The Chief Procurement Officer concurs

Summary: The Bureau of Technology respectfully requests approval of an amendment to increase and extend Contract No. 08-41-333 with AVAYA, Inc. Under the proposed amendment, Cook County would receive telephone maintenance for an additional six months while a corresponding maintenance contract process is completed. The contract currently provides hardware, software, implementation, and training services for all Cook County telephone systems, including critical County

operations such as Public Safety, Law Enforcement, Health & Hospital Systems, and Emergency Management. If approved, this extension and increase would ensure continuity of telecommunications operations and help prevent major service disruptions.
