and in-classroom. The program serves approximately 50,000 drivers per year.

The costs of the program are funded entirely by fees paid by defendants charged with traffic violations in Cook County who receive Traffic Safety Program instruction as a sentencing option. Cook County receives a portion of those fees to offset its program costs, estimated at \$500,000.00 each year.

RFP procedures were followed in accordance with the Cook County Procurement Code. The National Safety Council was selected based on established evaluation criteria.
