URGING THE UNITED STATES HOUSE OF REPRESENTATIVES TO PASS LEGISLATION EXEMPTING TEAM USA MEMBERS FROM FEDERAL TAXATION ON THEIR OLYMPIC WINNINGS

WHEREAS, Olympic winners receive \$25,000 for a gold medal, \$15,000 for a silver medal, and \$10,000 for a bronze medal, and the gold and silver medals themselves are valued anywhere from \$564 to \$300; and

WHEREAS, the Internal Revenue Service considers those winnings fully taxable achievement awards; and

WHEREAS, there is a great disparity of income level among Olympic athletes; most do not receive lucrative endorsement contracts, and some maintain amateur status and are college students who rely on family support and scholarships; and

WHEREAS, Olympic athletes can pay an income tax of anywhere from 10% to 39.6% depending on their income; those in the highest bracket can expect to pay tax of approximately \$9,900 for one gold medal; and

WHEREAS, support for exempting Olympians from being taxed on medal earnings has crossed party lines, is supported by President Obama, and is gaining momentum given the record-breaking 121 medals won by athletes representing the United States in Brazil; and

WHEREAS, in July of 2016, the Senate passed the United States Appreciation for Olympians and Paralympians Act, which would exempt Team USA members from federal taxation on their Olympic wins; and

WHEREAS, House of Representative leaders have pledged to vote this September on a bill identical to the one passed by the Senate that would retroactively apply to the 2016 games in Rio De Janeiro; and

WHEREAS, this legislation would have no impact on federal taxes on athletes' sponsorship or endorsement income.

NOW, THEREFORE, BE IT RESOLVED, that the Cook County Board of Commissioners urge the United States House of Representatives to pass the United States Appreciation for Olympians and Paralympians Act; and

BE IT FURTHER RESOLVED, that a suitable copy of this resolution be distributed to the United States House of Representatives.
